GENERAL PROVISIONS

RCW 46.18.005 Intent. The legislature has seen an increase in the demand from constituent groups seeking recognition and funding through the establishment of commemorative or special license plates. The high cost of implementing a new special license plate series coupled with the uncertainty of the state's ability to recoup its costs has led the legislature to delay the implementation of new

special license plates. In order to address these issues, it is the intent of the legislature to create a mechanism that will allow for the evaluation of special license plate requests and establish a funding policy that will alleviate the financial burden currently placed on the state. Using these two strategies, the legislature will be better equipped to efficiently process special license plate legislation. [2010 c 161 § 601; 2003 c 196 § 1. Formerly RCW 46.16.700.]

Reviser's note: 2010 c 161 § 1226 directed that RCW 46.16.700 be recodified under the subchapter heading "review board" under chapter 46.18 RCW. However, recodification under the subchapter heading "general provisions" appears to be more appropriate.

Effective date—Intent—Legislation to reconcile chapter 161, Laws of 2010 and other amendments made during the 2010 legislative session—2010 c 161: See notes following RCW 46.04.013.

Part headings not law—2003 c 196: "Part headings used in this act are not part of the law." [2003 c 196 § 601.]

RCW 46.18.010 Application. Persons applying to the department for special license plates shall apply on forms obtained from the department and in accordance with RCW 46.16A.040. The applicant shall provide all information as is required by the department in order to determine the applicant's eligibility for the special license plates. The department shall collect from the requesting organization a fee of two hundred dollars for providing special license plate design services.
