(1) "Affiliate of a declarant" means any person who controls, is controlled by, or is under common control with a declarant. For purposes of this subsection:

(a) A person controls a declarant if the person:

(i) Is a general partner, managing member, officer, director, or employer of the declarant;

(ii) Directly or indirectly or acting in concert with one or more other persons, or through one or more subsidiaries, owns, controls, holds with power to vote, or holds proxies representing more than 20 percent of the voting interest in the declarant;

(iii) Controls in any manner the election or appointment of a majority of the directors, managing members, or general partners of the declarant; or

(iv) Has contributed more than 20 percent of the capital of the declarant.

(iii) Controls in any manner the election or appointment of a majority of the directors, managing members, or general partners of the person; or

(iv) Has contributed more than 20 percent of the capital of the person.

(c) Control does not exist if the powers described in this subsection (1) are held solely as security for an obligation and are not exercised.

(2) "Allocated interests" means the following interests allocated to each unit:

(a) In a condominium, the undivided interest in the common elements, the common expense liability, and votes in the association;

(b) In a cooperative, the common expense liability, the ownership interest, and votes in the association; and

(c) In a plat community and miscellaneous community, the common expense liability and the votes in the association, and also the undivided interest in the common elements if owned in common by the unit owners rather than an association.

(3) "Assessment" means all sums chargeable by the association against a unit, including any assessments levied pursuant to RCW 64.90.480, fines or fees levied or imposed by the association pursuant to this chapter or the governing documents, interest and late charges on any delinquent account, and all costs of collection incurred by the association in connection with the collection of a delinquent owner's account, including reasonable attorneys' fees.

(4) "Association" or "unit owners association" means the unit owners association organized under RCW 64.90.400 and, to the extent necessary to construe sections of this chapter made applicable to common interest communities pursuant to RCW 64.90.365, *64.90.090, or 64.90.370, the association organized or created to administer such common interest communities.

(10) "Common interest community" means real estate described in a declaration with respect to which a person, by virtue of the person's ownership of a unit, is obligated to pay for a share of real estate taxes, insurance premiums, maintenance, or improvement of, or services or other expenses related to, common elements, other units, or other real estate described in the declaration. "Common interest community" does not include an arrangement described in RCW 64.90.110 or 64.90.115. A common interest community may be a part of another common interest community.

(11) "Condominium" means a common interest community in which portions of the real estate are designated for separate ownership and the remainder of the real estate is designated for common ownership solely by the owners of those portions. A common interest community is not a condominium unless the undivided interests in the common elements are vested in the unit owners.

(12) "Condominium notice" means the notice given to tenants pursuant to subsection (13)(c) of this section.

(13)(a) "Conversion building" means a building:

(i) That at any time before creation of the common interest community was lawfully occupied wholly or partially by a tenant or subtenant for residential purposes pursuant to a rental agreement, oral or written, express or implied, who did not receive a condominium notice prior to entering into the rental agreement or lawfully taking occupancy, whichever event occurred first; or

(ii) That at any time within the 12 months preceding the first acceptance of an agreement with the declarant to convey, or the first conveyance of, any unit in the building, whichever event occurred first, to any person who was not a declarant or dealer, or affiliate of a declarant or dealer, was lawfully occupied wholly or partially by a tenant or subtenant for residential purposes pursuant to a rental agreement, oral or written, express or implied, who did not receive a condominium notice prior to entering into the rental agreement or lawfully taking occupancy, whichever event occurred first.

(c) The notice referred to in (a)(i) and (ii) of this subsection must be in writing and must state: "The unit you will be occupying is, or may become, part of a common interest community and subject to sale."

(14) "Convey" or "conveyance" means, with respect to a unit, any transfer of ownership of the unit, including a transfer by deed or by

real estate contract and, with respect to a unit in a leasehold common interest community or a proprietary lease in a cooperative, a transfer by lease or assignment of the unit, but does not include the creation, transfer, or release of a security interest.

(15) "Cooperative" means a common interest community in which the real estate is owned by an association, each member of which is entitled by virtue of the member's ownership interest in the association and by a proprietary lease to exclusive possession of a unit.

(a) Any person who executes as declarant a declaration;

(b) Any person who reserves or succeeds to any special declarant right in a declaration;

(c) Any person who exercises special declarant rights or to whom special declarant rights are transferred of record. The holding or exercise of rights to maintain sales offices, signs advertising the common interest community, and models, and related right of access, does not confer the status of being a declarant; or

(d) Any person who is the owner of a fee interest in the real estate that is subjected to the declaration at the time of the recording of an instrument pursuant to RCW 64.90.425 and who directly or through one or more affiliates is materially involved in the construction, marketing, or sale of units in the common interest community created by the recording of the instrument.

(27) "Fully funded balance" means the current value of the deteriorated portion, not the total replacement value, of all the reserve components. The fully funded balance for each reserve component is calculated by multiplying the current replacement cost of that reserve component by its effective age, then dividing the result by that reserve component's useful life. The sum total of all reserve components' fully funded balances is the association's fully funded balance.

annual budgeted expenses of the association, excluding contributions to the reserve fund, for all other common interest communities.

For the purposes of this subsection, "independent" means a person who is not an employee, officer, or director, and has

no pecuniary interest in the declarant, association, or any other party for whom the reserve study is prepared.

(49) "Residential purposes" means use for dwelling or recreational purposes, or both.

(50) "Rule" means a policy, guideline, restriction, procedure, or regulation of an association, however denominated, that is not set forth in the declaration or organizational documents.

RCW 64.90.015 No variation by agreement. Except as expressly provided in this chapter, the effect of the provisions of this chapter may not be varied by agreement, and rights conferred by this chapter may not be waived. Except as provided otherwise in RCW 64.90.110, a declarant may not act under a power of attorney, or use any other device, to evade the limitations or prohibitions of this chapter or the declaration. [2018 c 277 s 103.]

RCW 64.90.020 Separate titles and taxation. (1) In a cooperative, unless the declaration provides that a unit owner's interest in a unit and its allocated interests is real estate for all purposes, that interest is personal property.

(2) In a condominium, plat community, or miscellaneous community, if there is any unit owner other than a declarant:

(a) Each unit that has been created, together with its interest in the common elements, constitutes for all purposes a separate parcel of real estate; and

(b) Each unit together with its interest in the common elements must be separately taxed and assessed.

(3) If a development right has an ascertainable market value, the development right constitutes a separate parcel of real estate for property tax purposes and must be separately taxed and assessed to the declarant, and the declarant alone is liable for payment of those taxes.

(4) If there is no unit owner other than a declarant, the real estate comprising the common interest community may be taxed and assessed in any manner provided by law. [2018 c 277 s 104.]

RCW 64.90.025 Applicability of local ordinances, regulations, and building codes. (1) A building, fire, health, or safety statute, ordinance, or regulation may not impose any requirement upon any structure in a common interest community that it would not impose upon a physically identical development under a different form of ownership.

(2) A zoning, subdivision, or other land use statute, ordinance, or regulation may not prohibit the condominium or cooperative form of ownership or impose any requirement upon a condominium or cooperative or miscellaneous community that it would not impose upon a physically identical development under a different form of ownership.

(3) Chapter 58.17 RCW does not apply to the creation of a condominium or a cooperative. This chapter must not be construed to permit the creation of a condominium or cooperative or miscellaneous community on a lot, tract, or parcel of land that could not be sold or transferred without violating chapter 58.17 RCW.

(4) Except as provided in subsections (1), (2), and (3) of this section, this chapter does not invalidate or modify any provision of any building, zoning, subdivision, or other statute, ordinance, rule, or regulation governing the use of real estate.

(5) This section does not prohibit a county legislative authority from requiring the review and approval of declarations and amendments to declarations and of termination agreements executed pursuant to RCW 64.90.290(2) by the county assessor solely for the purpose of allocating the assessed value and property taxes. The review by the assessor must be done in a reasonable and timely manner. [2019 c 238 s 202; 2018 c 277 s 105.]

RCW 64.90.030 Eminent domain. (1) If a unit is acquired by condemnation or part of a unit is acquired by condemnation leaving the unit owner with a remnant that may not practically or lawfully be used for any purpose permitted by the declaration, the award must include compensation to the unit owner for that unit and its allocated interests, whether or not any common elements are acquired. Upon acquisition, unless the decree otherwise provides, that unit's allocated interests are automatically reallocated to the remaining units in proportion to the respective allocated interests of those units before the taking, and the association must promptly prepare, execute, and record an amendment to the declaration reflecting the reallocations. Any remnant of a unit remaining after part of a unit is taken under this subsection is thereafter a common element.

(2) Except as provided in subsection (1) of this section, if part of a unit is acquired by condemnation, the award must compensate the unit owner for the reduction in value of the unit and its interest in the common elements, whether or not any common elements are acquired. Upon acquisition, unless the decree provides otherwise:

(a) That unit's allocated interests are reduced in proportion to the reduction in the size of the unit, or on any other basis specified in the declaration; and

(b) The portion of the allocated interests divested from the partially acquired unit are automatically reallocated to that unit and

to the remaining units in proportion to the respective allocated interests of those units before the taking, with the partially acquired unit participating in the reallocation on the basis of its reduced allocated interests.

(3) (a) If part of the common elements is acquired by condemnation, the portion of the award attributable to the common elements taken must be paid to the association. A court may award damages to a unit owner or owners for particular damage to the owner's units arising from condemnation.

(b) Unless the declaration or the decree provides otherwise, any portion of the award attributable to the acquisition of a limited common element must be equally divided among the owners of the units to which that limited common element was allocated at the time of acquisition.

(4) The decree must be recorded in every county in which any portion of the common interest community is located. [2018 c 277 s 106.]

RCW 64.90.035 Supplemental general principles of law applicable.

The principles of law and equity, including the law of corporations and any other form of organization authorized by the law of this state and unincorporated associations, the law of real estate, and the law relative to the capacity to contract, principal and agent, eminent domain, estoppel, fraud, misrepresentation, duress, coercion, mistake, receivership, substantial performance, or other validating or invalidating cause supplement this chapter, except to the extent inconsistent with this chapter. [2018 c 277 s 107.]

RCW 64.90.040 Construction against implicit repeal.

This chapter is intended as a unified coverage of its subject matter and no part of it must be construed to be impliedly repealed by subsequent legislation if that construction can reasonably be avoided. [2018 c 277 s 108.]

RCW 64.90.045 Application—Construction.

This chapter must be applied and construed to effectuate its general purpose to make uniform the law with respect to the subject of this chapter among states enacting it. [2018 c 277 s 109.]

RCW 64.90.050 Unconscionable agreement or term of contract. (1)

The court, upon finding as a matter of law that a contract or contract clause was unconscionable at the time the contract was made, may refuse to enforce the contract, enforce the remainder of the contract without the unconscionable clause, or limit the application of any unconscionable clause to avoid an unconscionable result.

(2) Whenever it is claimed, or appears to the court, that a contract or any contract clause is or may be unconscionable, the parties, to aid the court in making the determination, must be afforded a reasonable opportunity to present evidence as to:

(a) The commercial setting of the negotiations;

(b) Whether a party has knowingly taken advantage of the inability of the other party reasonably to protect his or her

interests by reason of physical or mental infirmity, illiteracy, inability to understand the language of the agreement, or similar factors;

(c) The effect and purpose of the contract or clause; and

(d) If a sale, any gross disparity at the time of contracting between the amount charged for the property and the value of that property measured by the price at which similar property was readily obtainable in similar transactions. A disparity between the contract price and the value of the property measured by the price at which similar property was readily obtainable in similar transactions does not, of itself, render the contract unconscionable. [2018 c 277 s 111.]

RCW 64.90.055 Obligation of good faith. Every contract or duty governed under this chapter imposes an obligation of good faith in its performance or enforcement. [2018 c 277 s 112.]

RCW 64.90.060 Remedies. The remedies provided under this chapter must be liberally administered to the end that the aggrieved party is put in as good a position as if the other party had fully performed. However, consequential, special, or punitive damages may not be awarded except as specifically provided in this chapter or by other rule of law. [2018 c 277 s 113.]

RCW 64.90.065 Adjustment of dollar amounts. (1) From time to time the dollar amount specified in RCW 64.90.360(4) and 64.90.640(2) must change, as provided in subsections (2) and (3) of this section, according to and to the extent of changes in the consumer price index for urban wage earners and clerical workers: United States city average, all items 1967 = 100, compiled by the bureau of labor statistics, United States department of labor, (the "index"). The index for December 1979, which was 230, is the reference base index.

(2) The dollar amounts specified in RCW 64.90.360(4) and 64.90.640(2) and any amount stated in the declaration pursuant to RCW 64.90.360(4) and 64.90.640(2) must change on July 1st of each year if the percentage of change, calculated to the nearest whole percentage point, between the index at the end of the preceding year and the reference base index, is 10 percent or more, but: (a) The portion of the percentage change in the index in excess of a multiple of 10 percent must be disregarded and the dollar amount may only change in multiples of 10 percent of the amount appearing in this chapter on July 1, 2018; (b) the dollar amount must not change if the amount required under this section is that currently in effect pursuant to this chapter as a result of earlier application of this section; and (c) the dollar amount must not be reduced below the amount appearing in this chapter on July 1, 2018.

(3) If the index is revised after December 1979, the percentage of change pursuant to this section must be calculated on the basis of the revised index. If the revision of the index changes the reference base index, a revised reference base index must be determined by multiplying the reference base index then applicable by the rebasing factor furnished by the bureau of labor statistics. If the index is superseded, the index referred to in this section is the one represented by the bureau of labor statistics as reflecting most

accurately the changes in the purchasing power of the dollar for consumers. [2024 c 321 s 302; 2018 c 277 s 114.]

RCW 64.90.070 Electronic signatures in global and national commerce act. This chapter modifies, limits, and supersedes the federal electronic signatures in global and national commerce act, 15 U.S.C. Sec. 7001 et seq., but does not modify, limit, or supersede 15 U.S.C. Sec. 7001(c) or authorize electronic delivery of any of the notices described in 15 U.S.C. Sec. 7003(b). [2018 c 277 s 115.]

RCW 64.90.085 Common interest communities, amendments to. Amendments to this chapter apply to all common interest communities subject to this chapter, regardless of when the amendments become effective. [2024 c 321 s 201; 2018 c 277 s 118.]

RCW 64.90.090 Prior condominium statutes. (Effective until January 1, 2028.) (1) Chapter 64.32 RCW does not apply to condominiums created on or after July 1, 1990, and except as otherwise provided in subsection (2) of this section, chapter 64.34 RCW does not apply to condominiums created on or after July 1, 2018.

(2) RCW 64.34.405, 64.34.410, 64.34.415, 64.34.417, 64.34.418, and 64.34.420 continue to apply, and RCW 64.90.605, 64.90.610, 64.90.615, 64.90.620, 64.90.625, 64.90.630, and 64.90.635 do not apply, to any public offering statement first delivered to a prospective purchaser prior to July 1, 2018, for any common interest community created on or after July 1, 2018. A declarant or dealer who first delivered a public offering statement to a prospective purchaser pursuant to chapter 64.34 RCW prior to July 1, 2018, is not required to deliver a new or amended public offering statement to that purchaser pursuant to chapter 238, Laws of 2019. [2019 c 238 s 205; 2018 c 277 s 119.]

RCW 64.90.100 Common interest communities, nonresidential and mixed-use. (1) A plat community, miscellaneous community, or cooperative in which all the units are restricted exclusively to nonresidential use is not subject to this chapter except to the extent the declaration provides that:

(a) This entire chapter applies to the community;

(b) RCW 64.90.010 through 64.90.325 and 64.90.900 apply to the community; or

(c) Only RCW 64.90.020, 64.90.025, and 64.90.030 apply to the community.

(2) A condominium in which all the units are restricted exclusively to nonresidential use is subject to this chapter, but the declaration may provide that only RCW 64.90.010 through 64.90.325 and 64.90.900 apply to the community.

(3) If this entire chapter applies to a common interest community in which all the units are restricted exclusively to nonresidential use, the declaration may also require, subject to RCW 64.90.050, that:

(a) Any management, maintenance, operations, or employment contract, lease of recreational or parking areas or facilities, and any other contract or lease between the association and a declarant or

an affiliate of a declarant continues in force after the declarant turns over control of the association; and

(b) Purchasers of units must execute proxies, powers of attorney, or similar devices in favor of the declarant regarding particular matters enumerated in those instruments.

(4) A common interest community that contains both units restricted to nonresidential purposes and units that may be used for residential purposes is not subject to this chapter unless the units that may be used for residential purposes would comprise a common interest community subject to this chapter in the absence of such nonresidential units or the declaration provides that this chapter applies as provided in subsection (2) or (3) of this section. [2024 c 321 s 304; 2018 c 277 s 121.]

RCW 64.90.105 Common interest communities, out-of-state. This chapter does not apply to a common interest community located outside this state, but RCW 64.90.605 and 64.90.610, and, to the extent applicable, RCW 64.90.615 and 64.90.620, apply to a contract for the disposition of a unit in that common interest community signed in this state by any party unless exempt under RCW 64.90.600(2). [2024 c 321 s 202; 2018 c 277 s 122.]

RCW 64.90.110 Exempt real estate arrangements. (1) An arrangement between the associations for two or more common interest communities to share the costs of real estate taxes, insurance premiums, services, maintenance or improvements of real estate, or other activities specified in their arrangement or declarations does not create a separate common interest community.

(2) An arrangement between an association for a common interest community and the owner of real estate that is not part of a common interest community to share the costs of real estate taxes, insurance premiums, services, maintenance or improvements of real estate, or other activities specified in their arrangement does not create a separate common interest community. However, costs payable by the common interest community as a result of the arrangement must be included in the periodic budget for the common interest community, and the arrangement must be disclosed in all public offering statements and resale certificates required under this chapter.

(3) Except for a cooperative, a lease in which the tenant is obligated to share the costs of real estate taxes, insurance premiums, services, maintenance or improvements of real estate, or other activities specified in an arrangement does not create a separate common interest community. [2018 c 277 s 123.]

RCW 64.90.115 Other exempt covenants. An easement or covenant that requires the owners of separately owned parcels of real estate to share costs or other obligations associated with a party wall, driveway, well, or other similar use does not create a common interest community. [2018 c 277 s 124.]

II. CREATION, ALTERATION, AND TERMINATION OF COMMON INTEREST COMMUNITIES

RCW 64.90.200 Common interest communities, creation of. (1) (a)

A common interest community may be created under this chapter only by (i) recording a declaration executed in the same manner as a deed, and (ii) recording a map pursuant to RCW 64.90.245(3), and (iii) with respect to a cooperative, conveying the real estate subject to that declaration to the association.

(b) The declaration and map must be recorded in every county in which any portion of the common interest community is located. The name of a condominium must not be identical to the name of any other existing condominium or plat community, whether created under this chapter or *chapter 64.32 or 64.34 RCW, in any county in which the condominium is located.

(2) A declaration or an amendment to a declaration adding units to a common interest community other than a plat community may not be recorded unless a certification required under RCW 64.90.245(6) (a) or (b) regarding the map is also recorded.

(3) (a) Except as provided otherwise in the declaration or map, if, in a common interest community other than a condominium or cooperative, real estate described as a common element in the declaration or map is not conveyed to the association or expressly dedicated in the declaration or map to the unit owners as tenants in common, that real estate is deemed to be conveyed to the association at the time the first unit is conveyed, subject to the authority and jurisdiction of the association and subject to development rights, if any, reserved in the declaration.

(b) Except as provided otherwise in the declaration or map, in the event of the dissolution of an association, any real estate owned by the association vests in the unit owners as tenants in common with each unit owner's interest being determined in accordance with the provisions of RCW 64.90.290 regarding a termination of the common interest community. [2018 c 277 s 201.]

***Reviser's note:** Chapters 64.32 and 64.34 RCW were repealed by 2024 c 321 ss 501 and 502, effective January 1, 2028.

RCW 64.90.205 Reservation of name. Upon the filing of a written request with the county office in which the declaration is to be recorded, using a form of written request as may be required by the county office and paying a fee as the county office may establish not in excess of fifty dollars, a person may reserve the exclusive right to use a particular name for a condominium to be created in that county. The reserved name must not be identical to any other condominium or plat community located in that county. The name reservation expires unless within three hundred sixty-five days from the date on which the name reservation is filed the person reserving that name either records a declaration using the reserved name or files a new name reservation request. [2018 c 277 s 202.]

RCW 64.90.210 Unit boundaries. (1) Except as provided by the declaration or, in the case of a plat community or miscellaneous community, by the map:

(a) If walls, floors, or ceilings are designated as boundaries of a unit, all lath, furring, wallboard, plasterboard, plaster, paneling, tiles, wallpaper, paint, finished flooring, and any other materials constituting any part of the finished surfaces thereof are a part of the unit, and all other portions of the walls, floors, or ceilings are a part of the common elements.

(b) If any chute, flue, duct, wire, conduit, bearing wall, bearing column, or any other fixture lies partially within and partially outside the designated boundaries of a unit, any portion thereof serving only that unit is a limited common element allocated solely to that unit, and any portion thereof serving more than one unit or any portion of the common elements is a part of the common elements.

(2) Subject to subsection (1)(b) of this section, all spaces, interior partitions, and other fixtures and improvements within the boundaries of a unit are a part of the unit.

(3) Any fireplaces, shutters, awnings, window boxes, doorsteps, stoops, porches, balconies, decks, patios, and all exterior doors and windows or other fixtures designed to serve a single unit, but located outside the unit's boundaries, are limited common elements allocated exclusively to that unit. [2018 c 277 s 203.]

RCW 64.90.215 Construction and validity of governing documents.

(1) All provisions of the governing documents are severable. If any provision of a governing document, or its application to any person or circumstances, is held invalid, the remainder of the governing document or application to other persons or circumstances is not affected.

(2) The rule against perpetuities may not be applied to defeat any provision of the governing documents adopted pursuant to RCW 64.90.405(1)(a).

(3) If a conflict exists between the declaration and the organizational documents, the declaration prevails except to the extent the declaration is inconsistent with this chapter.

(4)(a) The creation of a common interest community must not be impaired and title to a unit and any common elements must not be rendered unmarketable or otherwise affected by reason of an insignificant failure of the governing documents, or any amendment to the governing documents, to comply with this chapter.

(b) This chapter does not determine whether a significant failure impairs marketability. Any unit owner, record owner of a security interest in any portion of the common interest community, or the association has standing to obtain a court order compelling the recordation of a declaration or map or adoption of organizational documents, or any appropriate amendment thereto, or to any other governing document, necessary to comply with the requirements of this chapter and to effectuate the reasonably ascertainable intent of the parties, including the intent to create a common interest community in compliance with this chapter. The failure to (i) include in the declaration or any amendment to the declaration cross-references by recording number to the map or any amendment to the map, or (ii) include in the map or any amendment to the map cross-references by recording number to the declaration or any amendment to the

declaration is deemed an insignificant failure to comply with this chapter. [2018 c 277 s 204.]

RCW 64.90.220 Description of units. (1) In a condominium or a cooperative, a description of a unit that sets forth the name of the common interest community, the recording data for the declaration, the county and state in which the common interest community is located, and the identifying number of the unit is a legally sufficient description of that unit and all rights, obligations, and interests appurtenant to that unit that were created by the governing documents.

(2) In a plat community or miscellaneous community, a description of a unit that sets forth the name of the common interest community, the recording data for the map, the county and state in which the common interest community is located, and the identifying number of the unit is a legally sufficient description of that unit and all rights, obligations, and interests appurtenant to that unit. [2018 c 277 s 205.]

RCW 64.90.225 Declaration—Contents. (1) The declaration must contain:

(a) The names of the common interest community and the association and, immediately following the initial recital of the name of the community, a statement that the common interest community is a condominium, cooperative, plat community, or miscellaneous community;

(b) A legal description of the real estate included in the common interest community;

(c) A statement of the number of units that the declarant has created and, if the declarant has reserved the right to create additional units, the maximum number of such additional units;

(d) In all common interest communities, a reference to the recorded map creating the units and common elements, if any, subject to the declaration, and in a common interest community other than a plat community, the identifying number of each unit created by the declaration, a description of the boundaries of each unit if and to the extent they are different from the boundaries stated in RCW 64.90.210(1)(a), and with respect to each existing unit, and if known at the time the declaration is recorded, the (i) approximate square footage, (ii) number of whole or partial bathrooms, (iii) number of rooms designated primarily as bedrooms, and (iv) level or levels on which each unit is located. The data described in this subsection (1)(d)(ii) and (iii) may be omitted with respect to units restricted to nonresidential use;

(e) A description of any limited common elements, other than those specified in RCW 64.90.210 (1)(b) and (3);

(f) A description of any real estate, except real estate subject to development rights, that may be allocated subsequently by the declarant as limited common elements, other than limited common elements specified in RCW 64.90.210 (1)(b) and (3), together with a statement that they may be so allocated;

(g) A description of any development right and any other special declarant rights reserved by the declarant, a time limit within which each of those rights must be exercised, and a legal description of the real property to which each development right applies;

(h) If any development right may be exercised with respect to different parcels of real estate at different times, a statement to that effect together with:

(i) Either a statement fixing the boundaries of those portions and regulating the order in which those portions may be subjected to the exercise of each development right or a statement that no assurances are made in those regards; and

(ii) A statement as to whether, if any development right is exercised in any portion of the real estate subject to that development right, that development right must be exercised in all or in any other portion of the remainder of that real estate;

(i) Any other conditions or limitations under which the rights described in (g) of this subsection may be exercised or will lapse;

(j) An allocation to each unit of the allocated interests in the manner described in RCW 64.90.235;

(k) Any restrictions on alienation of the units, including any restrictions on leasing that exceed the restrictions on leasing units that boards may impose pursuant to RCW 64.90.510(10)(c) and on the amount for which a unit may be sold or on the amount that may be received by a unit owner on sale, condemnation, or casualty loss to the unit or to the common interest community, or on termination of the common interest community;

(l) A cross-reference by recording number to the map for the units created by the declaration;

(m) Any authorization pursuant to which the association may establish and enforce construction and design criteria and aesthetic standards as provided in RCW 64.90.505;

(n) All matters required under RCW 64.90.230, 64.90.235, 64.90.240, 64.90.275, 64.90.280, and 64.90.410;

(o) A statement on the first page of the declaration whether the common interest community is subject to this chapter.

(2) All amendments to the declaration must contain a cross-reference by recording number to the declaration and to any prior amendments to the declaration. All amendments to the declaration adding units must contain a cross-reference by recording number to the map relating to the added units and set forth all information required under subsection (1) of this section with respect to the added units.

(3) The declaration may contain any other matters the declarant considers appropriate, including any restrictions on the uses of a unit or the number or other qualifications of persons who may occupy units. [2024 c 321 s 305; 2019 c 238 s 206; 2018 c 277 s 206.]

RCW 64.90.230 Leasehold common interest communities. (1) Any lease the expiration or termination of which may terminate the common interest community or reduce its size, or a memorandum of the lease, must be recorded. Every lessor of these leases in a condominium, plat community, or miscellaneous community must sign the declaration. The declaration must state:

(a) The recording number of the lease or a statement of where the complete lease may be inspected;

(b) The date on which the lease is scheduled to expire;

(c) A legal description of the real estate subject to the lease;

(d) Any right of the unit owners to redeem the reversion and the manner in which those rights may be exercised, or a statement that they do not have those rights;

(e) Any right of the unit owners to remove any improvements within a reasonable or stated time after the expiration or termination of the lease, or a statement that they do not have those rights; and

(f) Any rights of the unit owners to renew the lease and the conditions of any renewal, or a statement that they do not have those rights.

(2) The declaration may provide for the collection by the association of the proportionate rents paid on the lease by the unit owners and may designate the association as the representative of the unit owners on all matters relating to the lease.

(3) After the declaration for a condominium, miscellaneous community, or plat community is recorded, neither the lessor nor the lessor's successor in interest may terminate the leasehold interest of a unit owner who makes timely payment of a unit owner's share of the rent and otherwise complies with all covenants that, if violated, would entitle the lessor to terminate the lease. A unit owner's leasehold interest in a condominium, miscellaneous community, or plat community is not affected by failure of any other person to pay rent or fulfill any other covenant.

(4) Acquisition of the leasehold interest of any unit owner by the owner of the reversion or remainder does not merge the leasehold and fee simple interests unless the leasehold interests of all unit owners subject to that reversion or remainder are acquired and the owner of the reversion or remainder records a document confirming the merger.

(5) If the expiration or termination of a lease decreases the number of units in a common interest community, the allocated interests must be reallocated in accordance with RCW 64.90.030(1) as though those units had been taken by condemnation. Reallocations must be confirmed by an amendment to the declaration and map prepared, executed, and recorded by the association. [2018 c 277 s 207.]

RCW 64.90.235 Allocated interests. (1) The declaration must allocate to each unit:

(a) In a condominium, a fraction or percentage of undivided interests in the common elements and in the common expenses of the association and a portion of the votes in the association;

(b) In a cooperative, an ownership interest in the association, a fraction or percentage of the common expenses of the association, and a portion of the votes in the association; and

(c) In a plat community and miscellaneous community, a fraction or percentage of the common expenses of the association and a portion of the votes in the association.

(2) The declaration must state the formulas used to establish allocations of interests. Those allocations may not discriminate in favor of units owned by the declarant or an affiliate of the declarant.

(3) If units may be added to or withdrawn from the common interest community, the declaration must state the formulas to be used to reallocate the allocated interests among all units included in the common interest community after the addition or withdrawal.

(4) (a) The declaration may provide:

(i) That different allocations of votes are made to the units on particular matters specified in the declaration;

(ii) For cumulative voting only for the purpose of electing board members; and

(iii) For class voting on specified issues affecting the class if necessary to protect valid interests of the class.

(b) A declarant may not utilize cumulative or class voting for the purpose of evading any limitation imposed on declarants under this chapter, and units do not constitute a class because they are owned by a declarant.

(5) Except for minor variations due to rounding, the sum of the common expense liabilities and, in a condominium, the sum of the undivided interests in the common elements allocated at any time to all the units must each equal one if stated as a fraction or one hundred percent if stated as a percentage. In the event of discrepancy between an allocated interest and the result derived from application of the pertinent formula, the allocated interest prevails.

(6) (a) In a condominium, the common elements are not subject to partition, and any purported conveyance, encumbrance, judicial sale, or other voluntary or involuntary transfer of an undivided interest in the common elements made without the unit to which that interest is allocated is void.

(b) In a cooperative, any purported conveyance, encumbrance, judicial sale, or other voluntary or involuntary transfer of an ownership interest in the association made without the possessory interest in the unit to which that interest is related is void. [2018 c 277 s 208.]

RCW 64.90.240 Limited common elements. (1) (a) Except for the limited common elements described in RCW 64.90.210 (1)(b) and (3), the declaration must specify to which unit or units each limited common element is allocated.

(b) An allocation of a limited common element may not be altered without the consent of the owners of the units from which and to which the limited common element is allocated.

(2) (a) Except in the case of a reallocation being made by a declarant pursuant to a development right reserved in the declaration, a limited common element may be reallocated between units only with the approval of the board and by an amendment to the declaration executed by the unit owners between or among whose units the reallocation is made.

(b) The board must approve the request of the unit owner or owners under this subsection (2) within 30 days, or within such other period provided by the declaration, unless the proposed reallocation does not comply with this chapter or the declaration. The failure of the board to act upon a request within such period is deemed an approval of the request. If approved, the unit owners must provide the proposed amendment to the association for review and approval before execution. The association may require revisions to ensure correctness, clarity, and compliance with this chapter or the declaration. Unless otherwise agreed by the unit owners and association, all costs of preparing, revising, executing, and recording the amendment shall be borne by the affected unit owners.

(c) The unit owners executing the amendment shall provide a copy of the amendment to the association, and the association shall record the amendment in accordance with the requirements of subsection (4) of this section.

(3) (a) A common element not previously allocated as a limited common element may be so allocated only by an amendment to the declaration. A unit owner may request the board to amend the

declaration to allocate all or part of a common element as a limited common element for the exclusive use of the owner's unit. The board may prescribe in the amendment a condition or obligation, including an obligation to maintain the new limited common element or pay a fee or charge to the association.

(b) If the board approves the amendment, the board shall give notice to all unit owners of its action and include a statement that unit owners may object in a record to the amendment not later than 30 days after delivery of the notice. The amendment becomes effective if the board does not receive a timely objection.

(c) If the board receives a timely objection, the amendment becomes effective only if the unit owners of units to which at least 67 percent of the votes are allocated, including at least 67 percent of the votes that are allocated to units not owned by the declarant, vote under RCW 64.90.455 to approve the amendment.

(d) If the amendment becomes effective, the association and the owner of the benefited unit shall execute the amendment.

(4) The association shall record the amendment as provided in RCW 64.90.285. If the amendment changes information shown in a map concerning a common element or limited common element other than a common wall between units, the association shall prepare and record a revised map. RCW 64.90.245 Maps—Exception—Amendments—Requirements—

Recording. (1) A map is required for all common interest communities. For purposes of this chapter, a map must be construed as part of the declaration.

(2) With the exception of subsections (1), (3), (4), and (14) of this section, this section does not apply to a plat as defined in RCW 58.17.020.

(3) The map for a common interest community must be executed by the declarant and recorded concurrently with, and contain cross-references by recording number to, the declaration.

(4) An amendment to a map for a common interest community must be executed by the same party or parties authorized or required to execute an amendment to the declaration, contain cross-references by recording number to the declaration and any amendments to the declaration, and be recorded concurrently with an amendment to the declaration. With respect to a plat community, (a) any amendment to the map must be prepared and recorded in compliance with the requirements, processes, and procedures in chapter 58.17 RCW and of the local subdivision ordinances of the city, town, or county in which the plat community is located, and (b) any amendment to the declaration must conform to the map as so approved and recorded.

(5) A map for a cooperative may be prepared by a licensed land surveyor, and may be incorporated into the declaration to satisfy subsection (3) of this section and RCW 64.90.225(1)(d). If the map for a cooperative is not prepared by a licensed land surveyor, the map need not contain the certification required in subsection (6)(a) of this section.

(6) The map for a common interest community must be clear and legible and must contain:

(a) If the map is a survey, a certification by a licensed land surveyor in substantially the following form:

SURVEYOR CERTIFICATE: This map correctly represents a survey made by me or under my direction in conformance with the requirements of the Survey Recording Act at the request of (name of party requesting the survey) on (date). I hereby certify that this map for (name of common interest community) is based upon an actual survey of the property herein described; that the bearings and distances are correctly shown; that all information required by the Washington Uniform Common Interest Ownership Act is supplied herein; and that all horizontal and vertical boundaries of the units, (1) to the extent determined by the walls, floors, or ceilings thereof, or other physical monuments, are substantially completed in accordance with said map, or (2) to the extent such boundaries are not defined by physical monuments, such boundaries are shown on the map. (Surveyor's name, signature, license or certificate number, and acknowledgment)

(b) If the map is not a survey, a certification in substantially the following form:

DECLARANT CERTIFICATE: I hereby certify on behalf of (declarant) that this map for (name of common interest community) was made by me or under my direction in conformance with the requirements of RCW 64.90.245; that all information required by the Washington Uniform Common Interest Ownership Act is supplied herein; and that all horizontal and vertical boundaries of the units, (1) to the extent determined by the walls, floors, or ceilings thereof, or other physical monuments, are substantially completed in accordance with said map, or (2) to the extent such boundaries are not defined by physical monuments, such boundaries are shown on the map. (Declarant's name, signature, and acknowledgment)

(c) A declaration by the declarant in substantially the following form:

DECLARANT DECLARATION: The undersigned owner or owners of the interest in the real estate described herein hereby declare this map and dedicate the same for a common interest community named (name of common interest community), a (type of community), as that term is defined in the Washington Uniform Common Interest Ownership Act, solely to meet the requirements of the Washington Uniform Common Interest Ownership Act and not for any public purpose. This map and any portion thereof is restricted by law and the Declaration for (name of common interest community), recorded under (name of county in which the common interest community is located) County Recording No. (recording number). (Declarant's name, signature, and acknowledgment)

(7) Each map filed for a common interest community, and any amendments to the map, must be in the style, size, form, and quality as prescribed by the recording authority of the county where filed, and a copy must be delivered to the county assessor.

(8) Each map prepared for a common interest community in compliance with this chapter, and any amendments to the map, must show or state:

(a) The name of the common interest community and, immediately following the name of the community, a statement that the common interest community is a condominium, cooperative, or miscellaneous community as defined in this chapter. A local jurisdiction may also require that the name of a plat community on the survey, plat, or map

be followed by a statement that the common interest community is a plat community as defined in this chapter;

(b) A legal description of the land in the common interest community;

(c) As to a condominium, a survey of the land in the condominium, and as to a cooperative, a survey or a drawing of the land included in the entire cooperative that complies with the other requirements of this section;

(d) If the boundaries of land subject to the development right to withdraw are fixed in the declaration or an amendment to the declaration pursuant to RCW 64.90.225(1)(h)(i), and subject to the provisions of the declaration, an amendment to the map if not contained in the initial recorded map, the legal description and boundaries of that land, labeled "MAY BE WITHDRAWN FROM THE [COMMON INTEREST COMMUNITY];

(e) If the boundaries of land subject to the development right to add units that will result in the reallocation of allocated interests is fixed in the declaration or an amendment to the declaration pursuant to RCW 64.90.225(1)(h)(i), and subject to the provisions of the declaration, the legal description and boundaries of that land, labeled "SUBJECT TO DEVELOPMENT RIGHTS TO ADD UNITS THAT WILL RESULT IN A REALLOCATION OF ALLOCATED INTERESTS";

(f) The location and dimensions of all existing buildings containing or comprising units;

(g) The extent of any encroachments by or upon any portion of the common interest community;

(h) To the extent feasible, the location and dimensions of all recorded easements serving or burdening any portion of the common interest community and any unrecorded easements of which a surveyor or declarant knows or reasonably should have known;

(i) The location and dimensions of vertical unit boundaries;

(j) The location with reference to an established datum of horizontal unit boundaries, and that unit's identifying number. With respect to a cooperative, miscellaneous community, or condominium for which the horizontal boundaries are not defined by physical monuments, reference to an established datum is not required if the location of the horizontal boundaries of a unit is otherwise reasonably described or depicted;

(k) The legal description and the location and dimensions of any real estate in which the unit owners will own only an estate for years, labeled as "LEASEHOLD REAL ESTATE";

(l) The distance between any noncontiguous parcels of real estate comprising the common interest community;

(m) The general location of any existing principal common amenities listed in a public offering statement under RCW 64.90.610(1)(k);

(n) The general location of porches, decks, balconies, patios, storage facilities, moorage spaces, or parking spaces that are allocated as limited common elements, and any applicable identifying number or designation; and

(o) As to any survey, all other matters customarily shown on land surveys.

(9) The map for a common interest community may also show the anticipated approximate location and dimensions of any contemplated improvement to be constructed anywhere within the common interest community, and any contemplated improvement shown must be labeled either "MUST BE BUILT" or "NEED NOT BE BUILT."

(10) The map for a common interest community must identify any unit in which the declarant has reserved the right to create additional units or common elements under RCW 64.90.250(3).

(11) Unless the declaration provides otherwise, any horizontal boundary of part of a unit located outside a building has the same elevation as the horizontal boundary of the inside part and need not be depicted on the map.

(12) Upon exercising any development right, the declarant must record either new maps necessary to conform to the requirements of subsections (3), (4), (6), and (8) of this section, or new certifications of any map previously recorded if that map otherwise conforms to the requirements of subsections (3), (4), (6), and (8) of this section.

(13) Any survey and the surveyor certifications required under this section must be made by a licensed surveyor.

(14) As to a plat community, the information required under subsections (6)(a) and (c), (8)(d) through (g), (k), (m), and (n), (9), and (10) of this section is required, but may be shown on a map incorporated in or attached to the declaration, and need not be shown on the plat community map. Any such map is deemed a map for purposes of applying the provisions of this section, and the declarant must provide the certification required under subsection (6)(b) of this section.

(15) In showing or projecting the location and dimensions of the vertical boundaries of a unit located in a building, it is not necessary to show the thickness of the walls constituting the vertical boundaries or otherwise show the distance of those vertical boundaries either from the exterior surface of the building containing that unit or from adjacent vertical boundaries of other units if: (a) The walls are designated to be the vertical boundaries of that unit; (b) the unit is located within a building, the location and dimensions of the building having been shown on the map under subsection (8)(f) of this section; and (c) the graphic general location of the vertical boundaries are shown in relation to the exterior surfaces of that building and to the vertical boundaries of other units within that building. [2019 c 238 s 207; 2018 c 277 s 210.]

RCW 64.90.250 Development rights. (1) To exercise any development right reserved under RCW 64.90.225(1)(g), the declarant must prepare, execute, and record any amendments to the declaration and map in accordance with the requirements of RCW 64.90.245 and 64.90.285(3). The declarant is the unit owner of any units created. The amendment to the declaration must assign an identifying number to each new unit created and, except in the case of subdivision, combination, or conversion of units described in subsection (3) of this section, reallocate the allocated interests among all units. The amendment must describe any common elements and any limited common elements created and, in the case of limited common elements, designate the unit to which each is allocated to the extent required under RCW 64.90.240. The amendments are effective upon recording.

(2) Development rights may be reserved within any real estate added to the common interest community if the amendment to the declaration adding that real estate includes all matters required under RCW 64.90.225 and 64.90.230 and the amendment to the map includes all matters required under RCW 64.90.245. This subsection

does not extend the time limit on the exercise of development rights imposed by the declaration pursuant to RCW 64.90.225(1)(h).

(3) When a declarant exercises a development right to subdivide, combine, or convert a unit previously created into additional units or common elements, or both:

(a) If the declarant converts the unit entirely into common elements, the amendment to the declaration must reallocate all the allocated interests of that unit among the other units as if that unit had been taken by condemnation under RCW 64.90.030; or

(b) If the declarant subdivides the unit into two or more units, whether or not any part of the unit is converted into common elements, the amendment to the declaration must reallocate all the allocated interests of the unit among the units created by the subdivision in any reasonable manner prescribed by the declarant.

(4) If the declaration provides, pursuant to RCW 64.90.225(1)(h), that all or a portion of the real estate is subject to a right of withdrawal:

(a) If all the real estate is subject to withdrawal, and the declaration or map or amendment to the declaration or map does not describe separate portions of real estate subject to that right, none of the real estate may be withdrawn if a unit in that real estate has been conveyed to a purchaser; or

(b) If any portion of the real estate is subject to withdrawal as described in the declaration or map or amendment to the declaration or map, none of that portion of the real estate may be withdrawn if a unit in that portion has been conveyed to a purchaser.

(5) If the declarant combines two or more units into a lesser number of units, whether or not any part of a unit is converted into common elements or common elements are converted units, the amendment to the declaration must reallocate all of the allocated interests of the units being combined into the unit or units created by the combination in any reasonable manner prescribed by the declarant.

(6) A unit conveyed to a purchaser may not be withdrawn pursuant to subsection (4)(a) or (b) of this section without the consent of the unit owner of that unit and the holder of a security interest in the unit. [2023 c 337 s 6; 2018 c 277 s 211.]

RCW 64.90.255 Common elements and units—Alterations. Subject to the provisions of the governing documents and other provisions of law, a unit owner:

(1) May make any improvements or alterations to the unit owner's unit that do not impair the structural integrity or mechanical or electrical systems or lessen the support of any portion of the common interest community;

(2) May not change the appearance of the common elements without approval of the board;

(3) After acquiring an adjoining unit or an adjoining part of an adjoining unit, with approval of the board, may remove or alter any intervening partition or create apertures in the unit or adjoining unit, even if the partition in whole or in part is a common element. The removal of partitions or creation of apertures under this subsection is not an alteration of boundaries. The board must approve a unit owner's request, which must include the plans and specifications for the proposed removal or alteration, under this subsection (3) after receipt of all required information unless the

proposed alteration does not comply with this section or the governing documents; and

(4) May eliminate the title to a mobile home or manufactured home within the unit as permitted under chapter 65.20 RCW without the consent or joinder by the association, any other unit owner, or any party having a security interest in any other unit or the common elements. [2018 c 277 s 212.]

RCW 64.90.260 Unit boundaries—Relocation. (1) Subject to the provisions of the declaration, RCW 64.90.255, and other provisions of law, the boundaries between adjoining units may be relocated upon application to the board by the unit owners of those units and upon approval by the board pursuant to this section. The application must include plans showing the relocated boundaries and such other information as the board may require. If the unit owners of the adjoining units have specified a reallocation between their units of their allocated interests, the application must state the proposed reallocations. Unless the board determines, after receipt of all required information, that the reallocations are unreasonable or that the proposed boundary relocation does not comply with the declaration, RCW 64.90.255, or other provisions of law, the board must approve the application and prepare any amendments to the declaration and map in accordance with the requirements of subsection (3) of this section.

(2) (a) The boundary of a unit may be relocated only by an amendment to the declaration. A unit owner may request the board to amend the declaration to include all or part of a common element within the unit owner's unit. The board may prescribe in the amendment a fee or charge payable by the unit owner to the association in connection with the relocation.

(b) The board may approve the amendment only if the unit owners of units to which at least 67 percent of the votes are allocated, including at least 67 percent of the votes that are allocated to units not owned by the declarant, vote under RCW 64.90.455 to approve the amendment.

(3) The association and the owners of the units whose boundaries are relocated must execute an amendment under this section. The amendment must contain words of conveyance between the parties. The association shall record the amendment as provided in RCW 64.90.285. The association:

(a) In a condominium, plat community, or miscellaneous community shall prepare and record an amendment to the map necessary to show the altered boundaries of affected units and their dimensions and identifying numbers; and

(b) In a cooperative shall prepare and record amendments to the declaration, including any amendment to the map necessary to show or describe the altered boundaries of affected units, and their dimensions and identifying numbers.

(4) All costs, including reasonable attorneys' fees, incurred by the association for preparing and recording amendments to the declaration and map under this section must be assessed to the unit, the boundaries of which are being relocated. [2024 c 321 s 307; 2018 c 277 s 213.]

RCW 64.90.265 Subdivision and combination of units. (1) Unless prohibited in the declaration, subject to the provisions of the declaration, RCW 64.90.255, and other provisions of law, a unit may be subdivided into two or more units upon application to the association by the unit owner of the unit and upon approval by the board pursuant to this section. The application must include plans showing the relocated boundaries, a reallocation of all the allocated interests of the units among the units created by the subdivision, and such other information as the board may require. Unless the board determines, after receipt of all required information, that the reallocations are unreasonable or that the proposed boundary relocation does not comply with the declaration, RCW 64.90.240 and 64.90.255, or other provisions of law, the board must approve the application and prepare any amendments to the declaration and map in accordance with the requirements of subsection (4) of this section.

(2) Unless prohibited in the declaration, subject to the provisions of the declaration, RCW 64.90.255, and other provisions of law, two or more units may be combined into a lesser number of units upon application to the association by the owners of those units and upon approval by the board pursuant to this section. The application must include plans showing the relocated boundaries, a reallocation of all the allocated interests of the units being combined among the units resulting from the combination, and such other information as the board may require. Unless the board determines, after receipt of all required information, that the reallocations are unreasonable or that the proposed boundary relocation does not comply with the declaration, RCW 64.90.240 and 64.90.255, or other provisions of law, the board shall approve the application and prepare any amendments to the declaration and map in accordance with the requirements of subsection (4) of this section.

(3) The association may require payment to the association of a one-time fee or charge or continuing fees or charges payable by the owners of the units whose boundaries are being relocated to include common elements.

(4) The association must prepare, execute, and record any amendments to the declaration and, in a condominium, cooperative, or miscellaneous community, the map, prepared in accordance with the requirements of RCW 64.90.245 and 64.90.285(3), subdividing or combining those units. The amendment to the declaration must be executed by the association and unit owner or owners of the units from which the subdivided or combined unit or units are derived, assign an identifying number to each resulting unit, and reallocate the allocated interests formerly allocated to the unit from which a combination was derived to the new unit or, if two or more units are derived from such combination, among the new units in any reasonable manner prescribed by such owners in the amendment or on any other basis the declaration requires. The amendments are effective upon recording.

(5) All costs, including reasonable attorneys' fees, incurred by the association for preparing and recording amendments to the declaration and map under this section must be assessed to the unit, the boundaries of which are being relocated.

(6) This section does not apply to the declarant's exercise of any development right to subdivide or combine a unit previously created. [2018 c 277 s 214.]

RCW 64.90.270 Monuments as boundaries. (1) Except as provided in subsection (2) of this section, if the construction, reconstruction, or alteration of a building or the vertical or lateral movement of a building results in an encroachment due to a divergence between the existing physical boundaries of a unit and the boundaries described in the declaration under RCW 64.90.225(1)(d), the existing physical boundaries of the unit are its legal boundaries, rather than the boundaries described in the declaration.

(2) Subsection (1) of this section does not apply if the encroachment:

(a) Extends beyond five feet, as measured from any point on the common boundary along a line perpendicular to the boundary; or

(b) Results from willful misconduct of the unit owner that claims a benefit under subsection (1) of this section.

(3) This section does not relieve a declarant or other person of liability for failure to adhere to the map or a representation in the public offering statement. [2024 c 321 s 308; 2018 c 277 s 215.]

RCW 64.90.275 Sales purposes. (1) A declarant may maintain sales offices, management offices, and models in units or on common elements in the common interest community only if the declaration so provides. In a cooperative or condominium, any sales office, management office, or model not designated a unit by the declaration is a common element.

(2) When a declarant no longer owns a unit or has the right to create a unit in the common interest community, the declarant ceases to have any rights under this section unless the unit is removed promptly from the common interest community in accordance with a right to remove reserved in the declaration.

(3) Subject to any limitations in the declaration, a declarant may maintain signs in or on units owned by the declarant or the common elements advertising the common interest community.

(4) This section is subject to the provisions of other state law and local ordinances. [2018 c 277 s 216.]

RCW 64.90.280 Easement and use. (1) Subject to the declaration, a declarant has an easement through the common elements as may be reasonably necessary for the purpose of discharging the declarant's obligations or exercising special declarant rights, whether arising under this chapter or reserved in the declaration.

(2) Subject to RCW 64.90.405(2)(f) and 64.90.465, the unit owners have an easement in the common elements for access to their units.

(3) Subject to the declaration and rules, the unit owners have a right to use the common elements that are not limited common elements for the purposes for which the common elements were intended. [2018 c 277 s 217.]

RCW 64.90.285 Amendment of declaration. (1)(a) Except in cases of amendments that may be executed by: A declarant under subsection (9) of this section, RCW 64.90.240(2), 64.90.245(12), 64.90.250, or 64.90.415(2)(d); the association under RCW 64.90.030, 64.90.230(5), 64.90.260, 64.90.265, or 64.90.511 or subsection (10) of this section; or certain unit owners under RCW 64.90.240(2) or (3), 64.90.265(2), or 64.90.290(2), and except as limited by subsections (4), (6), (7),

and (11) of this section, the declaration may be amended only by vote or agreement of unit owners of units to which at least 67 percent of the votes in the association are allocated, unless the declaration specifies a different percentage not to exceed 90 percent for all amendments or for specific subjects of amendment. For purposes of this section, "amendment" means any change to the declaration, including adding, removing, or modifying restrictions contained in a declaration.

(b) If the declaration requires the approval of another person as a condition of its effectiveness, the amendment is not valid without that approval.

(2) In the absence of fraud, any action to challenge the validity of an amendment adopted by the association may not be brought more than one year after the amendment is recorded.

(3) Every amendment to the declaration must be recorded in every county in which any portion of the common interest community is located and is effective only upon recordation. An amendment must be indexed in the grantee's index in the name of the common interest community and the association and in the grantor's index in the name of the parties executing the amendment.

(4) Except to the extent expressly permitted or required under this chapter, an amendment may not create or increase special declarant rights, increase the number of units, change the boundaries of any unit, or change the allocated interests of a unit without the consent of unit owners to which at least 90 percent of the votes in the association are allocated, including the consent of any unit owner of a unit, the boundaries of which or allocated interest of which is changed by the amendment.

(5) Amendments to the declaration required to be executed by the association must be executed by any authorized officer of the association who must certify in the amendment that it was properly adopted.

(6) The time limits specified in the declaration pursuant to RCW 64.90.225(1)(g) within which reserved development rights must be exercised may be extended, and additional development rights may be created, if persons entitled to cast at least 80 percent of the votes in the association, including 80 percent of the votes allocated to units not owned by the declarant, agree to that action. The agreement is effective 30 days after an amendment to the declaration reflecting the terms of the agreement is recorded unless all the persons holding the affected special declarant rights, or security interests in those rights, record a written objection within the 30-day period, in which case the amendment is void, or consent in writing at the time the amendment is recorded, in which case the amendment is effective when recorded.

(7) A provision in the declaration creating special declarant rights that have not expired may not be amended without the consent of the declarant.

(8) If any provision of this chapter or the declaration requires the consent of a holder of a security interest in a unit as a condition to the effectiveness of an amendment to the declaration, the consent is deemed granted if a refusal to consent in a record is not received by the association within 60 days after the association delivers notice of the proposed amendment to the holder at an address for notice provided by the holder or mails the notice to the holder by certified mail, return receipt requested, at that address. If the holder has not provided an address for notice to the association, the

association must provide notice to the address in the security interest of record.

(9) Upon 30-day advance notice to unit owners, the declarant may, without a vote of the unit owners or approval by the board, unilaterally adopt, execute, and record a corrective amendment or supplement to the governing documents to correct a mathematical mistake, an inconsistency, or a scrivener's error, or clarify an ambiguity in the governing documents with respect to an objectively verifiable fact including, without limitation, recalculating the undivided interest in the common elements, the liability for common expenses, or the number of votes in the unit owners association appertaining to a unit, within five years after the recordation or adoption of the governing document containing or creating the mistake, inconsistency, error, or ambiguity. Any such amendment or supplement may not materially reduce what the obligations of the declarant would have been if the mistake, inconsistency, error, or ambiguity had not occurred.

(10) Upon 30-day advance notice to unit owners, the association may, upon a vote of two-thirds of the members of the board, without a vote of the unit owners, adopt, execute, and record an amendment to the declaration for the following purposes:

(a) To correct or supplement the governing documents as provided in subsection (9) of this section;

(b) To remove language and otherwise amend as necessary to effect the removal of language that purports to impose limitations on the power of the association beyond the limit authorized in RCW 64.90.405(3)(a) to deal with the declarant that are more restrictive than the limitations imposed on the power of the association to deal with other persons; and

(c) To remove any other language and otherwise amend as necessary to effect the removal of language purporting to limit the rights of the association or its unit owners in direct conflict with this chapter.

(11) If the declaration requires that amendments to the declaration may be adopted only if the amendment is signed by a specified number or percentage of unit owners and if the common interest community contains more than 20 units, such requirement is deemed satisfied if the association obtains such signatures or the vote or agreement of unit owners holding such number or percentage.

(12)(a) If the declaration requires that amendments to the declaration may be adopted only by the vote or agreement of unit owners of units to which more than 67 percent of the votes in the association are allocated, and the percentage required is otherwise consistent with this chapter, the amendment is approved if:

(i) The approval of the percentage specified in the declaration is obtained;

(ii)(A) Unit owners of units to which at least 67 percent of the votes in the association are allocated vote for or agree to the proposed amendment;

(B) A unit owner does not vote against the proposed amendment; and

(C) Notice of the proposed amendment, including notice that the failure of a unit owner to object may result in the adoption of the amendment, is delivered to the unit owners holding the votes in the association that have not voted or agreed to the proposed amendment and no written objection to the proposed amendment is received by the association within 60 days after the association delivers notice; or

(iii) (A) Unit owners of units to which at least 67 percent of the votes in the association are allocated vote for or agree to the proposed amendment;

(B) At least one unit owner objects to the proposed amendment;
and

(C) Pursuant to an action brought by the association in the county in which the common interest community is situated against all objecting unit owners, the court finds, under the totality of circumstances including, but not limited to, the subject matter of the amendment, the purpose of the amendment, the percentage voting to approve the amendment, and the percentage objecting to the amendment, that the amendment is reasonable.

(b) If the declaration requires the affirmative vote or approval of any particular unit owner or class of unit owners as a condition of its effectiveness, the amendment is not valid without that vote or approval. [2024 c 321 s 309; 2019 c 238 s 208; 2018 c 277 s 218.]

RCW 64.90.290 Termination. (1) Except for a taking of all the units by condemnation, foreclosure against an entire cooperative of a security interest that has priority over the declaration, or in the circumstances described in RCW 64.90.325, a common interest community may be terminated only by agreement of unit owners of units to which at least 80 percent of the votes in the association are allocated, including at least 80 percent of the votes allocated to units not owned by the declarant, and with any other approvals required by the declaration. The declaration may require a larger percentage of total votes in the association for approval, but termination requires approval by at least 80 percent of the votes allocated to units not owned by the declarant. The declaration may specify smaller percentages only if all of the units are restricted exclusively to nonresidential uses.

(2) An agreement to terminate must be evidenced by the execution of a termination agreement, or ratifications of the agreement, in the same manner as a deed, by the requisite number of unit owners. The termination agreement must specify a date after which the agreement is void unless it is recorded before that date. A termination agreement and all ratifications of the agreement must be recorded in every county in which a portion of the common interest community is situated and is effective only upon recordation. An agreement to terminate may only be amended by complying with the requirements of this subsection and subsection (1) of this section.

(3) A termination agreement may provide for the sale of some or all of the common elements and units of the common interest community following termination. If, pursuant to the agreement, any real estate in the common interest community is to be sold following termination, the termination agreement must set forth the minimum purchase price, manner of payment, and outside closing date, and may include any other terms of the sale.

(4) (a) The association, on behalf of the unit owners, may contract for the sale of real estate in a common interest community, but the contract is not binding on the unit owners until approved pursuant to subsections (1) and (2) of this section. If any real estate is to be sold following termination, title to that real estate not already owned by the association vests on termination in the association as trustee for the holders of all interests in the units. Thereafter, the association has all powers necessary and appropriate

to effect the sale. Until the sale has been concluded and the proceeds of the sale distributed, the association continues in existence with all powers it had before termination.

(b) Proceeds of the sale must be distributed to unit owners and lienholders as their interests may appear, in accordance with subsections (7), (8), (9), and (13) of this section. Unless otherwise specified in the termination agreement, as long as the association holds title to the real estate, each unit owner and the unit owner's successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted the unit. During the period of that occupancy, each unit owner and the unit owner's successors in interest remain liable for all assessments and other obligations imposed on unit owners under this chapter or the declaration.

(5) Termination does not change title to a unit or common element not to be sold following termination unless the termination agreement otherwise provides.

(6) Following termination of the common interest community, the proceeds of a sale of real estate, together with the assets of the association, are held by the association as trustee for unit owners and holders of liens on the units as their interests may appear.

(7) (a) Following termination of a condominium, plat community, or miscellaneous community, creditors of the association holding liens on the units that were recorded or perfected under RCW 4.64.020 before termination may enforce those liens in the same manner as any lienholder.

(b) All other creditors of the association are to be treated as if they had perfected liens on the units immediately before termination.

(8) In a cooperative, the declaration may provide that all creditors of the association have priority over any interests of unit owners and creditors of unit owners. In that event, following termination, creditors of the association holding liens on the cooperative that were recorded or perfected under RCW 4.64.020 before termination may enforce their liens in the same manner as any lienholder, and any other creditor of the association is to be treated as if the creditor had perfected a lien against the cooperative immediately before termination. Unless the declaration provides that all creditors of the association have that priority:

(a) The lien of each creditor of the association that was perfected against the association before termination becomes, upon termination, a lien against each unit owner's interest in the unit as of the date the lien was perfected;

(b) Any other creditor of the association must be treated, upon termination, as if the creditor had perfected a lien against each unit owner's interest immediately before termination;

(c) The amount of the lien of an association's creditor described in (a) and (b) of this subsection against each of the unit owners' interest must be proportionate to the ratio that each unit's common expense liability bears to the common expense liability of all of the units;

(d) The lien of each creditor of each unit owner that was perfected before termination continues as a lien against that unit owner's unit as of the date the lien was perfected;

(e) The assets of the association must be distributed to all unit owners and all lienholders as their interests may appear in the order described in this subsection; and

(f) Creditors of the association are not entitled to payment from any unit owner in excess of the amount of the creditor's lien against that unit owner's interest.

(9) The respective interests of unit owners referred to in subsections (4), (5), (6), (7), (8), and (13) of this section are as follows:

(a) Except as otherwise provided in (d) of this subsection, the respective interests of unit owners are the fair market values of their units, allocated interests, and any limited common elements immediately before the termination, as determined by appraisal made by one or more independent appraisers selected by the association. The appraisal must be distributed to the unit owners and becomes final unless:

(i) Disapproved not later than 30 days after distribution by unit owners of units to which at least 25 percent of the votes in the association are allocated; or

(ii) A unit owner objects in a record not later than 30 days after distribution to the determination of value of the unit owner's unit.

(b) A unit owner that objects under (a)(ii) of this subsection may select an appraiser to represent the owner and make an appraisal of the unit owner's unit. If the association's appraisal and the unit owner's appraisal of the fair market value of the unit owner's interest differ, a panel consisting of an appraiser selected by the association, the unit owner's appraiser, and a third appraiser mutually selected by the first two appraisers shall determine, by majority vote, the value of the unit owner's interest. The determination of value by the panel is final.

(c) The proportion of any unit owner's interest to that of all unit owners is determined by dividing the fair market value of that unit owner's unit and its allocated interests by the total fair market values of all the units and their allocated interests.

(d) If any unit or any limited common element is destroyed to the extent that an appraisal of the fair market value of the unit or limited common element before destruction cannot be made, the interests of all unit owners are:

(i) In a condominium, their respective common element interests immediately before the termination;

(ii) In a cooperative, their respective ownership interests immediately before the termination; and

(iii) In a plat community or miscellaneous community, their respective common expense liabilities immediately before the termination.

(10) In a condominium, plat community, or miscellaneous community, except as otherwise provided in subsection (11) of this section, foreclosure or enforcement of a lien or encumbrance against the entire common interest community does not terminate the common interest community, and foreclosure or enforcement of a lien or encumbrance against a portion of the common interest community, other than withdrawable real estate, does not withdraw that portion from the common interest community. Foreclosure or enforcement of a lien or encumbrance against withdrawable real estate, or against common elements that have been subjected to a security interest by the association under RCW 64.90.465, does not withdraw that real estate from the common interest community, but the person taking title to the real estate may require from the association, upon request, an

amendment excluding the real estate from the common interest community.

(11) In a condominium, plat community, or miscellaneous community, if a lien or encumbrance against a portion of the real estate comprising the common interest community has priority over the declaration and the lien or encumbrance has not been partially released, the parties foreclosing the lien or encumbrance, upon foreclosure, may record an instrument excluding the real estate subject to that lien or encumbrance from the common interest community.

(12) The right of partition under chapter 7.52 RCW is suspended if an agreement to sell property is provided for in the termination agreement pursuant to subsection (3) of this section. The suspension of the right to partition continues unless a binding obligation to sell does not exist three months after the recording of the termination agreement, the binding sale agreement is terminated, or one year after the termination agreement is recorded, whichever occurs first.

(13) A termination agreement complying with this section may provide for termination of fewer than all of the units in a common interest community, subject to the following:

(a) In addition to the approval required by subsection (1) of this section, the termination agreement must be approved by at least 80 percent of the votes allocated to the units being terminated;

(b) The termination agreement must reallocate under RCW 64.90.235 the allocated interests for the units that remain in the common interest community after termination;

(c) The aggregate values of the units and common elements being terminated must be determined under subsection (9) of this section. The termination agreement must specify the allocation of the proceeds of sale for the units and common elements being terminated and sold;

(d) Security interests and liens on remaining units and remaining common elements continue, and security interests and liens on units being terminated no longer extend to any remaining common elements;

(e) The unit owners association continues as the association for the remaining units; and

(f) The association shall record with the termination agreement under subsection (2) of this section an amendment to the declaration or an amended and restated declaration, and, if necessary, an amendment to the map or an amended and restated map. [2024 c 321 s 310; 2018 c 277 s 219.]

RCW 64.90.295 Rights of secured lenders. (1) The declaration may require that all or a specified number or percentage of the lenders who hold security interests encumbering the units or who have extended credit to the association approve specified actions of the unit owners or the association as a condition to the effectiveness of those actions, but no requirement for approval may operate to:

(a) Deny or delegate control over the general administrative affairs of the association by the unit owners or the board;

(b) Prevent the association or the board from commencing, intervening in, or settling any litigation or proceeding; or

(c) Prevent any insurance trustee or the association from receiving and distributing any insurance proceeds except pursuant to RCW 64.90.470.

(2) With respect to any action requiring the consent of a specified number or percentage of mortgagees, the consent of only eligible mortgagees holding a first lien security interest need be obtained and the percentage must be based upon the votes attributable to units with respect to which eligible mortgagees have an interest.

(3) A lender who has extended credit to an association secured by an assignment of income or an encumbrance on the common elements may enforce its security agreement in accordance with its terms, subject to the requirements of this chapter and other law. A requirement that the association must deposit its periodic common charges before default with the lender to which the association's income has been assigned, or increase its common charges at the lender's direction by amounts reasonably necessary to amortize the loan in accordance with its terms, does not violate the prohibitions on lender approval contained in subsection (1) of this section. [2018 c 277 s 220.]

RCW 64.90.300 Master association. (1) A declaration may:

(a) Delegate a power under RCW 64.90.405(1) from the unit owners association to a master association;

(b) Provide for exercise of the powers under RCW 64.90.405(1) by a master association that also serves as the unit owners association for the common interest community; and

(c) Reserve a special declarant right to make the common interest community subject to a master association.

(2) All provisions of this chapter applicable to unit owners associations apply to the master association, except as modified by this section.

(3) A unit owners association may delegate a power under RCW 64.90.405(1) to a master association without amending the declaration. The board of the unit owners association shall give notice to the unit owners of a proposed delegation and include a statement that unit owners may object in a record to the delegation not later than 30 days after delivery of the notice. The delegation becomes effective if the board does not receive a timely objection from unit owners of units to which at least 10 percent of the votes in the association are allocated. If the board receives a timely objection by at least 10 percent of the votes, the delegation becomes effective only if the unit owners vote under RCW 64.90.455 to approve the delegation by a majority vote. The delegation is not effective until the master association accepts the delegation.

(4) A delegation under subsection (1)(a) of this section may be revoked only by an amendment to the declaration.

(5) At a meeting of the unit owners which lists in the notice of the meeting the subject of delegation of powers from the board to a master association, the unit owners may revoke the delegation by a majority of the votes cast at the meeting. The effect of revocation on the rights and obligations of parties under a contract between a unit owners association and a master association is determined by law of this state other than this chapter.

(6) Unless it is acting in the capacity of a unit owners association, a master association may exercise the powers set forth in RCW 64.90.405(1)(b) only to the extent expressly permitted in the declarations of common interest communities that are part of the master association or expressly described in the delegations of power from those common interest communities to the master association.

(7) After a unit owners association delegates a power to a master association, the unit owners association, its board members, and its officers are not liable for an act or omission of the master association with respect to the delegated power.

(8) The rights and responsibilities of unit owners with respect to the unit owners association set forth in RCW 64.90.410, 64.90.445, 64.90.450, 64.90.455, 64.90.465, and 64.90.505 apply in the conduct of the affairs of a master association only to persons who elect the board of a master association, whether or not those persons are otherwise unit owners within the meaning of this chapter.

(9) Not later than 90 days after termination of a period of declarant control of the master association, the board of the master association must be elected in one of the following ways:

(a) The unit owners of all common interest communities subject to the master association may elect all members of the master association's board; or

(b) The unit owners in, or the board of, each common interest community subject to the master association elect one or more members of the master association's board if the instruments governing the master association apportion the seats on the board to each common interest community in a manner roughly proportional to the number of units in each common interest community.

(10) A period of declarant control of the master association under subsection (9) of this section terminates not later than the earlier of:

(a) The termination under RCW 64.90.415 of all periods of declarant control of all common interest communities subject to the master association under RCW 64.90.415; or

(b) 60 days after conveyance to unit owners other than a declarant of 75 percent of the units that may be created in all common interest communities subject to the master association. [2024 c 321 s 203; 2018 c 277 s 221.]

RCW 64.90.305 Delegation of power to subassociations. (1)(a) If the declaration provides that any of the powers described in RCW 64.90.405 are to be exercised by or may be delegated to a for-profit corporation or limited liability company that exercises those or other powers on behalf of unit owners owning less than all of the units in a common interest community, and if those unit owners share the exclusive use of one or more limited common elements within the common interest community or share some property or other interest in the common interest community in common that is not shared by the remainder of the unit owners in the common interest community, all provisions of this chapter applicable to unit owners associations apply to any such corporation or limited liability company, except as modified under this section.

(b) The delegation of powers to a subassociation must not be used to discriminate in favor of units owned by the declarant or an affiliate of the declarant.

(2) A subassociation may exercise the powers set forth in RCW 64.90.405 only to the extent expressly permitted by the declaration of the common interest community of which the units in the subassociation are a part of or expressly described in the delegations of power from that common interest community to the subassociation.

(3) If the declaration of any common interest community contains a delegation of certain powers to a subassociation, or provides that

the board of the common interest community may make such a delegation, the board members are not liable for the acts or omissions of the subassociation with respect to those powers so exercised by the subassociation following delegation.

(4) The rights and responsibilities of unit owners with respect to the unit owners association set forth in RCW 64.90.400 through 64.90.500 apply to the conduct of the affairs of a subassociation.

(5) Notwithstanding RCW 64.90.415(4), the board of the subassociation must be elected after any period of declarant control by the unit owners of all of the units in the common interest community subject to the subassociation.

(6) The declaration of the common interest community creating the subassociation may provide that the authority of the board of the subassociation is exclusive with regard to the powers and responsibilities delegated to it. In the alternative, the declaration may provide as to some or all such powers that the authority of the board of a subassociation is concurrent with and subject to the authority of the board of the unit owners association, in which case the declaration must also contain standards and procedures for the review of the decisions of the board of the subassociation and procedures for resolving any dispute between the board of the unit owners association and the board of the subassociation. [2018 c 277 s 222.]

RCW 64.90.310 Merger or consolidation. (1) Any two or more common interest communities may be merged or consolidated under subsection (2) of this section into a single common interest community by agreement of the unit owners or exercise of a special declarant right. In the event of a merger or consolidation, unless the agreement otherwise provides, the resultant common interest community is the legal successor, for all purposes, of all of the preexisting common interest communities, and the operations and activities of all associations of the preexisting common interest communities are merged or consolidated into a single association that holds all powers, rights, obligations, assets, and liabilities of all preexisting associations.

(2) An agreement of two or more common interest communities to merge or consolidate pursuant to subsection (1) of this section must be evidenced by an agreement prepared, executed, recorded, and certified by the president of the association of each of the preexisting common interest communities following approval by unit owners of units to which are allocated the percentage of votes in each common interest community required to terminate that common interest community. If a special declarant right is exercised in a common interest community, approval by the unit owners is not required and the declarant may execute the agreement on behalf of the common interest community. The agreement must be recorded in every county in which a portion of the common interest community is located and is not effective until recorded.

(3) Every merger or consolidation agreement, and every amendment providing for a merger or consolidation made by a declarant when exercising a special declarant right, must identify the declaration that will apply to the resultant common interest community and provide for the reallocation of allocated interests among the units of the resultant common interest community either (a) by stating the reallocations or the formulas upon which they are based or (b) by

stating the percentage of overall allocated interests of the resultant common interest community that are allocated to all of the units comprising each of the preexisting common interest communities, and providing that the portion of the percentages allocated to each unit formerly comprising a part of the preexisting common interest community is equal to the percentages of allocated interests allocated to that unit by the declaration of the preexisting common interest community. [2024 c 321 s 204; 2018 c 277 s 223.]

RCW 64.90.315 Addition of unspecified real estate. In a plat community or miscellaneous community, if the right is originally reserved in the declaration, the declarant, in addition to any other development right, may amend the declaration at any time during as many years as are specified in the declaration for adding additional real estate to the plat community or miscellaneous community without describing the location of that real estate in the original declaration. The amount of real estate added to the plat community or miscellaneous community pursuant to this section may not exceed ten percent of the real estate described in RCW 64.90.225(1)(b) together with any real estate that is described in the declaration for addition to the plat community or miscellaneous community, and the declarant may not increase the number of units in the plat community or miscellaneous community beyond the number stated in the original declaration pursuant to RCW 64.90.225(1)(c). [2018 c 277 s 224.]

RCW 64.90.320 Large scale communities. (1) The declaration for a common interest community may state that it is a large scale community if the declarant has reserved the development right to create at least five hundred units that may be used for residential purposes and, at the time of the reservation, that declarant owns or controls more than five hundred acres on which the units may be built.

(2) If the requirements of subsection (1) of this section are satisfied, the declaration for the large scale community need not state a maximum number of units and need not contain any of the information required under RCW 64.90.225(1)(c) through (n) until the declaration is amended under subsection (3) of this section.

(3) When each unit in a large scale community is conveyed to a purchaser, the declaration must contain:

(a) A sufficient legal description of the unit and all portions of the large scale community in which any other units have been conveyed to a purchaser; and

(b) All the information required under RCW 64.90.225(1)(c) through (n) with respect to that real estate.

(4) The only real estate in a large scale community subject to this chapter are units that have been made subject to the declaration or that are being offered for sale and any other real estate described pursuant to subsection (3) of this section. Other real estate that is or may become part of the large scale community is only subject to other law and to any other restrictions and limitations that appear of record.

(5) If the public offering statement conspicuously identifies the fact that the community is a large scale community, the disclosure requirements contained in RCW 64.90.600 through 64.90.695 apply only to units that have been made subject to the declaration or are being offered for sale in connection with the public offering statement and

to any other real estate described pursuant to subsection (3) of this section.

(6) Limitations in this chapter on the addition of unspecified real estate do not apply to a large scale community.

(7) The period of declarant control of the association for a large scale community terminates in accordance with any conditions specified in the declaration or otherwise at the time the declarant, in a recorded instrument and after giving notice in a record to the board of the association, voluntarily surrenders all rights to control the activities of the association. [2018 c 277 s 225.]

RCW 64.90.325 Judicial termination. (1) If substantially all the units in a common interest community have been destroyed or abandoned or are uninhabitable and the available methods for giving notice under RCW 64.90.515 of a meeting of unit owners to consider termination under RCW 64.90.290 will not likely result in receipt of the notice, the board or any other interested person may commence an action seeking to terminate the common interest community in the superior court for any county in which a portion of the common interest community is located. If any portion of the common interest community is located in a county other than the county in which the action is commenced, the person commencing the action must record a copy of the judgment in the other county.

(2) During the pendency of the action, the court may issue whatever orders it considers appropriate, including appointment of a receiver. After a hearing, the court may terminate the common interest community or reduce its size and may issue any other order the court considers to be in the best interest of the unit owners and persons holding an interest in the common interest community. [2018 c 277 s 226.]

RCW 64.90.340 New interests minimum density. Declarations and governing documents of a common interest community within cities subject to the middle housing requirements in RCW 36.70A.635 that are created after July 23, 2023, may not actively or effectively prohibit the construction, development, or use of additional housing units as required in RCW 36.70A.635. [2023 c 332 s 13.]

Finding—2023 c 332: See note following RCW 36.70A.635.

RCW 64.90.350 New common interest communities—Accessory dwelling units. (1) Except declarations and governing documents of common interest communities created to protect public health and safety, and ground and surface waters from on-site wastewater, declarations and governing documents of common interest communities created after July 23, 2023, and applicable to a property located within an urban growth area may not impose any restriction or prohibition on the construction, development, or use on a lot of an accessory dwelling unit that the city or county in which the urban growth area is located would be prohibited from imposing under RCW 36.70A.681.

(2) For the purposes of this section, "urban growth area" has the same meaning as in RCW 36.70A.030.

(3) A city or county issuing a permit for the construction of an accessory dwelling unit may not be held civilly liable on the basis that the construction of the accessory dwelling unit would violate a restrictive covenant or deed restriction. [2023 c 334 s 12.]

Findings—Intent—2023 c 334: See note following RCW 36.70A.680.

RCW 64.90.360 Common interest communities. (1) Except as provided otherwise in this section, RCW 64.90.365 and 64.90.375, this chapter applies to all common interest communities.

(2) Before January 1, 2028, this chapter applies only to:

(a) A common interest community created on or after July 1, 2018; and

(b) A common interest community created before July 1, 2018, that amends its declaration to elect to be subject to this chapter.

(3) *Chapters 58.19, 64.32, 64.34, and 64.38 RCW:

(a) Do not apply to common interest communities subject to this chapter; and

(b) Apply to a common interest community created before July 1, 2018, only until the community becomes subject to this chapter.

(4) (a) Unless the declaration provides that this entire chapter is applicable, a plat community or miscellaneous community that is not subject to any development right is subject only to RCW 64.90.020, 64.90.025, and 64.90.030, if the community: (i) Contains no more than 12 units; and (ii) provides in its declaration that the annual average assessment of all units restricted to residential purposes, exclusive of optional user fees and any insurance premiums paid by the association, may not exceed \$300, as adjusted pursuant to RCW 64.90.065.

(b) The exemption provided in this subsection applies only if:

(i) The declarant reasonably believes in good faith that the maximum stated assessment will be sufficient to pay the expenses of the association for the community; and

(ii) The declaration provides that the assessment may not be increased above the limitation in (a)(ii) of this subsection prior to the transition meeting without the consent of unit owners, other than the declarant, holding 90 percent of the votes in the association.

(5) Before January 1, 2028, except as otherwise provided in **RCW 64.90.080, this chapter does not apply to any common interest community created within this state on or after July 1, 2018, if:

(a) That common interest community is made part of a common interest community created in this state prior to July 1, 2018, pursuant to a right expressly set forth in the declaration of the preexisting common interest community; and

(b) The declaration creating that common interest community expressly subjects that common interest community to the declaration of the preexisting common interest community pursuant to such right described in (a) of this subsection. [2024 c 321 s 506; 2019 c 238 s 203; 2018 c 277 s 116. Formerly RCW 64.90.075.]

Reviser's note: *(1) Chapters 58.19, 64.32, 64.34, and 64.38 RCW were repealed by 2024 c 321, effective January 1, 2028.

** (2) RCW 64.90.080 was recodified as RCW 64.90.365 pursuant to 2024 c 321 s 510.

RCW 64.90.365 Common interest communities—Exceptions. (1)

Except for a plat community or miscellaneous community described in RCW 64.90.360(4) and a nonresidential or mixed-use common interest community described in RCW 64.90.100, the following sections apply to a common interest community created before July 1, 2018, and any inconsistent provisions of *chapter 58.19, 64.32, 64.34, or 64.38 RCW do not apply:

- (a) RCW 64.90.370;
- (b) RCW 64.90.405(1) (b) and (c);
- (c) RCW 64.90.525;
- (d) RCW 64.90.545; and
- (e) RCW 64.90.010, to the extent necessary to construe this subsection.

(2) Except to the extent provided in this subsection, the sections listed in subsection (1) of this section apply only to events and circumstances occurring on or after July 1, 2018, and do not invalidate existing provisions of the governing documents of those common interest communities existing on July 1, 2018. To protect the public interest, RCW **64.90.095 and 64.90.525 supersede existing provisions of the governing documents of all plat communities and miscellaneous communities previously subject to *chapter 64.38 RCW.

(3) This section does not apply to a common interest community that becomes subject to this chapter under RCW 64.90.360(1) or by election under RCW 64.90.360(4), 64.90.370(1)(b), or 64.90.100. [2024 c 321 s 508; 2019 c 238 s 204; 2018 c 277 s 117. Formerly RCW 64.90.080.]

Reviser's note: *(1) Chapters 58.19, 64.32, 64.34, and 64.38 RCW were repealed by 2024 c 321, effective January 1, 2028.

** (2) RCW 64.90.095 was recodified as RCW 64.90.370 pursuant to 2024 c 321 s 510.

RCW 64.90.370 Election of preexisting common interest communities, plat communities, miscellaneous communities. (1) The declaration of any common interest community created before July 1, 2018, or of a plat community or miscellaneous community described in RCW 64.90.360(4) may be amended to:

- (a) Provide that all the sections listed in RCW 64.90.365(1) apply to the common interest community; or
- (b) Provide that this chapter will apply to the common interest community, regardless of what applicable law provided before chapter 277, Laws of 2018 was adopted.

(2) Except as provided otherwise in subsection (3) of this section or in RCW 64.90.285 (8), (9), or (10), an amendment under this section to the governing documents of a common interest community created before July 1, 2018, must be adopted in conformity with any procedures and requirements for amending the instruments specified by those instruments and in conformity with the amendment procedures of this chapter. If the governing documents do not contain provisions authorizing amendment, the amendment procedures of this chapter apply. If an amendment grants to a person a right, power, or privilege permitted under this chapter, any correlative obligation, liability, or restriction in this chapter also applies to the person.

(3) Notwithstanding any provision in the governing documents of a common interest community that govern the procedures and requirements

for amending the governing documents, an amendment under subsection (1) of this section may be made as follows:

(a) The board shall propose such amendment to the owners if the board deems it appropriate or if owners holding 20 percent or more of the votes in the association request such an amendment in writing to the board;

(b) Upon satisfaction of the foregoing requirements, the board shall prepare a proposed amendment and shall provide the owners with a notice in a record containing the proposed amendment and at least 30 days' advance notice of a meeting to discuss the proposed amendment;

(c) Following such meeting, the board shall provide the owners with a notice in a record containing the proposed amendment and a ballot to approve or reject the amendment;

(d) The amendment shall be deemed approved if owners holding at least 30 percent of the votes in the association participate in the voting process, and at least 67 percent of the votes cast by participating owners are in favor of the proposed amendment. [2024 c 321 s 509; 2018 c 277 s 120. Formerly RCW 64.90.095.]

RCW 64.90.375 Governing documents—Inconsistency. (1) Except as provided in subsection (2) of this section, if a common interest community created before July 1, 2018, becomes subject to this chapter on January 1, 2028, or earlier, a provision of its governing documents inconsistent with this chapter is invalid unless:

(a) The provision is expressly permitted under RCW 64.90.509; or

(b) The common interest community is a plat community or miscellaneous community described in RCW 64.90.360(4), or a nonresidential or mixed-use common interest community described in RCW 64.90.100.

(2) This chapter does not require a common interest community validly created before July 1, 2018, to:

(a) Comply with the requirements of this chapter for creation of a common interest community; or

(b) Prepare or amend the map.

(3) This chapter does not invalidate an action validly taken or transaction validly entered into before a common interest community becomes subject to this chapter. [2024 c 321 s 507.]

Notwithstanding the foregoing, a reallocation shall not be required in regard to the installation of an electric vehicle charging station on the common elements;

(r) Establish and administer a reserve account as described in RCW 64.90.535;

(s) Prepare a reserve study as described in RCW 64.90.545;

(t) Exercise any other powers conferred by the declaration or organizational documents;

(u) Exercise all other powers that may be exercised in this state by the same type of entity as the association;

(v) Exercise any other powers necessary and proper for the governance and operation of the association;

(w) Require that disputes between the association and unit owners or between two or more unit owners regarding the common interest community, other than those governed by chapter 64.50 RCW, be submitted to nonbinding alternative dispute resolution as a prerequisite to commencement of a judicial proceeding; and

(x) Suspend any right or privilege of a unit owner who fails to pay an assessment which suspension may be imposed for a reasonable amount of time not to exceed one business day after the association receives full payment of the delinquent assessment and the board has received confirmation of payment and cleared funds, but may not:

(i) Deny a unit owner or other occupant access to the owner's unit, or any limited common elements allocated only to that unit, or any common elements necessary to access the unit;

(ii) Suspend a unit owner's right to vote; or

(iii) Withhold services provided to a unit or a unit owner by the association if the effect of withholding the service would be to endanger the health, safety, or property of any person.

(3) The declaration may not limit the power of the association beyond the limit authorized in subsection (2)(w) of this section to:

(a) Deal with the declarant if the limit is more restrictive than the limit imposed on the power of the association to deal with other persons; or

(b) Institute litigation or an arbitration, mediation, or administrative proceeding against any person, subject to the following:

(i) The association must comply with chapter 64.50 RCW, if applicable, before instituting any proceeding described in chapter 64.50 RCW in connection with construction defects; and

(ii) The board must promptly provide notice to the unit owners of any legal proceeding in which the association is a party other than proceedings involving enforcement of rules or to recover unpaid assessments or other sums due the association.

(4) Any borrowing by an association that is to be secured by an assignment of the association's right to receive future income pursuant to subsection (2)(e) and (p) of this section requires ratification by the unit owners as provided in this subsection.

(a) The board must provide notice of the intent to borrow to all unit owners. The notice must include the purpose and maximum amount of the loan, the estimated amount and term of any assessments required to repay the loan, a reasonably detailed projection of how the money will be expended, and the interest rate and term of the loan.

(b) In the notice, the board must set a date for a meeting of the unit owners, which must not be less than 14 and no more than 50 days after mailing of the notice, to consider ratification of the borrowing.

(c) Unless at that meeting, whether or not a quorum is present, unit owners holding a majority of the votes in the association or any larger percentage specified in the declaration reject the proposal to borrow funds, the association may proceed to borrow the funds in substantial accordance with the terms contained in the notice.

(5) If a tenant of a unit owner violates the governing documents, in addition to exercising any of its powers against the unit owner, the association may:

(a) Exercise directly against the tenant the powers described in subsection (2)(1) of this section;

(b) After giving notice to the tenant and the unit owner and an opportunity to be heard, levy reasonable fines against the tenant and unit owner for the violation; and

(c) Enforce any other rights against the tenant for the violation that the unit owner as the landlord could lawfully have exercised under the lease or that the association could lawfully have exercised directly against the unit owner, or both; but the association does not have the right to terminate a lease or evict a tenant unless permitted by the declaration. The rights referred to in this subsection (5)(c) may be exercised only if the tenant or unit owner fails to cure the violation within 10 days after the association notifies the tenant and unit owner of that violation.

(6) Unless a lease otherwise provides, this section does not:

(a) Affect rights that the unit owner has to enforce the lease or that the association has under other law; or

(b) Permit the association to enforce a lease to which it is not a party in the absence of a violation of the governing documents.

(7) The board may determine whether to take enforcement action by exercising the association's power to impose sanctions or commencing an action for a violation of the governing documents, including whether to compromise any claim for unpaid assessments or other claim made by or against it.

(8) The board does not have a duty to take enforcement action if it determines that, under the facts and circumstances presented:

(a) The association's legal position does not justify taking any or further enforcement action;

(b) The covenant, restriction, or rule being enforced is, or is likely to be construed as, inconsistent with law;

(c) Although a violation may exist or may have occurred, it is not so material as to be objectionable to a reasonable person or to justify expending the association's resources; or

(d) It is not in the association's best interests to pursue an enforcement action.

(9) The board's decision under subsections (7) and (8) of this section to not pursue enforcement under one set of circumstances does not prevent the board from taking enforcement action under another set of circumstances, but the board may not be arbitrary or capricious in taking enforcement action. [2024 c 321 s 311; 2019 c 238 s 209; 2018 c 277 s 302.]

RCW 64.90.410 Board members, officers, and committees. (1) (a) Except as provided otherwise in the governing documents, subsection (4) of this section, or other provisions of this chapter, the board may act on behalf of the association.

(b) In the performance of their duties, officers and board members must exercise the degree of care and loyalty to the association required of an officer or director of a corporation organized, are subject to the conflict of interest rules governing directors and officers, and are entitled to the immunities from liability available to officers and directors under chapter 24.06 RCW. The standards of care and loyalty, and conflict of interest rules and immunities described in this section apply regardless of the form in which the association is organized.

(2) (a) Except as provided otherwise in RCW 64.90.300(9), effective as of the transition meeting held in accordance with RCW 64.90.415(4), the board must be comprised of at least three members, at least a majority of whom must be unit owners. However, the number of board members need not exceed the number of units then in the common interest community.

(b) Unless the declaration or organizational documents provide for the election of officers by the unit owners, the board must elect the officers.

(c) Unless provided otherwise in the declaration or organizational documents, board members and officers must take office upon adjournment of the meeting at which they were elected or appointed or, if not elected or appointed at a meeting, at the time of such election or appointment, and must serve until their successor takes office.

(d) In determining the qualifications of any officer or board member of the association, "unit owner" includes, unless the declaration or organizational documents provide otherwise, any board member, officer, member, partner, or trustee of any person, who is, either alone or in conjunction with another person or persons, a unit owner.

(e) Any officer or board member of the association who would not be eligible to serve as such if he or she were not a board member, officer, partner in, or trustee of such a person is disqualified from continuing in office if he or she ceases to have any such affiliation with that person or that person would have been disqualified from continuing in such office as a natural person.

(3) Except when voting as a unit owner, the declarant may not appoint or elect any person or to serve itself as a voting, ex officio or nonvoting board member following the transition meeting.

(4) The board may not, without vote or agreement of the unit owners:

- (a) Amend the declaration, except as provided in RCW 64.90.285;
- (b) Amend the organizational documents of the association;
- (c) Terminate the common interest community;
- (d) Elect members of the board, but may fill vacancies in its membership not resulting from removal for the unexpired portion of any term or, if earlier, until the next regularly scheduled election of board members; or
- (e) Determine the qualifications, powers, duties, or terms of office of board members.

(5) The board must adopt budgets as provided in RCW 64.90.525.

(6) Except for committees appointed by the declarant pursuant to special declarant rights, all committees of the association must be appointed by the board. Committees authorized to exercise any power reserved to the board must include at least two board members who have exclusive voting power for that committee. Committees that are not so composed may not exercise the authority of the board and are advisory only.

(7) A declaration may provide for the appointment of specified positions on the board by persons other than the declarant or an affiliate of the declarant during or after the period of declarant control. It also may provide a method for filling vacancies in those positions, other than by election by the unit owners. However, after the period of declarant control, appointed members:

- (a) May not comprise more than one-third of the board; and
- (b) Have no greater authority than any other board member. [2024 c 321 s 312; 2019 c 238 s 101; 2018 c 277 s 303.]

RCW 64.90.415 Period of declarant control—Transition. (1)(a)

Subject to subsection (3) of this section, the declaration may provide for a period of declarant control of the association, during which period a declarant, or persons designated by the declarant, may:

- (i) Appoint and remove the officers and board members; or
- (ii) Veto or approve a proposed action of the board or association.

(b) A declarant may voluntarily surrender the right to appoint and remove officers and board members before the period ends. In that event, the declarant may require that during the remainder of the period, specified actions of the association or board, as described in a recorded amendment to the declaration executed by the declarant, be approved by the declarant before they become effective. A declarant's failure to veto or approve such proposed action in writing within thirty days after receipt of written notice of the proposed action is deemed approval by the declarant.

(2) Regardless of the period provided in the declaration, and except as provided in RCW 64.90.320(7), a period of declarant control terminates no later than the earliest of:

- (a) Sixty days after conveyance of seventy-five percent of the units that may be created to unit owners other than a declarant;
- (b) Two years after the last conveyance of a unit, except to a dealer;

(c) Two years after any right to add new units was last exercised; or

(d) The day the declarant, after giving notice in a record to unit owners, records an amendment to the declaration voluntarily surrendering all rights to appoint and remove officers and board members.

(3) Not later than sixty days after conveyance of twenty-five percent of the units that may be created to unit owners other than a declarant, at least one member and not less than twenty-five percent of the members of the board must be elected by unit owners other than the declarant. Not later than sixty days after conveyance of fifty percent of the units that may be created to unit owners other than a declarant, not less than thirty-three and one-third percent of the members of the board must be elected by unit owners other than the declarant. Until such members are elected and take office, the existing board may continue to act on behalf of the association.

(4) Within thirty days after the termination of any period of declarant control or, in the absence of such period, not later than a date that is sixty days after the conveyance of seventy-five percent of the units that may be created to unit owners other than a declarant, the board must schedule a transition meeting and provide notice to the unit owners in accordance with RCW 64.90.445(1)(c). At the transition meeting, the board elected by the unit owners must be elected in accordance with RCW 64.90.410(2). [2018 c 277 s 304.]

RCW 64.90.420 Transfer of association property. (1) No later than 30 days following the date of the transition meeting held pursuant to RCW 64.90.415(4), the declarant must deliver or cause to be delivered to the board elected at the transition meeting all property of the unit owners and association as required by the declaration or this chapter including, but not limited to:

(a) The original or a copy of the recorded declaration and each amendment to the declaration;

(b) The organizational documents of the association;

(c) The minute books, including all minutes, and other books and records of the association;

(d) Current rules and regulations that have been adopted;

(e) Resignations of officers and members of the board who are required to resign because the declarant is required to relinquish control of the association;

(f) The financial records, including canceled checks, bank statements, and financial statements of the association, and source documents from the time of formation of the association through the date of transfer of control to the unit owners;

(g) Association funds or the control of the funds of the association;

(h) Originals or copies of any recorded instruments of conveyance for any common elements included within the common interest community but not appurtenant to the units;

(i) All tangible personal property of the association;

(j) Except for alterations to a unit done by a unit owner other than the declarant, a copy of the most recent plans and specifications used in the construction or remodeling of the common interest community, except for buildings containing fewer than three units;

(k) Originals or copies of insurance policies for the common interest community and association;

(l) Originals or copies of any certificates of occupancy that may have been issued for the common interest community;

(m) Originals or copies of any other permits obtained by or on behalf of the declarant and issued by governmental bodies applicable to the common interest community;

(n) Originals or copies of all written warranties that are still in effect for the common elements, or any other areas or facilities that the association has the responsibility to maintain and repair, from the contractor, subcontractors, suppliers, and manufacturers and all owners' manuals or instructions furnished to the declarant with respect to installed equipment or building systems;

(o) A roster of unit owners and eligible mortgagees and their addresses and telephone numbers, if known, as shown on the declarant's records and the date of closing of the first sale of each unit sold by the declarant;

(p) Originals or copies of any leases of the common elements and other leases to which the association is a party;

(q) Originals or photocopies of any employment contracts or service contracts in which the association is one of the contracting parties or service contracts in which the association or the unit owners have an obligation or a responsibility, directly or indirectly, to pay some or all of the fee or charge of the person performing the service;

(r) Originals or copies of any qualified warranty issued to the association as provided for in RCW 64.35.505;

(s) Originals or copies of all other contracts to which the association is a party; and

(t) Originals or copies of the most recent reserve study prepared pursuant to RCW 64.90.545, if one exists.

(2) Within 60 days of the transition meeting, the board must retain the services of a certified public accountant to audit the records of the association as the date of the transition meeting in accordance with generally accepted auditing standards unless the unit owners, other than the declarant, to which a majority of the votes are allocated elect to waive the audit. The cost of the audit must be a common expense unless otherwise provided in the declaration. The accountant performing the audit must examine supporting documents and records, including the cash disbursements and related paid invoices, to determine if expenditures were for association purposes and the billings, cash receipts, and related records to determine if the declarant was charged for and paid the proper amount of assessments. [2024 c 321 s 314; 2018 c 277 s 305.]

RCW 64.90.425 Transfer of special declarant rights. (1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Involuntary transfer" means a transfer by foreclosure of a mortgage, deed in lieu of foreclosure, tax sale, judicial sale, or sale in a bankruptcy or receivership proceeding of real estate owned by a declarant.

(b) "Nonaffiliate successor" means a person that succeeds to a special declarant right and is not an affiliate of the declarant that transferred the special declarant right to the person.

(2) A special declarant right is an interest in real estate. The interest is appurtenant to:

(a) All units owned by the declarant; and

(b) Real estate that is subject to a development right.

(3) A declarant that no longer owns a unit or a development right ceases to have any special declarant rights.

(4) A declarant may voluntarily transfer part or all of a special declarant right only by an instrument that describes the special declarant right being transferred. The transfer becomes effective when recorded in every county in which any portion of the common interest community is located.

(5) Except as otherwise provided in subsection (8), (9), (11), or (12) of this section, a successor to a special declarant right is subject to all obligations and liabilities imposed on the transferor by this chapter or the declaration.

(6) If a declarant transfers a special declarant right to an affiliate of the declarant, the transferor and the successor are jointly and severally liable for all obligations and liabilities imposed on either person by this chapter or the declaration. Lack of privity does not deprive a unit owner of standing to maintain an action to enforce any obligation or liability of the transferor or successor.

(7) A declarant that transfers a special declarant right to a nonaffiliate successor:

(a) Remains liable for an obligation or liability imposed by this chapter or the declaration, including a warranty obligation, that arose before the transfer; and

(b) Is not liable for an obligation or liability imposed on the successor by this chapter or the declaration that arose after the transfer.

(8) A nonaffiliate successor that succeeds to fewer than all special declarant rights held by the transferor is not subject to an obligation or liability that relates to a special declarant right not transferred to the successor.

(9) A nonaffiliate successor is not liable for an obligation or liability imposed by this chapter or the declaration that relates to:

(a) A misrepresentation by a previous declarant;

(b) A warranty obligation on an improvement made by a previous declarant or before the common interest community was created;

(c) Breach of a fiduciary obligation by a previous declarant or the previous declarant's appointees to the board; or

(d) An obligation or liability imposed on the transferor as a result of the transferor's act or omission after the transfer.

(10) If an involuntary transfer includes a special declarant right, the transferee may elect to acquire or reject the special declarant right. A transferee that elects to acquire the special declarant right is a successor declarant. The election is effective only if the judgment or instrument conveying title describes the special declarant right. If the judgment or instrument does not describe the special declarant right, the transferee will be presumed to have elected to accept the special declarant right.

(11) A successor to a special declarant right by an involuntary transfer may declare in a recorded instrument the successor's intent to hold the right solely for transfer to another person. After recording the instrument, the successor may not exercise a special declarant right, other than a right under RCW 64.90.415(1)(a) to control the board, and an attempt to exercise a special declarant right in violation of this subsection is void. A successor that complies with this subsection is not liable for an obligation or liability imposed by this chapter or the declaration other than

liability for the successor's act or omission under RCW 64.90.415(1)(a).

(12) This section does not subject a successor to a special declarant right to a claim against or obligation of a transferor, other than a claim or obligation imposed by this chapter or the declaration. [2024 c 321 s 315; 2018 c 277 s 306.]

RCW 64.90.430 Contracts and leases—Termination. (1) Within two years after the transition meeting, the association may terminate without penalty, upon not less than ninety days' notice to the other party, any of the following if it was entered into before the board was elected:

(a) Any management, maintenance, operations, or employment contract, or lease of recreational or parking areas or facilities; or

(b) Any other contract or lease between the association and a declarant or an affiliate of a declarant.

(2) The association may terminate without penalty, at any time after the board elected by the unit owners pursuant to RCW 64.90.415(4) takes office upon not less than ninety days' notice to the other party, any contract or lease that is not bona fide or was unconscionable to the unit owners at the time entered into.

(3) This section does not apply to:

(a) Any lease the termination of which would terminate the common interest community or reduce its size, unless the real estate subject to that lease was included in the common interest community for the purpose of avoiding the right of the association to terminate a lease under this section; or

(b) A proprietary lease. [2018 c 277 s 307.]

RCW 64.90.435 Organizational documents. (1) Unless provided for in the declaration, the organizational documents of the association must:

(a) Provide the number of board members and the titles of the officers of the association;

(b) Provide for election by the board or, if the declaration requires, by the unit owners of a president, treasurer, secretary, and any other officers of the association the organizational documents specify;

(c) Specify the qualifications, powers and duties, terms of office, and manner of electing and removing board members and officers and filling vacancies in accordance with RCW 64.90.410;

(d) Specify the powers the board or officers may delegate to other persons or to a managing agent;

(e) Specify a method for the unit owners to amend the organizational documents;

(f) Describe the budget ratification process required under RCW 64.90.525, if not provided in the declaration;

(g) Contain any provision necessary to satisfy requirements in this chapter or the declaration concerning meetings, voting, quorums, and other activities of the association; and

(h) Provide for any matter required by law of this state other than this chapter to appear in the organizational documents of organizations of the same type as the association.

(2) Subject to the declaration and this chapter, the organizational documents may provide for any other necessary or appropriate matters. [2018 c 277 s 308.]

RCW 64.90.440 Maintenance, repair, replacement—Liability of unit owner—Inspection.

(1) Except to the extent provided by the declaration, subsections (2) and (4) of this section, or RCW 64.90.470(8), the association must maintain, repair, and replace the common elements, including limited common elements, and each unit owner must maintain, repair, and replace that owner's unit.

(2) The board may by rule designate physical components of the property for which a unit owner is otherwise responsible that present a heightened risk of damage or harm to persons or property if the physical components fail. The association may require that specific measures be taken by the unit owner or the association to diminish that risk of harm. If a unit owner fails to accomplish any necessary maintenance, repair, or replacement to those components, or fails to take any other measures required of the unit owner under this subsection, the association may, after notice to a unit owner and an opportunity to be heard, enter the unit in the manner pursuant to subsection (3) of this section to perform such maintenance, repair, replacement, or measure at the expense of that unit owner.

(3) Upon prior notice, except in case of an emergency, each unit owner must afford to the association and the other unit owners, and to their agents or employees, access through that owner's unit and limited common elements reasonably necessary for the purposes stated in subsections (1) and (2) of this section, including necessary inspections by the association. If damage is inflicted on the common elements or on any unit through which access is taken, the unit owner responsible for the damage, or the association if it is responsible, is liable for the prompt repair of the damage.

(4) In addition to the liability that a declarant as a unit owner has under this chapter, the declarant alone is liable for all expenses in connection with real estate subject to development rights and no other unit owner and no other portion of the common interest community is subject to a claim for payment of those expenses. However, the declaration may provide that the expenses associated with the operation, maintenance, repair, and replacement of a common element that the owners have a right to use must be paid by the association as a common expense. Unless the declaration provides otherwise, any income or proceeds from real estate subject to development rights inures to the declarant.

(5) In a plat community or miscellaneous community, if all development rights have expired with respect to any real estate, the declarant remains liable for all expenses of that real estate unless, upon expiration, the declaration provides that the real estate becomes common elements or units. [2018 c 277 s 309.]

RCW 64.90.445 Meetings. (1) The following requirements apply to unit owner meetings:

(a) A meeting of the association must be held at least once each year. Failure to hold an annual meeting does not cause a forfeiture or give cause for dissolution of the association and does not affect otherwise valid association acts.

(b) (i) An association must hold a special meeting of unit owners to address any matter affecting the common interest community or the association if its president, a majority of the board, or unit owners having at least 20 percent, or any lower percentage specified in the organizational documents, of the votes in the association request that the secretary call the meeting.

(ii) If the association does not provide notice to unit owners of a special meeting within 30 days after the requisite number or percentage of unit owners request the secretary to do so, the requesting members may directly provide notice to all the unit owners of the meeting. The unit owners may discuss at a special meeting a matter not described in the notice under (c) of this subsection but may not take action on the matter without the consent of all unit owners.

(c) An association must provide notice to unit owners of the time, date, and place of each annual and special unit owners meeting not less than 14 days and not more than 50 days before the meeting date. Notice may be by any means described in RCW 64.90.515. The notice of any meeting must state the time, date, and place of the meeting and the items on the agenda, including:

(i) The text of any proposed amendment to the declaration or organizational documents;

(ii) Any changes in the previously approved budget that result in a change in the assessment obligations; and

(iii) Any proposal to remove a board member or officer.

(d) Unit owners must be given a reasonable opportunity at any meeting to comment regarding any matter affecting the common interest community or the association.

(e) A meeting of unit owners is not required to be held at a physical location if:

(i) The meeting is conducted by a means of communication that enables owners in different locations to communicate in real time to the same extent as if they were physically present in the same location, provided that such means of communication must have an option for owners to communicate by telephone; and

(ii) The declaration or organizational documents do not require that the owners meet at a physical location.

(f) In the notice for a meeting held at a physical location, the board may notify all unit owners that they may participate remotely in the meeting by a means of communication described in (e) of this subsection.

(2) The following requirements apply to meetings of the board and committees authorized to act for the board:

(a) Meetings must be open to the unit owners except during executive sessions, but the board may expel or prohibit attendance by any person who, after warning by the chair of the meeting, disrupts the meeting. The board and those committees may hold an executive session only during a regular or special meeting of the board or a committee. A final vote or action may not be taken during an executive session.

(b) An executive session may be held only to:

(i) Consult with the association's attorney concerning legal matters;

(ii) Discuss existing or potential litigation or mediation, arbitration, or administrative proceedings;

(iii) Discuss labor or personnel matters;

(iv) Discuss contracts, leases, and other commercial transactions to purchase or provide goods or services currently being negotiated, including the review of bids or proposals, if premature general knowledge of those matters would place the association at a disadvantage; or

(v) Prevent public knowledge of the matter to be discussed if the board or committee determines that public knowledge would violate the privacy of any person.

(c) For purposes of this subsection, a gathering of members of the board or committees at which the board or committee members do not conduct association business is not a meeting of the board or committee. Board members and committee members may not use incidental or social gatherings to evade the open meeting requirements of this subsection.

(d) During the period of declarant control, the board must meet at least four times a year. At least one of those meetings must be held at the common interest community or at a place convenient to the community. After the transition meeting, all board meetings must be at the common interest community or at a place convenient to the common interest community unless the unit owners amend the bylaws to vary the location of those meetings.

(e) At each board meeting, the board must provide a reasonable opportunity for unit owners to comment regarding matters affecting the common interest community and the association.

(f) Unless the meeting is included in a schedule given to the unit owners, the secretary or other officer specified in the organizational documents must provide notice of each board meeting to each board member and to the unit owners. The notice must be given at least 14 days before the meeting and must state the time, date, place, and agenda of the meeting.

(g) If any materials are distributed to the board before the meeting, the board must make copies of those materials reasonably available to the unit owners, except that the board need not make available copies of unapproved minutes or materials that are to be considered in executive session.

(h) Unless the organizational documents provide otherwise, fewer than all board members may participate in a regular or special meeting by or conduct a meeting through the use of any means of communication by which all board members participating can hear each other during the meeting. A board member participating in a meeting by these means is deemed to be present in person at the meeting.

(i) Unless the organizational documents provide otherwise, the board may meet by participation of all board members by telephonic, video, or other conferencing process if:

(i) The meeting notice states the conferencing process to be used and provides information explaining how unit owners may participate in the conference directly or by meeting at a central location or conference connection; and

(ii) The process provides all unit owners the opportunity to hear or perceive the discussion and to comment as provided in (e) of this subsection.

(j) After the transition meeting, unit owners may amend the organizational documents to vary the procedures for meetings described in (i) of this subsection.

(k) Prior to the transition meeting, without a meeting, the board may act by unanimous consent as documented in a record by all its members. Actions taken by unanimous consent must be kept as a record

of the association with the meeting minutes. After the transition meeting, the board may act by unanimous consent only to undertake ministerial actions, actions subject to ratification by the unit owners, or to implement actions previously taken at a meeting of the board.

(1) A board member who is present at a board meeting at which any action is taken is presumed to have assented to the action taken unless the board member's dissent or abstention to such action is lodged with the person acting as the secretary of the meeting before adjournment of the meeting or provided in a record to the secretary of the association immediately after adjournment of the meeting. The right to dissent or abstain does not apply to a board member who voted in favor of such action at the meeting.

(m) A board member may not vote by proxy or absentee ballot.

(n) Even if an action by the board is not in compliance with this section, it is valid unless set aside by a court. An action seeking relief for failure of the board to comply with this section may not be brought more than 90 days after the minutes of the board of the meeting at which the action was taken are approved or the record of that action is distributed to unit owners, whichever is later.

(3) Minutes of all unit owner meetings and board meetings, excluding executive sessions, must be maintained in a record. The decision on each matter voted upon at a board meeting or unit owner meeting must be recorded in the minutes. [2024 c 321 s 316; 2021 c 227 s 13; 2019 c 238 s 210; 2018 c 277 s 310.]

RCW 64.90.450 Quorum. (1) Unless the organizational documents provide otherwise, a quorum is present throughout any meeting of the unit owners if at the beginning of the meeting persons entitled to cast 20 percent of the votes in the association attend in person, by proxy, by means of communication under RCW 64.90.445(1) (e) or (f), or have voted by absentee ballot.

(2) Unless the organizational documents specify a larger number, a quorum of the board is present for purposes of determining the validity of any action taken at a meeting of the board only if individuals entitled to cast a majority of the votes on that board are present at the time a vote regarding that action is taken. If a quorum is present when a vote is taken, the affirmative vote of a majority of the board members present is the act of the board unless a greater vote is required by the organizational documents. [2024 c 321 s 206; 2018 c 277 s 311.]

RCW 64.90.455 Unit owner voting. (1) Unit owners may vote at a meeting under subsection (2) or (3) of this section or, when a vote is conducted without a meeting, by ballot in the manner provided in subsection (4) of this section.

(2) At a meeting of unit owners the following requirements apply:

(a) Unless the declaration or bylaws otherwise provide, and except as provided in subsection (9) of this section, unit owners or their proxy holders may vote by voice vote, show of hands, standing, written ballot, or any other method authorized at the meeting.

(b) If unit owners attend the meeting by a means of communication under RCW 64.90.445(1) (e) or (f), the association shall implement reasonable measures to verify the identity of each unit owner attending remotely.

(c) Whenever proposals or board members are to be voted upon at a meeting, a unit owner may vote by duly executed absentee ballot if:

(i) The name of each candidate and the text of each proposal to be voted upon are set forth in a writing accompanying or contained in the notice of meeting; and

(ii) A ballot is provided by the association for such purpose.

(d) When a unit owner votes by absentee ballot under (c) of this subsection, the association must be able to verify that the ballot is cast by the unit owner having the right to do so.

(3) Unless the declaration or organizational documents otherwise provide, unit owners may vote by proxy subject to the following requirements:

(a) Votes allocated to a unit may be cast pursuant to a directed or undirected proxy duly executed by a unit owner in the same manner as provided in RCW 24.06.110.

(b) When a unit owner votes by proxy, the association shall implement reasonable measures to verify the identity of the unit owner and the proxy holder.

(c) A unit owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the secretary or the person presiding over a meeting of the association or by delivery of a subsequent proxy. The death or disability of a unit owner does not revoke a proxy given by the unit owner unless the person presiding over the meeting has actual notice of the death or disability.

(d) A proxy is void if it is not dated or purports to be revocable without notice.

(e) Unless stated otherwise in the proxy, a proxy terminates 11 months after its date of issuance.

(4) Unless the declaration or organizational documents otherwise provide, an association may conduct a vote without a meeting. The following requirements apply:

(a) The association must notify the unit owners that the vote will be taken by ballot without a meeting.

(b) The notice under (a) of this subsection must state:

(i) The time and date by which a ballot must be delivered to the association to be counted, which may not be fewer than 14 days after the date of the notice, and which deadline may be extended in accordance with (g) of this subsection;

(ii) The percent of votes necessary to approve each matter other than election of board members; and

(iii) The time, date, and manner by which unit owners wishing to deliver information to all unit owners regarding the subject of the vote may do so.

(c) The association must deliver with the notice under (a) of this subsection:

(i) Instructions for casting a ballot;

(ii) A ballot in a tangible medium to every unit owner except a unit owner that has consented in a record to electronic voting; and

(iii) If the association allows electronic voting, instructions for electronic voting.

(d) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(e) A unit owner may revoke a ballot cast pursuant to this section before the date and time under (b) of this subsection by which the ballot must be delivered to the association only by actual notice to the association of revocation. The death or disability of a unit owner does not revoke a ballot unless the association has actual

notice of the death or disability prior to the date set forth in (b) (i) of this subsection.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

(g) If the association does not receive a sufficient number of votes to constitute a quorum or to approve the proposal by the date and time established for return of ballots, the board may extend the deadline for a reasonable period not to exceed 11 months upon further notice to all members in accordance with (b) of this subsection. In that event, all votes previously cast on the proposal must be counted unless subsequently revoked as provided in this section.

(h) A ballot or revocation is not effective until received by the association.

(i) The association must give notice to unit owners of any action taken pursuant to this subsection within a reasonable time after the action is taken.

(j) When an action is taken pursuant to this subsection, a record of the action, including the ballots or a report of the persons appointed to tabulate such ballots, must be kept with the minutes of meetings of the association.

(k) The association shall implement reasonable measures to verify that each ballot in a tangible medium and electronic ballot is cast by the unit owner having a right to do so.

(l) A unit owner consents to electronic voting by delivering to the association a record indicating such consent or by casting an electronic ballot.

(m) An association that allows electronic ballots shall create a record of electronic votes capable of retention, retrieval, and review.

(5) If the governing documents require that votes on specified matters affecting the common interest community be cast by lessees rather than unit owners of leased units:

(a) This section applies to lessees as if they were unit owners;

(b) Unit owners that have leased their units to other persons may not cast votes on those specified matters; and

(c) Lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were unit owners.

(6) Unit owners must also be given notice of all meetings at which lessees may be entitled to vote.

(7) In any vote of the unit owners, votes allocated to a unit owned by the association must be cast in the same proportion as the votes cast on the matter by unit owners other than the association.

(8) (a) Unless a different number or fraction of the votes in an association is required by this chapter or the declaration, a majority of the votes cast determines the outcome of a vote taken at a meeting or without a meeting.

(b) If a unit is owned by more than one person and:

(i) Only one owner casts a vote, that vote must be counted as casting all votes allocated to the unit by the declaration; and

(ii) More than one owner casts a vote for the unit, no vote from any owner of the unit may be counted unless the declaration provides a manner for allocating votes cast by multiple owners of a unit.

(9) Notwithstanding any other law or provision of the governing documents, the following votes of unit owners shall be conducted by secret ballot: (a) Election of board members; (b) removal of board

members or officers; (c) amendments to the declaration or governing documents; or (d) unit owner approval of an amendment to the declaration for the reallocation of a common element as a limited common element for the exclusive use of an owner's unit pursuant to RCW 64.90.240. [2024 c 321 s 317; 2018 c 277 s 312.]

RCW 64.90.460 Liability—Tolling. (1) A unit owner is not liable, solely by reason of being a unit owner, for an injury or damage arising out of the condition or use of the common elements. Neither the association nor any unit owner except the declarant is liable for that declarant's torts in connection with any part of the common interest community which that declarant must maintain.

(2) (a) An action alleging a wrong done by the association, including an action arising out of the condition or use of the common elements, may be maintained only against the association and not against any unit owner.

(b) If the wrong occurred during any period of declarant control and the association gives the declarant reasonable notice of and an opportunity to defend against the action, the declarant who then controlled the association is liable to the association or to any unit owner for (i) all tort losses not covered by insurance suffered by the association or that unit owner and (ii) all costs that the association would not have incurred but for a breach of contract or other wrongful act or omission by the association.

(c) If a declarant is liable to an association under this section, the declarant is also liable for all expenses of litigation, including reasonable attorneys' fees and costs, incurred by the association.

(3) (a) Except as provided in RCW 64.90.680 with respect to warranty claims, any statute of limitation affecting the association's right of action against a declarant under this chapter is tolled until any period of declarant control terminates.

(b) A unit owner is not precluded from maintaining an action contemplated under this section because that person is a unit owner, board member, or officer of the association. Liens resulting from judgments against the association are governed under RCW 64.90.490. [2018 c 277 s 313.]

RCW 64.90.465 Conveyance or encumbrance of common elements.

(1) (a) In a common interest community other than a cooperative, portions of the common elements may be conveyed or subjected to a security interest by the association if unit owners entitled to cast at least eighty percent of the votes in the association, including eighty percent of the votes allocated to units not owned by a declarant, or any larger percentage the declaration specifies, agree to that action; but all unit owners of units to which any limited common element is allocated must agree to convey that limited common element or subject it to a security interest. The declaration may specify a smaller percentage only if all of the units are restricted exclusively to nonresidential uses.

(b) Proceeds of the sale or a loan are an asset of the association, but the proceeds of the sale of limited common elements must be distributed equitably among the unit owners of units to which the limited common elements were allocated. This subsection (1) does

not apply to the incorporation of common elements into units as a result of relocating unit boundaries pursuant to RCW 64.90.260, to subdividing or combining units pursuant to RCW 64.90.265, or to eminent domain proceedings pursuant to RCW 64.90.030.

(2) (a) Part of a cooperative may be conveyed and all or part of a cooperative may be subjected to a security interest by the association if unit owners entitled to cast at least eighty percent of the votes in the association, including eighty percent of the votes allocated to units not owned by a declarant, or any larger percentage the declaration specifies, agree to that action; but, if fewer than all of the units or limited common elements are to be conveyed or subjected to a security interest, all unit owners of those units, or the units to which those limited common elements are allocated, must agree to convey those units or limited common elements or subject them to a security interest. The declaration may specify a smaller percentage only if all of the units are restricted exclusively to nonresidential uses.

(b) Proceeds of the sale or a loan are an asset of the association. Any purported conveyance or other voluntary transfer of an entire cooperative, unless made pursuant to RCW 64.90.290, is void. This subsection (2) does not apply to the incorporation of common elements into units as a result of relocating unit boundaries pursuant to RCW 64.90.260, to subdividing or combining units pursuant to RCW 64.90.265, or to eminent domain proceedings pursuant to RCW 64.90.030.

(3) An agreement to convey common elements in a common interest community other than a cooperative, or to subject them to a security interest, or in a cooperative, an agreement to convey any part of a cooperative or subject it to a security interest, must be evidenced by the execution of an agreement, or ratifications of an agreement, in the same manner as a deed, by the requisite number of unit owners. The agreement must specify a date after which the agreement will be void unless recorded before that date. The agreement and all ratifications of the agreement must be recorded in every county in which a portion of the common interest community is situated and is effective only upon recordation.

(4) The association, on behalf of the unit owners, may contract to convey or dedicate an interest in a common interest community pursuant to subsection (1) of this section, but the contract is not enforceable against the association until approved pursuant to subsection (1), (2), or (3) of this section. Thereafter, the association has all powers necessary and appropriate to effect the conveyance or encumbrance, including the power to execute deeds or other instruments.

(5) Unless made pursuant to this section, any purported conveyance, encumbrance, judicial sale, or other voluntary transfer of common elements or of any other part of a cooperative is void.

(6) A conveyance or encumbrance of common elements or of a cooperative pursuant to this section does not deprive any unit of its rights of access and support.

(7) Unless the declaration requires a higher percentage, if the consent of eligible mortgagees holding security interests on at least eighty percent of the units subject to security interests held by eligible mortgagees on the day the unit owners' agreement under subsection (3) of this section is recorded, is obtained:

(a) A conveyance of common elements pursuant to this section terminates both the undivided interests in those common elements allocated to the units and the security interests in those undivided

interests held by all persons holding security interests in the units; and

(b) An encumbrance of common elements pursuant to this section has priority over all preexisting encumbrances on the undivided interests in those common elements held by all persons holding security interests in the units.

(8) The consents of eligible mortgagees, or a certificate of the secretary affirming that the requisite percentage of eligible mortgagees have consented, may be recorded at any time before the date on which the agreement under subsection (3) of this section becomes void. Such consents or certificates recorded are valid from the date they are recorded for purposes of calculating the percentage of consenting eligible mortgagees, regardless of later conveyance or encumbrances on those units. If the required percentage of eligible mortgagees consent, a conveyance or encumbrance of common elements does not affect interests having priority over the declaration or created by the association after the declaration was recorded.

(9) In a cooperative, the association may acquire, hold, encumber, or convey a proprietary lease without complying with this section. [2018 c 277 s 314.]

RCW 64.90.470 Insurance. (1) Commencing not later than the time of the first conveyance of a unit to a person other than a declarant, the association must maintain in its own name, to the extent reasonably available and subject to reasonable deductibles:

(a) Property insurance on the common elements and, in a plat community or miscellaneous community, also on property that must become common elements, insuring against risks of direct physical loss commonly insured against, which insurance, after application of any deductibles, must be not less than eighty percent of the actual cash value of the insured property at the time the insurance is purchased and at each renewal date, exclusive of land, excavations, foundations, and other items normally excluded from property policies;

(b) Commercial general liability insurance, including medical payments insurance, in an amount determined by the board, but not less than any amount specified in the declaration, covering all occurrences commonly insured against for bodily injury and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements and, in cooperatives, of all units;

(c) Fidelity insurance; and

(d) Other insurance required under the declaration.

(2) In the case of a building that contains units divided by horizontal boundaries described in the declaration, or vertical boundaries that comprise common walls between units, the insurance maintained under subsection (1)(a) of this section, to the extent reasonably available, must include the units and, unless provided otherwise in the declaration, all improvements and betterments to the units.

(3) If the insurance described in subsections (1) and (2) of this section is not reasonably available, the association must promptly cause notice of that fact to be given to all unit owners. The association may carry any other insurance it considers appropriate to protect the association or the unit owners.

(4) Insurance policies carried pursuant to subsections (1) and (2) of this section must provide that:

(a) Each unit owner is an insured person under the policy with respect to liability arising out of the unit owner's interest in the common elements or membership in the association;

(b) The insurer waives its right to subrogation under the policy against any unit owner or member of the unit owner's household;

(c) Any act or omission by a unit owner, unless acting within the unit owner's scope of authority on behalf of the association, does not void the policy and is not a condition to recovery under the policy; and

(d) If, at the time of a loss under the policy, there is other insurance in the name of a unit owner covering the same risk covered by the policy, the association's policy provides primary insurance.

(5) Any loss covered by the property insurance policy under subsection (1)(a) and (b) of this section must be adjusted with the association, but the insurance proceeds for that loss are payable to any insurance trustee designated for that purpose, or otherwise to the association, and not to any holder of a security interest. The insurance trustee or the association must hold any insurance proceeds in trust for the association, unit owners, and lienholders as their interests may appear. Subject to subsection (8) of this section, the proceeds must be disbursed first for the repair or replacement of the damaged property, and the association, unit owners, and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or replaced, or the common interest community is terminated.

(6) An insurance policy issued to the association does not prevent a unit owner from obtaining insurance for the unit owner's own benefit.

(7) An insurer that has issued an insurance policy under this section must issue certificates or memoranda of insurance to the association and, upon a request made in a record, to any unit owner or holder of a security interest. The insurer issuing the policy may not modify the amount or the extent of the coverage of the policy or cancel or refuse to renew the policy unless the insurer has complied with all applicable provisions of chapter 48.18 RCW pertaining to the cancellation or nonrenewal of contracts of insurance. The insurer may not modify the amount or the extent of the coverage of the policy or cancel or refuse to renew the policy without complying with this section.

(8) Any portion of the common interest community for which insurance is required under this section that is damaged or destroyed must be repaired or replaced promptly by the association unless:

(a) The common interest community is terminated, in which case RCW 64.90.290 applies;

(b) Repair or replacement would be illegal; or

(c) Eighty percent of the unit owners, including every unit owner of a unit or assigned limited common element that will not be rebuilt, vote not to rebuild.

(9) The cost of repair or replacement not paid from insurance proceeds is a common expense. If all of the damaged or destroyed portions of the common interest community are not repaired or replaced:

(a) The insurance proceeds attributable to the damaged common elements must be used to restore the damaged area to a condition compatible with the remainder of the common interest community; and

(b) Except to the extent that other persons will be distributees:

(i) The insurance proceeds attributable to units and limited common elements that are not repaired or replaced must be distributed to the unit owners of those units and the unit owners of the units to which those limited common elements were allocated, or to lienholders, as their interests may appear; and

(ii) The remainder of the proceeds must be distributed to all the unit owners or lienholders, as their interests may appear, as follows:

(A) In a condominium, in proportion to the common element interests of all the units; and

(B) In a cooperative, plat community, or miscellaneous community, in proportion to the common expense liabilities of all the units.

(10) If the unit owners vote not to rebuild any unit, that unit's allocated interests are automatically reallocated upon the vote as if the unit had been condemned under RCW 64.90.030, and the association promptly must prepare, execute, and record an amendment to the declaration reflecting the reallocations.

(11) The provisions of this section may be varied or waived as provided in the declaration if all units of a common interest community are restricted to nonresidential use. [2018 c 277 s 315.]

RCW 64.90.475 Accounts and records—Reconciliation. (1) The association must establish and maintain its accounts and records in a manner that will enable it to credit assessments for common expenses and specially allocated expenses, including allocations to reserves, and other income to the association, and to charge expenditures, to the account of the appropriate units in accordance with the provisions of the declaration.

(2) To assure that the unit owners are correctly assessed for the actual expenses of the association, the accounts of the association must be reconciled at least annually unless the board determines that a reconciliation would not result in a material savings to any unit owner. Unless provided otherwise in the declaration, any surplus funds of the association remaining after the payment of or provision for common expenses and any prepayment of reserves must be paid annually to the unit owners in proportion to their common expense liabilities or credited to them to reduce their future common expense assessments. [2018 c 277 s 316.]

RCW 64.90.480 Assessments and capital contributions. (1) (a) Assessments for common expenses and those specially allocated expenses that are subject to inclusion in a budget must be made at least annually based on a budget adopted at least annually by the association in the manner provided in RCW 64.90.525.

(b) Assessments for common expenses and specially allocated expenses must commence on all units that have been created upon the conveyance of the first unit in the common interest community; however, the declarant may delay commencement of assessments for some or all common expenses or specially allocated expenses, in which event the declarant must pay all of the common expenses or specially allocated expenses that have been delayed. In a common interest community in which units may be added pursuant to reserved development rights, the declarant may delay commencement of assessments for such units in the same manner.

(2) The declaration may provide that, upon closing of the first conveyance of each unit to a purchaser or first occupancy of a unit, whichever occurs first, the association may assess and collect a working capital contribution for such unit. The working capital contribution may be collected prior to the commencement of common assessments under subsection (1) of this section. A working capital contribution may not be used to defray expenses that are the obligation of the declarant.

(3) Except as provided otherwise in this section, all common expenses must be assessed against all the units in accordance with their common expense liabilities, subject to the right of the declarant to delay commencement of certain common expenses under subsections (1) and (2) of this section. Any past due assessment or installment of past due assessment bears interest at the rate established by the association pursuant to RCW 64.90.485.

(4) The declaration may provide that any of the following expenses of the association must be assessed against the units on some basis other than common expense liability. If and to the extent the declaration so provides, the association must assess:

(a) Expenses associated with the operation, maintenance, repair, or replacement of any specified limited common element against the units to which that limited common element is assigned, equally or in any other proportion that the declaration provides;

(b) Expenses specified in the declaration as benefiting fewer than all of the units or their unit owners exclusively against the units benefited in proportion to their common expense liability or in any other proportion that the declaration provides, but if the common expense is for the maintenance, repair, or replacement of a common element other than a limited common element, the expense may be assessed exclusively against them only if the declaration reasonably identifies the common expense by specific listing or category;

(c) The costs of insurance in proportion to risk; and

(d) The costs of one or more specified services or utilities in proportion to respective usage, whether metered, billed in bulk based on unit count, or reasonably estimated, or upon the same basis as such utility charges are made by the utility provider.

(5) Assessments to pay a judgment against the association may be made only against the units in the common interest community at the time the judgment was entered, in proportion to their common expense liabilities.

(6) The association may assess exclusively against a unit owner's unit common expenses, including expenses relating to damage to or loss of property, caused by the:

(a) Willful misconduct or gross negligence of the unit owner or the unit owner's tenant, guest, invitee, or occupant;

(b) Failure of the unit owner to comply with a maintenance standard prescribed by the declaration or a rule, if the standard contains a statement that an owner may be liable for damage or loss caused by failure to comply with the standard; or

(c) Negligence of the unit owner or the unit owner's tenant, guest, invitee, or occupant, if the declaration contains a statement that an owner may be liable for damage or loss caused by such negligence.

(7) Before an association makes an assessment under subsection (6) of this section, the association must give notice to the unit owner and provide an opportunity for a hearing. The assessment is limited to the expense the association incurred under subsection (6)

of this section less any insured proceeds received by the association, whether the difference results from the application of a deductible or otherwise.

(8) In the event of a loss or damage to a unit that would be covered by the association's property insurance policy, excluding policies for earthquake, flood, or similar losses that have higher than standard deductibles, but that is within the deductible under that policy and if the declaration so provides, the association may assess the amount of the loss up to the deductible against that unit. This subsection does not prevent a unit owner from asserting a claim against another person for the amount assessed if that other person would be liable for the damages under general legal principles.

(9) If common expense liabilities are reallocated, assessments and any installment of assessments not yet due must be recalculated in accordance with the reallocated common expense liabilities. [2024 c 321 s 207; 2018 c 277 s 317.]

RCW 64.90.485 Liens—Enforcement—Notice of delinquency—Second notice. (Effective until January 1, 2025.) (1) The association has a statutory lien on each unit for any unpaid assessment against the unit from the time such assessment is due.

(2) A lien under this section has priority over all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances that the association creates, assumes, or takes subject to;

(b) Except as otherwise provided in subsection (3) of this section, a security interest on the unit recorded before the date on which the unpaid assessment became due or, in a cooperative, a security interest encumbering only the unit owner's interest and perfected before the date on which the unpaid assessment became due; and

(c) Liens for real estate taxes and other state or local governmental assessments or charges against the unit or cooperative.

(3) (a) A lien under this section also has priority over the security interests described in subsection (2) (b) of this section to the extent of an amount equal to the following:

(i) The common expense assessments, excluding any amounts for capital improvements, based on the periodic budget adopted by the association pursuant to RCW 64.90.480(1), along with any specially allocated assessments that are properly assessable against the unit under such periodic budget, which would have become due in the absence of acceleration during the six months immediately preceding the institution of proceedings to foreclose either the association's lien or a security interest described in subsection (2) (b) of this section;

(ii) The association's actual costs and reasonable attorneys' fees incurred in foreclosing its lien but incurred after the giving of the notice described in (a) (iii) of this subsection; provided, however, that the costs and reasonable attorneys' fees that will have priority under this subsection (3) (a) (ii) shall not exceed \$2,000 or an amount equal to the amounts described in (a) (i) of this subsection, whichever is less;

(iii) The amounts described in (a) (ii) of this subsection shall be prior only to the security interest of the holder of a security interest on the unit recorded before the date on which the unpaid

assessment became due and only if the association has given that holder not less than 60 days' prior written notice that the owner of the unit is in default in payment of an assessment. The notice shall contain:

(A) Name of the borrower;

(B) Recording date of the trust deed or mortgage;

(C) Recording information;

(D) Name of condominium, unit owner, and unit designation stated in the declaration or applicable supplemental declaration;

(E) Amount of unpaid assessment; and

(F) A statement that failure to, within 60 days of the written notice, submit the association payment of six months of assessments as described in (a)(i) of this subsection will result in the priority of the amounts described in (a)(ii) of this subsection; and

(iv) Upon payment of the amounts described in (a)(i) and (ii) of this subsection by the holder of a security interest, the association's lien described in this subsection (3)(a) shall thereafter be fully subordinated to the lien of such holder's security interest on the unit.

(b) For the purposes of this subsection:

(i) "Institution of proceedings" means either:

(A) The date of recording of a notice of trustee's sale by a deed of trust beneficiary;

(B) The date of commencement, pursuant to applicable court rules, of an action for judicial foreclosure either by the association or by the holder of a recorded security interest; or

(C) The date of recording of a notice of intention to forfeit in a real estate contract forfeiture proceeding by the vendor under a real estate contract.

(ii) "Capital improvements" does not include making, in the ordinary course of management, repairs to common elements or replacements of the common elements with substantially similar items, subject to: (A) Availability of materials and products, (B) prevailing law, or (C) sound engineering and construction standards then prevailing.

(c) The adoption of a periodic budget that purports to allocate to a unit any fines, late charges, interest, attorneys' fees and costs incurred for services unrelated to the foreclosure of the association's lien, other collection charges, or specially allocated assessments assessed under RCW 64.90.480 (6) or (7) does not cause any such items to be included in the priority amount affecting such unit.

(4) Subsections (2) and (3) of this section do not affect the priority of mechanics' or material suppliers' liens to the extent that law of this state other than chapter 277, Laws of 2018 gives priority to such liens, or the priority of liens for other assessments made by the association.

(5) A lien under this section is not subject to chapter 6.13 RCW.

(6) If the association forecloses its lien under this section nonjudicially pursuant to chapter 61.24 RCW, as provided under subsection (13) of this section, the association is not entitled to the lien priority provided for under subsection (3) of this section, and is subject to the limitations on deficiency judgments as provided in chapter 61.24 RCW.

(7) Unless the declaration provides otherwise, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority as to each other, and

any foreclosure of one such lien shall not affect the lien of the other.

(8) Recording of the declaration constitutes record notice and perfection of the statutory lien created under this section. Further notice or recordation of any claim of lien for assessment under this section is not required, but is not prohibited.

(9) A lien for unpaid assessments and the personal liability for payment of those assessments are extinguished unless proceedings to enforce the lien or collect the debt are instituted within six years after the full amount of the assessments sought to be recovered becomes due.

(10) This section does not prohibit actions against unit owners to recover sums for which subsection (1) of this section creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

(11) The association upon written request must furnish to a unit owner or a mortgagee a statement signed by an officer or authorized agent of the association setting forth the amount of unpaid assessments or the priority amount against that unit, or both. The statement must be furnished within 15 days after receipt of the request and is binding on the association, the board, and every unit owner unless, and to the extent, known by the recipient to be false. The liability of a recipient who reasonably relies upon the statement must not exceed the amount set forth in any statement furnished pursuant to this section or RCW 64.90.640(1)(b).

(12) In a cooperative, upon nonpayment of an assessment on a unit, the unit owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and the lien may be foreclosed as provided under this section.

(13) The association's lien may be foreclosed in accordance with (a) and (b) of this subsection.

(a) In a common interest community other than a cooperative, the association's lien may be foreclosed judicially in accordance with chapter 61.12 RCW, subject to any rights of redemption under chapter 6.23 RCW.

(b) The lien may be enforced nonjudicially in the manner set forth in chapter 61.24 RCW for nonjudicial foreclosure of deeds of trust if the declaration: Contains a grant of the common interest community in trust to a trustee qualified under RCW 61.24.010 to secure the obligations of the unit owners to the association for the payment of assessments, contains a power of sale, provides in its terms that the units are not used principally for agricultural purposes, and provides that the power of sale is operative in the case of a default in the obligation to pay assessments. The association or its authorized representative may purchase the unit at the foreclosure sale and acquire, hold, lease, mortgage, or convey the unit. Upon an express waiver in the complaint of any right to a deficiency judgment in a judicial foreclosure action, the period of redemption is eight months.

(c) In a cooperative in which the unit owners' interests in the units are real estate, the association's lien must be foreclosed in like manner as a mortgage on real estate or by power of sale under (b) of this subsection.

(d) In a cooperative in which the unit owners' interests in the units are personal property, the association's lien must be foreclosed in like manner as a security interest under chapter 62A.9A RCW.

(e) No member of the association's board, or their immediate family members or affiliates, are eligible to bid for or purchase, directly or indirectly, any interest in a unit at a foreclosure of the association's lien. For the purposes of this subsection, "immediate family member" includes spouses, domestic partners, children, siblings, parents, parents-in-law, and stepfamily members; and "affiliate" of a board member includes any person controlled by the board member, including any entity in which the board member is a general partner, managing member, majority member, officer, or director. Nothing in this subsection prohibits an association from bidding for or purchasing interest in a unit at a foreclosure of the association's lien.

(14) If the unit owner's interest in a unit in a cooperative is real estate, the following requirements apply:

(a) The association, upon nonpayment of assessments and compliance with this subsection, may sell that unit at a public sale or by private negotiation, and at any time and place. The association must give to the unit owner and any lessee of the unit owner reasonable notice in a record of the time, date, and place of any public sale or, if a private sale is intended, of the intention of entering into a contract to sell and of the time and date after which a private conveyance may be made. Such notice must also be sent to any other person that has a recorded interest in the unit that would be cut off by the sale, but only if the recorded interest was on record seven weeks before the date specified in the notice as the date of any public sale or seven weeks before the date specified in the notice as the date after which a private sale may be made. The notices required under this subsection may be sent to any address reasonable in the circumstances. A sale may not be held until five weeks after the sending of the notice. The association may buy at any public sale and, if the sale is conducted by a fiduciary or other person not related to the association, at a private sale.

(b) Unless otherwise agreed to or as stated in this section, the unit owner is liable for any deficiency in a foreclosure sale.

(c) The proceeds of a foreclosure sale must be applied in the following order:

(i) The reasonable expenses of sale;

(ii) The reasonable expenses of securing possession before sale; the reasonable expenses of holding, maintaining, and preparing the unit for sale, including payment of taxes and other governmental charges and premiums on insurance; and, to the extent provided for by agreement between the association and the unit owner, reasonable attorneys' fees, costs, and other legal expenses incurred by the association;

(iii) Satisfaction of the association's lien;

(iv) Satisfaction in the order of priority of any subordinate claim of record; and

(v) Remittance of any excess to the unit owner.

(d) A good-faith purchaser for value acquires the unit free of the association's debt that gave rise to the lien under which the foreclosure sale occurred and any subordinate interest, even though the association or other person conducting the sale failed to comply with this section. The person conducting the sale must execute a conveyance to the purchaser sufficient to convey the unit and stating that it is executed by the person after a foreclosure of the association's lien by power of sale and that the person was empowered to make the sale. Signature and title or authority of the person

signing the conveyance as grantor and a recital of the facts of nonpayment of the assessment and of the giving of the notices required under this subsection are sufficient proof of the facts recited and of the authority to sign. Further proof of authority is not required even though the association is named as grantee in the conveyance.

(e) At any time before the association has conveyed a unit in a cooperative or entered into a contract for its conveyance under the power of sale, the unit owners or the holder of any subordinate security interest may cure the unit owner's default and prevent sale or other conveyance by tendering the performance due under the security agreement, including any amounts due because of exercise of a right to accelerate, plus the reasonable expenses of proceeding to foreclosure incurred to the time of tender, including reasonable attorneys' fees and costs of the creditor.

(15) In an action by an association to collect assessments or to foreclose a lien on a unit under this section, the court may appoint a receiver to collect all sums alleged to be due and owing to a unit owner before commencement or during pendency of the action. The receivership is governed under chapter 7.60 RCW. During pendency of the action, the court may order the receiver to pay sums held by the receiver to the association for any assessments against the unit. The exercise of rights under this subsection by the association does not affect the priority of preexisting liens on the unit.

(16) Except as provided in subsection (3) of this section, the holder of a mortgage or other purchaser of a unit who obtains the right of possession of the unit through foreclosure is not liable for assessments or installments of assessments that became due prior to such right of possession. Such unpaid assessments are deemed to be common expenses collectible from all the unit owners, including such mortgagee or other purchaser of the unit. Foreclosure of a mortgage does not relieve the prior unit owner of personal liability for assessments accruing against the unit prior to the date of such sale as provided in this subsection.

(17) In addition to constituting a lien on the unit, each assessment is the joint and several obligation of the unit owner of the unit to which the same are assessed as of the time the assessment is due. A unit owner may not exempt himself or herself from liability for assessments. In a voluntary conveyance other than by foreclosure, the grantee of a unit is jointly and severally liable with the grantor for all unpaid assessments against the grantor up to the time of the grantor's conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee. Suit to recover a personal judgment for any delinquent assessment is maintainable in any court of competent jurisdiction without foreclosing or waiving the lien securing such sums.

(18) The association may from time to time establish reasonable late charges and a rate of interest to be charged, not to exceed the maximum rate calculated under RCW 19.52.020, on all subsequent delinquent assessments or installments of assessments. If the association does not establish such a rate, delinquent assessments bear interest from the date of delinquency at the maximum rate calculated under RCW 19.52.020 on the date on which the assessments became delinquent.

(19) The association is entitled to recover any costs and reasonable attorneys' fees incurred in connection with the collection of delinquent assessments, whether or not such collection activities result in a suit being commenced or prosecuted to judgment. The

prevailing party is also entitled to recover costs and reasonable attorneys' fees in such suits, including any appeals, if it prevails on appeal and in the enforcement of a judgment.

(20) To the extent not inconsistent with this section, the declaration may provide for such additional remedies for collection of assessments as may be permitted by law.

(21)(a) When the association mails to the unit owner by first-class mail the first notice of delinquency for past due assessments to the unit address and to any other address that the owner has provided to the association, the association shall include a first preforeclosure notice that states as follows:

THIS IS A NOTICE OF DELINQUENCY FOR PAST DUE ASSESSMENTS FROM THE UNIT OWNERS ASSOCIATION TO WHICH YOUR HOME BELONGS. THIS NOTICE IS ONE STEP IN A PROCESS THAT COULD RESULT IN YOUR LOSING YOUR HOME.

(b) If, when a delinquent account is referred to an association's attorney, the first preforeclosure notice required under (a) of this subsection has not yet been mailed to the unit owner, the association or the association's attorney shall mail the first preforeclosure notice to the unit owner in order to satisfy the requirement in (a) of this subsection.

(c) Mailing the first preforeclosure notice pursuant to (a) of this subsection does not satisfy the requirement in subsection (22)(b) of this section to mail a second preforeclosure notice at or after the date that assessments have become past due for at least 90 days. The second preforeclosure notice may not be mailed sooner than 60 days after the first preforeclosure notice is mailed.

(22) An association may not commence an action to foreclose a lien on a unit under this section unless:

(a) The unit owner, at the time the action is commenced, owes at least a sum equal to the greater of:

(i) Three months or more of assessments, not including fines, late charges, interest, attorneys' fees, or costs incurred by the

association in connection with the collection of a delinquent owner's account; or

(ii) \$2,000 of assessments, not including fines, late charges, interest, attorneys' fees, or costs incurred by the association in connection with the collection of a delinquent owner's account;

(b) At or after the date that assessments have become past due for at least 90 days, but no sooner than 60 days after the first preforeclosure notice required in subsection (21)(a) of this section is mailed, the association has mailed, by first-class mail, to the owner, at the unit address and to any other address which the owner has provided to the association, a second notice of delinquency, which must include a second preforeclosure notice that contains the same information as the first preforeclosure notice provided to the owner pursuant to subsection (21)(a) of this section. The second preforeclosure notice may not be mailed sooner than 60 days after the first preforeclosure notice required in subsection (21)(a) of this section is mailed;

(c) At least 180 days have elapsed from the date the minimum amount required in (a) of this subsection has accrued; and

(d) The board approves commencement of a foreclosure action specifically against that unit.

(23) Every aspect of a collection, foreclosure, sale, or other conveyance under this section, including the method, advertising, time, date, place, and terms, must be commercially reasonable. [2024 c 321 s 318; 2023 c 214 s 7; 2021 c 222 s 1; 2019 c 238 s 211; 2018 c 277 s 318.]

RCW 64.90.485 Liens—Enforcement—Notice of delinquency—Second notice. (Effective January 1, 2025.) (1) The association has a statutory lien on each unit for any unpaid assessment against the unit from the time such assessment is due.

(2) A lien under this section has priority over all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances that the association creates, assumes, or takes subject to;

(b) Except as otherwise provided in subsection (3) of this section, a security interest on the unit recorded before the date on which the unpaid assessment became due or, in a cooperative, a

security interest encumbering only the unit owner's interest and perfected before the date on which the unpaid assessment became due; and

(c) Liens for real estate taxes and other state or local governmental assessments or charges against the unit or cooperative.

(3) (a) A lien under this section also has priority over the security interests described in subsection (2) (b) of this section to the extent of an amount equal to the following:

(i) The common expense assessments, excluding any amounts for capital improvements, based on the periodic budget adopted by the association pursuant to RCW 64.90.480(1), along with any specially allocated assessments that are properly assessable against the unit under such periodic budget, which would have become due in the absence of acceleration during the six months immediately preceding the institution of proceedings to foreclose either the association's lien or a security interest described in subsection (2) (b) of this section;

(ii) The association's actual costs and reasonable attorneys' fees incurred in foreclosing its lien but incurred after the giving of the notice described in (a) (iii) of this subsection; provided, however, that the costs and reasonable attorneys' fees that will have priority under this subsection (3) (a) (ii) shall not exceed \$2,000 or an amount equal to the amounts described in (a) (i) of this subsection, whichever is less;

(iii) The amounts described in (a) (ii) of this subsection shall be prior only to the security interest of the holder of a security interest on the unit recorded before the date on which the unpaid assessment became due and only if the association has given that holder not less than 60 days' prior written notice that the owner of the unit is in default in payment of an assessment. The notice shall contain:

(A) Name of the borrower;

(B) Recording date of the trust deed or mortgage;

(C) Recording information;

(D) Name of condominium, unit owner, and unit designation stated in the declaration or applicable supplemental declaration;

(E) Amount of unpaid assessment; and

(F) A statement that failure to, within 60 days of the written notice, submit the association payment of six months of assessments as described in (a) (i) of this subsection will result in the priority of the amounts described in (a) (ii) of this subsection; and

(iv) Upon payment of the amounts described in (a) (i) and (ii) of this subsection by the holder of a security interest, the association's lien described in this subsection (3) (a) shall thereafter be fully subordinated to the lien of such holder's security interest on the unit.

(b) For the purposes of this subsection:

(i) "Institution of proceedings" means either:

(A) The date of recording of a notice of trustee's sale by a deed of trust beneficiary;

(B) The date of commencement, pursuant to applicable court rules, of an action for judicial foreclosure either by the association or by the holder of a recorded security interest; or

(C) The date of recording of a notice of intention to forfeit in a real estate contract forfeiture proceeding by the vendor under a real estate contract.

(ii) "Capital improvements" does not include making, in the ordinary course of management, repairs to common elements or

replacements of the common elements with substantially similar items, subject to: (A) Availability of materials and products, (B) prevailing law, or (C) sound engineering and construction standards then prevailing.

(c) The adoption of a periodic budget that purports to allocate to a unit any fines, late charges, interest, attorneys' fees and costs incurred for services unrelated to the foreclosure of the association's lien, other collection charges, or specially allocated assessments assessed under RCW 64.90.480 (6) or (7) does not cause any such items to be included in the priority amount affecting such unit.

(4) Subsections (2) and (3) of this section do not affect the priority of mechanics' or material suppliers' liens to the extent that law of this state other than chapter 277, Laws of 2018 gives priority to such liens, or the priority of liens for other assessments made by the association.

(5) A lien under this section is not subject to chapter 6.13 RCW.

(6) If the association forecloses its lien under this section nonjudicially pursuant to chapter 61.24 RCW, as provided under subsection (13) of this section, the association is not entitled to the lien priority provided for under subsection (3) of this section, and is subject to the limitations on deficiency judgments as provided in chapter 61.24 RCW.

(7) Unless the declaration provides otherwise, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority as to each other, and any foreclosure of one such lien shall not affect the lien of the other.

(8) Recording of the declaration constitutes record notice and perfection of the statutory lien created under this section. Further notice or recordation of any claim of lien for assessment under this section is not required, but is not prohibited.

(9) A lien for unpaid assessments and the personal liability for payment of those assessments are extinguished unless proceedings to enforce the lien or collect the debt are instituted within six years after the full amount of the assessments sought to be recovered becomes due.

(10) This section does not prohibit actions against unit owners to recover sums for which subsection (1) of this section creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

(11) The association upon written request must furnish to a unit owner or a mortgagee a statement signed by an officer or authorized agent of the association setting forth the amount of unpaid assessments or the priority amount against that unit, or both. The statement must be furnished within 15 days after receipt of the request and is binding on the association, the board, and every unit owner unless, and to the extent, known by the recipient to be false. The liability of a recipient who reasonably relies upon the statement must not exceed the amount set forth in any statement furnished pursuant to this section or RCW 64.90.640(1)(b).

(12) In a cooperative, upon nonpayment of an assessment on a unit, the unit owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and the lien may be foreclosed as provided under this section.

(13) The association's lien may be foreclosed in accordance with (a) and (b) of this subsection.

(a) In a common interest community other than a cooperative, the association's lien may be foreclosed judicially in accordance with chapter 61.12 RCW, subject to any rights of redemption under chapter 6.23 RCW.

(b) The lien may be enforced nonjudicially in the manner set forth in chapter 61.24 RCW for nonjudicial foreclosure of deeds of trust if the declaration: Contains a grant of the common interest community in trust to a trustee qualified under RCW 61.24.010 to secure the obligations of the unit owners to the association for the payment of assessments, contains a power of sale, provides in its terms that the units are not used principally for agricultural purposes, and provides that the power of sale is operative in the case of a default in the obligation to pay assessments. The association or its authorized representative may purchase the unit at the foreclosure sale and acquire, hold, lease, mortgage, or convey the unit. Upon an express waiver in the complaint of any right to a deficiency judgment in a judicial foreclosure action, the period of redemption is eight months.

(c) In a cooperative in which the unit owners' interests in the units are real estate, the association's lien must be foreclosed in like manner as a mortgage on real estate or by power of sale under (b) of this subsection.

(d) In a cooperative in which the unit owners' interests in the units are personal property, the association's lien must be foreclosed in like manner as a security interest under chapter 62A.9A RCW.

(e) No member of the association's board, or their immediate family members or affiliates, are eligible to bid for or purchase, directly or indirectly, any interest in a unit at a foreclosure of the association's lien. For the purposes of this subsection, "immediate family member" includes spouses, domestic partners, children, siblings, parents, parents-in-law, and stepfamily members; and "affiliate" of a board member includes any person controlled by the board member, including any entity in which the board member is a general partner, managing member, majority member, officer, or director. Nothing in this subsection prohibits an association from bidding for or purchasing interest in a unit at a foreclosure of the association's lien.

(14) If the unit owner's interest in a unit in a cooperative is real estate, the following requirements apply:

(a) The association, upon nonpayment of assessments and compliance with this subsection, may sell that unit at a public sale or by private negotiation, and at any time and place. The association must give to the unit owner and any lessee of the unit owner reasonable notice in a record of the time, date, and place of any public sale or, if a private sale is intended, of the intention of entering into a contract to sell and of the time and date after which a private conveyance may be made. Such notice must also be sent to any other person that has a recorded interest in the unit that would be cut off by the sale, but only if the recorded interest was on record seven weeks before the date specified in the notice as the date of any public sale or seven weeks before the date specified in the notice as the date after which a private sale may be made. The notices required under this subsection may be sent to any address reasonable in the circumstances. A sale may not be held until five weeks after the sending of the notice. The association may buy at any public sale and, if the sale is conducted by a fiduciary or other person not related to the association, at a private sale.

(b) Unless otherwise agreed to or as stated in this section, the unit owner is liable for any deficiency in a foreclosure sale.

(c) The proceeds of a foreclosure sale must be applied in the following order:

(i) The reasonable expenses of sale;

(ii) The reasonable expenses of securing possession before sale; the reasonable expenses of holding, maintaining, and preparing the unit for sale, including payment of taxes and other governmental charges and premiums on insurance; and, to the extent provided for by agreement between the association and the unit owner, reasonable attorneys' fees, costs, and other legal expenses incurred by the association;

(iii) Satisfaction of the association's lien;

(iv) Satisfaction in the order of priority of any subordinate claim of record; and

(v) Remittance of any excess to the unit owner.

(d) A good-faith purchaser for value acquires the unit free of the association's debt that gave rise to the lien under which the foreclosure sale occurred and any subordinate interest, even though the association or other person conducting the sale failed to comply with this section. The person conducting the sale must execute a conveyance to the purchaser sufficient to convey the unit and stating that it is executed by the person after a foreclosure of the association's lien by power of sale and that the person was empowered to make the sale. Signature and title or authority of the person signing the conveyance as grantor and a recital of the facts of nonpayment of the assessment and of the giving of the notices required under this subsection are sufficient proof of the facts recited and of the authority to sign. Further proof of authority is not required even though the association is named as grantee in the conveyance.

(e) At any time before the association has conveyed a unit in a cooperative or entered into a contract for its conveyance under the power of sale, the unit owners or the holder of any subordinate security interest may cure the unit owner's default and prevent sale or other conveyance by tendering the performance due under the security agreement, including any amounts due because of exercise of a right to accelerate, plus the reasonable expenses of proceeding to foreclosure incurred to the time of tender, including reasonable attorneys' fees and costs of the creditor.

(15) In an action by an association to collect assessments or to foreclose a lien on a unit under this section, the court may appoint a receiver to collect all sums alleged to be due and owing to a unit owner before commencement or during pendency of the action. The receivership is governed under chapter 7.60 RCW. During pendency of the action, the court may order the receiver to pay sums held by the receiver to the association for any assessments against the unit. The exercise of rights under this subsection by the association does not affect the priority of preexisting liens on the unit.

(16) Except as provided in subsection (3) of this section, the holder of a mortgage or other purchaser of a unit who obtains the right of possession of the unit through foreclosure is not liable for assessments or installments of assessments that became due prior to such right of possession. Such unpaid assessments are deemed to be common expenses collectible from all the unit owners, including such mortgagee or other purchaser of the unit. Foreclosure of a mortgage does not relieve the prior unit owner of personal liability for

assessments accruing against the unit prior to the date of such sale as provided in this subsection.

(17) In addition to constituting a lien on the unit, each assessment is the joint and several obligation of the unit owner of the unit to which the same are assessed as of the time the assessment is due. A unit owner may not exempt himself or herself from liability for assessments. In a voluntary conveyance other than by foreclosure, the grantee of a unit is jointly and severally liable with the grantor for all unpaid assessments against the grantor up to the time of the grantor's conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee. Suit to recover a personal judgment for any delinquent assessment is maintainable in any court of competent jurisdiction without foreclosing or waiving the lien securing such sums.

(18) The association may from time to time establish reasonable late charges and a rate of interest to be charged, not to exceed the maximum rate calculated under RCW 19.52.020, on all subsequent delinquent assessments or installments of assessments. If the association does not establish such a rate, delinquent assessments bear interest from the date of delinquency at the maximum rate calculated under RCW 19.52.020 on the date on which the assessments became delinquent.

(19) The association is entitled to recover any costs and reasonable attorneys' fees incurred in connection with the collection of delinquent assessments, whether or not such collection activities result in a suit being commenced or prosecuted to judgment. The prevailing party is also entitled to recover costs and reasonable attorneys' fees in such suits, including any appeals, if it prevails on appeal and in the enforcement of a judgment.

(20) To the extent not inconsistent with this section, the declaration may provide for such additional remedies for collection of assessments as may be permitted by law.

(21)(a) When the association mails to the unit owner by first-class mail the first notice of delinquency for past due assessments to the unit address and to any other address that the owner has provided to the association, the association shall include a first preforeclosure notice that states as follows:

THIS IS A NOTICE OF DELINQUENCY FOR PAST DUE ASSESSMENTS FROM THE UNIT OWNERS ASSOCIATION TO WHICH YOUR HOME BELONGS. THIS NOTICE IS ONE STEP IN A PROCESS THAT COULD RESULT IN YOUR LOSING YOUR HOME. (b) If, when a delinquent account is referred to an association's attorney, the first preforeclosure notice required under (a) of this subsection has not yet been mailed to the unit owner, the association or the association's attorney shall mail the first preforeclosure notice to the unit owner in order to satisfy the requirement in (a) of this subsection.

(c) Mailing the first preforeclosure notice pursuant to (a) of this subsection does not satisfy the requirement in subsection (22)(b) of this section to mail a second preforeclosure notice at or after the date that assessments have become past due for at least 90 days. The second preforeclosure notice may not be mailed sooner than 60 days after the first preforeclosure notice is mailed.

(22) An association may not commence an action to foreclose a lien on a unit under this section unless:

(a) The unit owner, at the time the action is commenced, owes at least a sum equal to the greater of:

(i) Three months or more of assessments, not including fines, late charges, interest, attorneys' fees, or costs incurred by the association in connection with the collection of a delinquent owner's account; or

(ii) \$2,000 of assessments, not including fines, late charges, interest, attorneys' fees, or costs incurred by the association in connection with the collection of a delinquent owner's account;

(b) At or after the date that assessments have become past due for at least 90 days, but no sooner than 60 days after the first preforeclosure notice required in subsection (21)(a) of this section is mailed, the association has mailed, by first-class mail, to the owner, at the unit address and to any other address which the owner has provided to the association, a second notice of delinquency, which must include a second preforeclosure notice that contains the same information as the first preforeclosure notice provided to the owner pursuant to subsection (21)(a) of this section. The second preforeclosure notice may not be mailed sooner than 60 days after the first preforeclosure notice required in subsection (21)(a) of this section is mailed;

(c) At least 90 days have elapsed from the date the minimum amount required in (a) of this subsection has accrued; and

(d) The board approves commencement of a foreclosure action specifically against that unit.

(23) Every aspect of a collection, foreclosure, sale, or other conveyance under this section, including the method, advertising, time, date, place, and terms, must be commercially reasonable. [2024 c 321 s 319; 2023 c 214 s 8; 2021 c 222 s 2; 2021 c 222 s 1; 2019 c 238 s 211; 2018 c 277 s 318.]

Effective dates—2024 c 321 ss 319 and 401-432: "(1) Section 319 of this act takes effect January 1, 2025.

(2) Sections 401 through 432 of this act take effect January 1, 2028." [2024 c 321 s 512.]

Effective date—2023 c 214 ss 2, 4, 6, and 8: See note following RCW 64.32.200.

Effective date—2021 c 222 ss 2, 4, 6, and 8: "Sections 2, 4, 6, and 8 of this act take effect January 1, 2025." [2023 c 214 s 10; 2021 c 222 s 10.]

RCW 64.90.490 Other liens. (1) In a condominium, plat community, and miscellaneous community:

(a) Except as otherwise provided in (b) of this subsection, a judgment for money against the association perfected under RCW 4.64.020 is not a lien on the common elements, but is a lien in favor of the judgment lienholder against all of the other real estate of the association and all of the units in the common interest community at the time the judgment was entered. Other property of a unit owner is not subject to the claims of creditors of the association.

(b) If the association has granted a security interest in the common elements to a creditor of the association pursuant to RCW 64.90.465, the holder of that security interest must exercise its right against the common elements before its judgment lien on any unit may be enforced.

(c) Whether perfected before or after the creation of the common interest community, if a lien, other than a deed of trust or mortgage, including a judgment lien or lien attributable to work performed or materials supplied before creation of the common interest community, becomes effective against two or more units, the unit owner of an affected unit may pay to the lienholder the amount of the lien attributable to the unit, and the lienholder, upon receipt of payment, must promptly deliver a release of the lien covering that unit. The amount of the payment must be proportionate to the ratio that the unit owner's common expense liability bears to the common expense liabilities of all unit owners that are subject to the lien. After payment, the association may not assess or have a lien against that unit owner's unit for any portion of the common expenses incurred in connection with that lien.

(d) A judgment against the association must be recorded and indexed in the name of the common interest community and the association and, when so indexed, is notice of the lien against the units.

(2) In a cooperative:

(a) If the association receives notice of an impending foreclosure on all or any portion of the association's real estate, the association must promptly transmit a copy of that notice to each unit owner of a unit located within the real estate to be foreclosed. Failure of the association to transmit the notice does not affect the validity of the foreclosure.

(b) Whether a unit owner's unit is subject to the claims of the association's creditors, other property of a unit owner is not subject to those claims. [2018 c 277 s 319.]

RCW 64.90.495 Association records. (1) An association must retain the following:

(i) During reasonable business hours and at the offices of the association or its managing agent, or at a mutually convenient time and location; and

(l) Any information which would compromise the secrecy of a ballot cast under RCW 64.90.455(9).

(4) In addition to the requirements in subsection (3) of this section, an association must, prior to disclosure of the list of unit owners required to be retained by an association under subsection (1)(c) of this section, redact or otherwise remove the address of any unit owner or resident who is known to the association to be a participant in the address confidentiality program described in chapter 40.24 RCW or any similar program established by law.

(5)(a) Except as provided in (b) of this subsection, an association may charge a reasonable fee for producing and providing copies of any records under this section and for supervising the unit owner's inspection.

(b) A unit owner is entitled to receive a free annual electronic or written copy of the list retained under subsection (1)(c) of this section from the association.

(8) Information provided pursuant to this section may not be used for commercial purposes.

(9) An association's managing agent must deliver all of the association's original books and records to the association upon termination of its management relationship with the association, or upon such other demand as is made by the board. An association managing agent may keep copies of the association records at its own expense. [2024 c 321 s 320; 2023 c 409 s 4; 2018 c 277 s 320.]

RCW 64.90.500 Association as trustee. With respect to a third person dealing with the association in the association's capacity as a trustee, the existence of trust powers and their proper exercise by the association may be assumed without inquiry. A third person is not bound to inquire whether the association has power to act as trustee or is properly exercising trust powers. A third person, without actual knowledge that the association is exceeding or improperly exercising its powers, is fully protected in dealing with the association as if it possessed and properly exercised the powers it purports to exercise. A third person is not bound to assure the proper application of trust assets paid or delivered to the association in its capacity as trustee. [2018 c 277 s 321.]

RCW 64.90.502 Emergency. (1) In this section, "emergency" means an event or condition or a state of emergency declared by a government for an area that includes the common interest community that constitutes an imminent:

(a) Threat to the health or safety of the public or residents of the common interest community;

(b) Threat to the habitability of units; or

(c) Risk of substantial economic loss to the association.

(2) In an emergency, this section governs the authority of a board to respond to the emergency. If another provision of this chapter is inconsistent with this section, this section prevails.

(3) The board may call a unit owner's meeting to respond to an emergency by giving notice to the unit owners in a manner that is practicable and appropriate under the circumstances.

(4) The board may call a board meeting to respond to an emergency by giving notice to the unit owners and board members in a manner that is practicable and appropriate under the circumstances. A quorum is not required for a meeting under this subsection. After giving notice under this subsection, the board may take action by vote without a meeting.

(5) In an emergency, the board may, without regard to limitations in the governing documents, take action it considers necessary, as a result of the emergency, to protect the interests of the unit owners and other persons holding interests in the common interest community, acting in a manner reasonable under the circumstances.

(6) If, under subsection (5) of this section, the board determines by a two-thirds vote that a special assessment is necessary:

(a) The assessment becomes effective immediately or in accordance with the terms of the vote; and

(b) The board may spend funds paid on the assessment only in accordance with the action taken by the board.

(7) The board may use funds of the association, including reserves, to pay the reasonable costs of an action under subsection (5) of this section.

(8) After taking an action under this section, the board shall promptly notify the unit owners of the action in a manner that is practicable and appropriate under the circumstances. [2024 c 321 s 321.]

RCW 64.90.505 Rules—Notice. (1) Unless the declaration provides otherwise, the board must, before adopting, amending, or repealing any rule, give all unit owners notice of:

(a) Its intention to adopt, amend, or repeal a rule and provide the text of the rule or the proposed change; and

(b) A date on which the board will act on the proposed rule or amendment after considering comments from unit owners.

(2) Following adoption, amendment, or repeal of a rule, the association must give notice to the unit owners of its action and provide a copy of any new or revised rule.

(3) If the declaration so provides, an association may adopt rules to establish and enforce construction and design criteria and aesthetic standards and, if so, must adopt procedures for enforcement of those standards and for approval of construction applications, including a reasonable time within which the association must act after an application is submitted and the consequences of its failure to act.

(4) An association's internal business operating procedures need not be adopted as rules.

(5) Every rule must be reasonable. [2018 c 277 s 322.]

(1)(a) An association may not prohibit display of the flag of the United States, or the flag of Washington state, on or within a unit or a limited common element, except that an association may adopt reasonable restrictions pertaining to the time, place, or manner of displaying the flag of the United States necessary to protect a substantial interest of the association.

(b) The association may not prohibit the installation of a flagpole for the display of the flag of the United States, or the flag of Washington state, on or within a unit or a limited common element, except that an association may adopt reasonable rules and regulations pertaining to the location and the size of the flagpole.

(c) For purposes of this section, "flag of the United States" means the flag of the United States as described in 4 U.S.C. Sec. 1 et seq. that is made of fabric, cloth, or paper. "Flag of the United States" does not mean a flag, depiction, or emblem made of lights, paint, roofing, siding, paving materials, flora, or balloons, or of any similar building, landscaping, or decorative components.

(2) An association may not prohibit display of signs, including outdoor signs, regarding candidates for public or association office, or ballot issues, on or within a unit or limited common element, but an association may adopt reasonable rules pertaining to the placement and manner of those displays.

(3) The association may not prohibit the installation of a solar energy panel on or within a unit so long as the solar panel:

(a) Meets applicable health and safety standards and requirements imposed by state and local permitting authorities;

(b) If used to heat water, is certified by the solar rating certification corporation or another nationally recognized certification agency. Certification must be for the solar energy panel and for installation; and

(c) If used to produce electricity, meets all applicable safety and performance standards established by the national electric code, the institute of electrical and electronics engineers, accredited testing laboratories, such as underwriters laboratories, and, where applicable, rules of the utilities and transportation commission regarding safety and reliability.

(4) The association may not prohibit a unit owner from storing containers for municipal or private collection, such as compost, garbage, and recycling receptacles, in any private garage, side yard, or backyard reserved for the exclusive use of a unit. However, the association may adopt and enforce rules requiring that such receptacles be screened from view and establishing acceptable dates and times that such receptacles may be presented for collection.

(5) The governing documents may:

(a) Prohibit the visibility of any part of a roof-mounted solar energy panel above the roof line;

(b) Permit the attachment of a solar energy panel to the slope of a roof facing a street only if:

(i) The solar energy panel conforms to the slope of the roof; and

(ii) The top edge of the solar energy panel is parallel to the roof ridge; and

(c) Require:

(i) A solar energy panel frame, a support bracket, or any visible piping or wiring to be painted to coordinate with the roofing material;

(ii) A unit owner or resident to shield a ground-mounted solar energy panel if shielding the panel does not prohibit economic installation of the solar energy panel or degrade the operational performance quality of the solar energy panel by more than 10 percent; and

(iii) Unit owners or residents who install solar energy panels to indemnify or reimburse the association or its members for loss or

damage caused by the installation, maintenance, or use of a solar energy panel.

(6) The governing documents may include other reasonable rules regarding the placement and manner of a solar energy panel.

(7) For purposes of this section, "solar energy panel" means a panel device or system or combination of panel devices or systems that relies on direct sunlight as an energy source, including a panel device or system or combination of panel devices or systems that collects sunlight for use in:

- (a) The heating or cooling of a structure or building;
- (b) The heating or pumping of water;

(8) This section must not be construed to permit installation by a unit owner of a solar panel on or in common elements without approval of the board.

(9) Unit owners may peacefully assemble on the common elements to consider matters related to the common interest community, but the association may adopt rules governing the time, place, and manner of those assemblies.

(10) An association may adopt rules that affect the use or occupancy of or behavior in units that may be used for residential purposes, only to:

- (a) Implement a provision of the declaration;
- (b) Regulate any behavior in or occupancy of a unit that violates the declaration or adversely affects the use and enjoyment of other units or the common elements by other occupants; and
- (c) Restrict the leasing of residential units to the extent those rules are reasonably designed to meet underwriting requirements of institutional lenders that regularly make loans secured by first mortgages on units in comparable common interest communities or that regularly purchase those mortgages. [2024 c 321 s 322; 2018 c 277 s 323.]

RCW 64.90.511 Governing documents—Unlawful restriction,

removal. (1) The board of an association may, without a vote of the unit owners, amend the governing documents to remove an unlawful restriction.

(2) A unit owner may request, in a record that sufficiently identifies an unlawful restriction in the governing document, that the board exercise its authority under subsection (1) of this section. Not later than 90 days after the board receives the request, the board shall determine reasonably and in good faith whether the governing document includes the unlawful restriction. If the board determines the governing document includes the unlawful restriction, the board not later than 90 days after the determination shall amend the governing document to remove the unlawful restriction.

(3) Notwithstanding any provision of the governing document or other law of this state, the board may execute an amendment under this section.

(4) An amendment under this section is effective notwithstanding any provision of the governing document or other law of this state that requires a vote of the unit owners to amend the governing document.

(5) For purposes of this section and RCW 64.90.5111:

(a) "Amendment" means a document that removes an unlawful restriction.

(b) "Document" means a record recorded or eligible to be recorded in land records.

(c) "Remove" means eliminate any apparent or purportedly continuing effect on title to real property.

(i) On the basis of race, color, religion, national origin, sex, familial status, disability, or other personal characteristics; and

(ii) In violation of other law of this state or federal law.
[2024 c 321 s 101.]

RCW 64.90.5111 Governing documents—Unlawful restriction—

Amendment. (1) An amendment under RCW 64.90.511 must identify the association of owners, the real property affected, and the document containing the unlawful restriction. The amendment must include a conspicuous statement in substantially the following form:

"This amendment removes from this deed or other document affecting title to real property an unlawful restriction as defined under RCW 64.90.511. This amendment does not affect the validity or enforceability of a restriction that is not an unlawful restriction."

(2) The amendment must be executed and acknowledged in the manner required for recordation of a document in the land records. The amendment must be recorded in the land records of each county in which the document containing the unlawful restriction is recorded.

(3) The amendment does not affect the validity or enforceability of any restriction that is not an unlawful restriction.

(4) The amendment or a future conveyance of the affected real property is not a republication of a restriction that otherwise would expire by passage of time under other law of this state. [2024 c 321 s 102.]

RCW 64.90.512 Installation of drought resistant landscaping, pollinator habitat, or wildfire ignition resistant landscaping.

(1)(a) The declaration of a common interest ownership and any governing documents adopted by an association may not prohibit the installation of drought resistant landscaping, pollinator habitat, including beehives compliant with local regulation, or wildfire ignition resistant landscaping. However, the declaration or governing documents may include reasonable rules regarding the placement and aesthetic appearance of drought resistant landscaping, pollinator habitat, or wildfire ignition resistant landscaping, as long as the rules do not render the use of drought resistant landscaping, pollinator habitat, or wildfire ignition resistant landscaping unreasonably costly or otherwise effectively infeasible.

(b) This subsection does not apply to condominium associations.

(2) If a property is located within the geographic designation of an order of a drought condition issued by the department of ecology under RCW 43.83B.405, an association may not impose a fine or assessment against an owner, or resident on the owner's property, for reducing or eliminating the watering of vegetation or lawns for the duration of the drought condition order.

(3) Nothing in this section may be construed to prohibit or restrict the establishment and maintenance of a fire buffer within the building ignition zone.

(4) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Building ignition zone" means a building and surrounding area up to two hundred feet from the foundation.

(b) "Drought resistant landscaping" means the use of any noninvasive vegetation adapted to arid or dry conditions, stone, or landscaping rock.

(c) "Firewise" means the firewise communities program developed by the national fire protection association, which encourages local solutions for wildfire safety by involving homeowners, community leaders, planners, developers, firefighters, and others in the effort to protect people and property from wildfire risks.

(d) "Pollinator habitat" means an area of land that is or may be developed as habitat beneficial for the feeding, nesting, and reproduction of all pollinators. "Pollinator habitat" does not include beehives, except for mason bee houses.

(e) "Wildfire ignition resistant landscaping" includes:

(i) Any landscaping tools or techniques, or noninvasive vegetation, that do not readily ignite from a flame or other ignition source; or

(ii) The use of firewise methods to reduce ignition risk in a building ignition zone. [2024 c 337 s 5; 2020 c 9 s 4.]

Findings—Intent—2020 c 9: See note following RCW 64.38.057.

RCW 64.90.513 Electric vehicle charging stations. (1)(a) A unit owners association may not adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that:

(i) Effectively prohibits or unreasonably restricts the installation or use of an electric vehicle charging station in compliance with the requirements of this section and for the personal noncommercial use of a unit owner, within the boundaries of a unit or in a designated parking space; or

(ii) Is in conflict with the provisions of this section.

(b) Nothing in this section prohibits an association from imposing reasonable restrictions on electric vehicle charging stations. However, it is the policy of the state to promote, encourage, and remove obstacles to the use of electric vehicle charging stations.

(2) A unit owners association may require a unit owner to submit an application for approval for the installation of an electric vehicle charging station before installing the charging station.

(3)(a) If approval is required for the installation or use of an electric vehicle charging station, the application for approval must be processed and approved in the same manner as an application for approval of an architectural modification.

(b) The approval or denial of an application must be in writing and must not be willfully avoided or delayed.

(c) If an application is not denied in writing within 60 days from the date of receipt of the application, the application is deemed

approved, unless that delay is the result of a reasonable request for additional information.

(d) An association may not assess or charge a unit owner a fee for the placement of an electric vehicle charging station. An association may charge a reasonable fee for processing the application to approve the installation of an electric vehicle charging station, but only if such a fee exists for all applications for approval of architectural modifications.

(4) If approval is required for the installation or use of an electric vehicle charging station, a unit owners association must approve the installation within the boundaries of a unit or in a designated parking space if the installation is reasonably possible and the unit owner agrees in writing to:

(a) Comply with the association's reasonable architectural standards applicable to the installation of the electric vehicle charging station;

(b) Engage an electrical contractor familiar with the standards for the installation of electric vehicle infrastructure to assess the existing infrastructure necessary to support the proposed electric vehicle charging station, identify additional infrastructure needs, and install the electric vehicle charging station;

(c) (i) Provide, within the time specified in (c) (ii) of this subsection, a certificate of insurance naming the association as an additional insured on the unit owner's insurance policy for any claim related to the installation, maintenance, or use of the electric vehicle charging station in a common interest community other than an association of single-family homes, site condominiums, or a planned use development where the units are not immediately adjacent;

(ii) A certificate of insurance required under (c) (i) of this subsection must be provided within 14 days after the association approves the installation of the electric vehicle charging station. Reimbursement for an increased insurance premium amount under (c) (i) of this subsection must be provided within 14 days after the unit owner receives the association's invoice for the amount attributable to the charging station;

(d) Register the electric vehicle charging station with the association within 30 days after installation;

(e) Pay for the electricity usage associated with the electric vehicle charging station and the required means to facilitate payment for the electricity; and

(f) Comply with the requirements of this section.

(5) (a) A unit owner must obtain any permit or approval for an electric vehicle charging station as required by the local government in which the common interest community is located and comply with all relevant building codes and safety standards.

(b) An electric vehicle charging station must meet all applicable health and safety standards and requirements imposed by national, state, or local authorities, and all other applicable zoning, land use or other ordinances, building codes, or land use permits.

(6) (a) Unless otherwise agreed to by written contract with the unit owners association, a unit owner is responsible for the costs of installing an electric vehicle charging station.

(b) Electric vehicle charging station equipment that is installed at the unit owner's cost and is removable without damage to the property owned by others may be removed at the unit owner's cost. Nothing in this subsection requires the association to purchase the electric vehicle charging station.

(7) A unit owner must disclose to any prospective buyers of the unit:

(a) The existence of an electric vehicle charging station and the related responsibilities of the owner under this section; and

(b) Whether the electric vehicle charging station is removable and whether the owner intends to remove the charging station.

(8) The owner and each successive owner of an electric vehicle charging station is responsible for:

(a) Costs for the maintenance, repair, and replacement of the electric vehicle charging station up until the station is removed;

(b) Costs for damage to the electric vehicle charging station, any unit, common element, or limited common element resulting from the installation, use, maintenance, repair, removal, or replacement of the electric vehicle charging station;

(c) The cost of electricity associated with the electric vehicle charging station;

(d) Obtaining and maintaining an insurance policy that meets the requirements in subsection (4) (c) of this section;

(e) If the owner decides to remove the electric vehicle charging station, costs for the removal and the restoration of the common element or limited common element after the removal; and

(f) Removing the electric vehicle charging station if reasonably necessary for the repair, maintenance, or replacement of the common element or limited common element.

(9) A unit owners association may install an electric vehicle charging station in the common elements for the use of all unit owners and, in that case, the association must develop appropriate terms of use for the charging station.

(10) (a) A unit owners association that willfully violates this section is liable to the unit owner for actual damages, and shall pay a civil penalty to the unit owner in an amount not to exceed \$1,000.

(b) In any action by a unit owner requesting to have an electric vehicle charging station installed and seeking to enforce compliance with this section, the court shall award reasonable attorneys' fees and costs to any prevailing unit owner.

(11) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Designated parking space" means a parking space that is specifically designated for use by a particular unit owner, including a garage, a deeded parking space, and a parking space in a limited common element that is restricted for use by one or more unit owners.

(b) "Electric vehicle charging station" means a station that delivers electricity from a source outside an electric vehicle into one or more electric vehicles. An electric vehicle charging station may include several charge points simultaneously connecting several electric vehicles to the station and any related equipment needed to facilitate charging plug-in electric vehicles.

(c) "Reasonable restriction" means a restriction that does not significantly increase the cost of an electric vehicle charging station or significantly decrease its efficiency or specified performance. [2022 c 27 s 4.]

RCW 64.90.515 Notice. (1) Notice to the association, board, or any owner or occupant of a unit under this chapter must be provided in the form of a record.

(2) Notice provided in a tangible medium may be transmitted by mail, private carrier, or personal delivery; telegraph or teletype; or telephone, wire, or wireless equipment that transmits a facsimile of the notice.

(a) Notice in a tangible medium to an association may be addressed to the association's registered agent at its registered office, to the association at its principal office shown in its most recent annual report or provided by notice to the unit owners, or to the president or secretary of the association at the address shown in the association's most recent annual report or provided by notice to the unit owners.

(b) Notice in a tangible medium to a unit owner or occupant must be addressed to the unit address unless the unit owner or occupant has requested, in a record delivered to the association, that notices be sent to an alternate address or by other method allowed by this section and the governing documents.

(3) Notice may be provided in an electronic transmission as follows:

(a) Notice to unit owners or board members by electronic transmission is effective only upon unit owners and board members who have consented, in the form of a record, to receive electronically transmitted notices under this chapter and have designated in the consent the address, location, or system to which such notices may be electronically transmitted, provided that such notice otherwise complies with any other requirements of this chapter and applicable law. An owner's consent under this subsection (3)(a), and any other notice in the form of a record delivered to the association from time to time, may indicate whether the owner elects to keep the owner's electronic address confidential and exempt from disclosure by the association pursuant to RCW 64.90.495(2). Failure to deliver such notice permits disclosure by the association.

(b) Notice to unit owners or board members under this subsection includes material that this chapter or the governing documents requires or permits to accompany the notice.

(c) A unit owner or board member who has consented to receipt of electronically transmitted notices may revoke this consent by delivering a revocation to the association in the form of a record.

(d) The consent of any unit owner or board member is revoked if: The association is unable to electronically transmit two consecutive notices given by the association in accordance with the consent, and this inability becomes known to the secretary of the association or any other person responsible for giving the notice. The inadvertent failure by the association to treat this inability as a revocation does not invalidate any meeting or other action.

(e) Notice to unit owners or board members who have consented to receipt of electronically transmitted notices may be provided by posting the notice on an electronic network and delivering to the unit owner or board member a separate record of the posting, together with comprehensible instructions regarding how to obtain access to the posting on the electronic network.

(f) Notice to an association in an electronic transmission is effective only with respect to an association that has designated in a record an address, location, or system to which the notices may be electronically transmitted.

(4) Notice may be given by any other method reasonably calculated to provide notice to the recipient.

(5) Notice is effective as follows:

(a) Notice provided in a tangible medium is effective as of the date of hand delivery, deposit with the carrier, or when sent by fax.

(b) Notice provided in an electronic transmission is effective as of the date it:

(i) Is electronically transmitted to an address, location, or system designated by the recipient for that purpose; or

(ii) Has been posted on an electronic network and a separate record of the posting has been sent to the recipient containing instructions regarding how to obtain access to the posting on the electronic network.

(6) The ineffectiveness of a good faith effort to deliver notice by an authorized means does not invalidate action taken at or without a meeting.

(7) If this chapter prescribes different or additional notice requirements for particular circumstances, those requirements govern. [2024 c 321 s 323; 2018 c 277 s 324.]

RCW 64.90.518 Board members—Election—Notice. (1)

Notwithstanding any contrary provision in the declaration or organizational documents, prior to an election of board members, the association must provide notice to all unit owners of the following:

(a) The number of board positions that may be filled;

(b) The qualifications to be a board candidate, if any; and

(c) The process, manner, and deadline for submitting nominations.

(2) If the board determines that any nominee is not a qualified candidate, the board shall notify the nominee of the basis for the disqualification, and the procedure for appealing the disqualification. [2024 c 321 s 313.]

RCW 64.90.520 Officers and board members—Removal. (1)

Unit owners present in person, by proxy, by means of communication under RCW 64.90.445(1) (e) or (f), or by absentee ballot at any meeting of the unit owners at which a quorum is present, may remove any board member and any officer elected by the unit owners, with or without cause, if the number of votes in favor of removal cast by unit owners entitled to vote for election of the board member or officer proposed to be removed is at least the lesser of (a) a majority of the votes in the association held by such unit owners or (b) two-thirds of the votes cast by such unit owners at the meeting, but:

(i) A board member appointed by the declarant may not be removed by a unit owner vote during any period of declarant control;

(ii) A board member appointed under RCW 64.90.410(7) may be removed only by the person that appointed that member; and

(iii) The unit owners may not consider whether to remove a board member or officer at a meeting of the unit owners unless that subject was listed in the notice of the meeting.

(2) At any meeting at which a vote to remove a board member or officer is to be taken, the board member or officer being considered for removal must have a reasonable opportunity to speak before the vote.

(3) At any meeting at which a board member or officer is removed, the unit owners entitled to vote for the board member or officer may immediately elect a successor board member or officer consistent with this chapter.

(4) The board may, without a unit owner vote, remove from the board a board member or officer elected by the unit owners if (a) the board member or officer is delinquent in the payment of assessments more than 60 days and (b) the board member or officer has not cured the delinquency within 30 days after receiving notice of the board's intent to remove the board member or officer. Unless provided otherwise by the governing documents, the board may remove an officer elected by the board at any time, with or without cause. The removal must be recorded in the minutes of the next board meeting. [2024 c 321 s 208; 2018 c 277 s 325.]

RCW 64.90.525 Budgets—Assessments—Special assessments. (1) (a) Within thirty days after adoption of any proposed budget for the common interest community, the board must provide a copy of the budget to all the unit owners and set a date for a meeting of the unit owners to consider ratification of the budget not less than fourteen nor more than fifty days after providing the budget. Unless at that meeting the unit owners of units to which a majority of the votes in the association are allocated or any larger percentage specified in the declaration reject the budget, the budget and the assessments against the units included in the budget are ratified, whether or not a quorum is present.

(b) If the proposed budget is rejected or the required notice is not given, the periodic budget last ratified by the unit owners continues until the unit owners ratify a subsequent budget proposed by the board.

(2) The budget must include:

(a) The projected income to the association by category;

(b) The projected common expenses and those specially allocated expenses that are subject to being budgeted, both by category;

(c) The amount of the assessments per unit and the date the assessments are due;

(d) The current amount of regular assessments budgeted for contribution to the reserve account;

(e) A statement of whether the association has a reserve study that meets the requirements of RCW 64.90.550 and, if so, the extent to which the budget meets or deviates from the recommendations of that reserve study; and

(f) The current deficiency or surplus in reserve funding expressed on a per unit basis.

(3) The board, at any time, may propose a special assessment. The assessment is effective only if the board follows the procedures for ratification of a budget described in subsection (1) of this section and the unit owners do not reject the proposed assessment. The board may provide that the special assessment may be due and payable in installments over any period it determines and may provide a discount for early payment. [2018 c 277 s 326.]

RCW 64.90.530 Financial statements—Association funds. (1) The association must prepare, or cause to be prepared, at least annually, a financial statement of the association in accordance with accrual based accounting practices.

(2) The financial statements of associations with annual assessments of fifty thousand dollars or more must be audited at least

annually by a certified public accountant. In the case of an association with annual assessments of less than fifty thousand dollars, an annual audit is also required but may be waived annually by unit owners other than the declarant of units to which a majority of the votes in the association are allocated, excluding the votes allocated to units owned by the declarant.

(3) The association must keep all funds of the association in the name of the association with a qualified financial institution. The funds must not be commingled with the funds of any other association or with the funds of any managing agent of the association or any other person, or be kept in any trust account or custodial account in the name of any trustee or custodian.

(4) A managing agent who accepts or receives funds belonging to the association must promptly deposit all such funds into an account maintained by the association as provided in subsection (3) of this section or RCW 64.90.535, as appropriate. [2018 c 277 s 327.]

RCW 64.90.535 Reserve accounts. An association required to obtain a reserve study pursuant to RCW 64.90.545 must establish one or more accounts for the deposit of funds, if any, for the replacement costs of reserve components. Any reserve account must be an income-earning account maintained under the direct control of the board, and the board is responsible for administering the reserve account. [2018 c 277 s 328.]

RCW 64.90.540 Reserve account—Withdrawals. (1) The board may withdraw funds from the association's reserve account to pay for unforeseen or unbudgeted costs that are unrelated to replacement costs of the reserve components. Any such withdrawal must be recorded in the minute books of the association. The board must give notice of any such withdrawal to each unit owner and adopt a repayment schedule not to exceed twenty-four months unless the board determines that repayment within twenty-four months would impose an unreasonable burden on the unit owners. The board must provide to unit owners along with the annual budget adopted in accordance with RCW 64.90.525 (a) notice of any such withdrawal, (b) a statement of the current deficiency in reserve funding expressed on a per unit basis, and (c) the repayment plan.

(2) The board may withdraw funds from the reserve account without satisfying the notification of repayment requirements under this section to pay for replacement costs of reserve components not included in the reserve study. [2018 c 277 s 329.]

RCW 64.90.545 Reserve study. (1) Unless exempt under subsection (2) of this section, an association must prepare and update a reserve study in accordance with this chapter. An initial reserve study must be prepared by a reserve study professional and based upon either a reserve study professional's visual site inspection of completed improvements or a review of plans and specifications of or for unbuilt improvements, or both when construction of some but not all of the improvements is complete. An updated reserve study must be prepared annually. An updated reserve study must be prepared at least every

third year by a reserve study professional and based upon a visual site inspection conducted by the reserve study professional.

(2) Unless the governing documents require otherwise, subsection (1) of this section does not apply (a) to common interest communities containing units that are restricted in the declaration to nonresidential use, (b) to common interest communities that have only nominal reserve costs, or (c) when the cost of the reserve study or update exceeds ten percent of the association's annual budget.

(3) The governing documents may impose greater requirements on the board. [2018 c 277 s 330.]

RCW 64.90.550 Reserve study—Contents. (1) Any reserve study is supplemental to the association's operating and maintenance budget.

(2) A reserve study must include:

(a) A reserve component list, including any reserve component, the replacement cost of which exceeds one percent of the annual budget of the association, excluding contributions to the reserves for that reserve component. If one of these reserve components is not included in the reserve study, the study must explain the basis for its exclusion. The study must also include quantities and estimates for the useful life of each reserve component, the remaining useful life of each reserve component, and current major replacement costs for each reserve component;

(b) The date of the study and a disclosure as to whether the study meets the requirements of this section;

(c) The following level of reserve study performed:

(i) Level I: Full reserve study funding analysis and plan;

(ii) Level II: Update with visual site inspection; or

(iii) Level III: Update with no visual site inspection;

(d) The association's reserve account balance;

(e) The percentage of the fully funded balance to which the reserve account is funded;

(f) Special assessments already implemented or planned;

(g) Interest and inflation assumptions;

(h) Current reserve account contribution rates for a full funding plan and a baseline funding plan;

(i) A recommended reserve account contribution rate for a full funding plan to achieve one hundred percent fully funded reserves by the end of the thirty-year study period, a recommended reserve account contribution rate for a baseline funding plan to maintain the reserve account balance above zero throughout the thirty-year study period without special assessments, and a reserve account contribution rate recommended by the reserve study professional;

(j) A projected reserve account balance for thirty years based on each funding plan presented in the reserve study;

(k) A disclosure on whether the reserve study was prepared with the assistance of a reserve study professional, and whether the reserve study professional was independent; and

(l) A statement of the amount of any current deficit or surplus in reserve funding expressed on a dollars per unit basis. The amount is calculated by subtracting the association's reserve account balance as of the date of the study from the fully funded balance, and then multiplying the result by the fraction or percentage of the common expenses of the association allocable to each unit; except that if the fraction or percentage of the common expenses of the association

allocable vary by unit, the association must calculate any current deficit or surplus in a manner that reflects the variation.

(3) A reserve study must also include the following disclosure:

"This reserve study should be reviewed carefully. It may not include all common and limited common element components that will require major maintenance, repair, or replacement in future years, and may not include regular contributions to a reserve account for the cost of such maintenance, repair, or replacement. The failure to include a component in a reserve study, or to provide contributions to a reserve account for a component, may, under some circumstances, require the association to (1) defer major maintenance, repair, or replacement, (2) increase future reserve contributions, (3) borrow funds to pay for major maintenance, repair, or replacement, or (4) impose special assessments for the cost of major maintenance, repair, or replacement." [2018 c 277 s 331.]

RCW 64.90.555 Reserve study—Demand—Enforcement. (1) When more than three years have passed since the date of the last reserve study prepared by a reserve study professional, unit owners of units to which at least twenty percent of the votes in the association are allocated may demand in a record delivered to the board that the cost of a reserve study be included in the next annual budget and that the study be prepared by the end of that budget year. The demand must refer to this section. The board must, upon receipt of the demand, include the cost of a reserve study in the next budget and, if that budget is not rejected by the unit owners pursuant to RCW 64.90.525, arrange for the preparation of a reserve study.

(2) One or more unit owners may bring an action to enforce the requirements of this section and RCW 64.90.545 and 64.90.550. In such an action, a court may order specific performance and may award reasonable attorneys' fees and costs to the prevailing party.

(3) A unit owner's duty to pay assessments is not excused because of the association's failure to comply with this section and RCW 64.90.545 and 64.90.550. A budget ratified by the unit owners pursuant to RCW 64.90.525 is not invalidated because of the association's failure to comply with this section and RCW 64.90.545 and 64.90.550. [2018 c 277 s 332.]

RCW 64.90.560 Reserve account—Reserve study—Reserve disclosure—Liability. Except for an award for attorneys' fees and costs under RCW 64.90.555(2), monetary damages or other liability may not be awarded against or imposed upon the association or its officers or board members, or upon any person who may have provided advice or assistance to the association or its officers or board members, for failure to: Establish or replenish a reserve account, have a current reserve study prepared or updated in accordance with the requirements of this chapter, or make reserve disclosures in accordance with this chapter. [2018 c 277 s 333.]

RCW 64.90.565 Tenant screening. (1) Except as otherwise prohibited by law, and subject to the limitations in subsection (2) of this section, a unit owners association may:

(a) Require any unit owner intending to lease the owner's unit to use a tenant screening service or obtain background information, including criminal history, on a prospective tenant, at the owner's sole cost and expense, prior to the owner entering into a lease agreement with a prospective tenant; and

(b) Require proof that the tenant screening requirement has been fulfilled or that the background information on a prospective tenant has been obtained by the owner intending to lease the owner's unit.

(2) An association may not require that a copy of the tenant screening report or any background information pertaining to a tenant be furnished to the association. [2023 c 23 s 4.]

RCW 64.90.570 Licensed family home child care or licensed child day care center—Rules—Liability. (1) A unit owners association may not adopt or enforce a restriction, covenant, condition, bylaw, rule, provision of a governing document, or master deed provision that effectively prohibits or unreasonably restricts the use of a unit as a licensed family home child care operated by a family day care provider or as a licensed child day care center, except as provided in subsection (2) of this section.

(2)(a) Nothing in this section prohibits a unit owners association from imposing reasonable rules on a family home child care or a child day care center including, but not limited to, architectural standards, as long as those rules are identical to those applied to all other units restricted to similar uses within the same common interest community as the family home child care or the child day care center.

(b) An association may require that only a unit with direct access may be used as a family home child care or child day care center. A unit has direct access if it is accessible from public property or through publicly accessible common elements.

(c) An association may adopt or enforce a restriction, covenant, condition, bylaw, rule, provision of a governing document, or master deed provision that requires a family home child care or a child day care center operating out of a unit within the association to:

(i) Be licensed under chapter 43.216 RCW;

(ii) Indemnify and hold harmless the association against all claims, whether brought by judicial or administrative action, relating to the operation of the family home child care or the child day care center, excluding claims arising from the condition of a common element that the association is solely responsible for maintaining;

(iii) Obtain a signed waiver of liability releasing the association from legal claims directly related to the operation of the family home child care or the child day care center from the parent, guardian, or caretaker of each child being cared for by the family home child care or the child day care center. However, an association may not require that a waiver of liability under this subsection be notarized;

(iv) Obtain day care insurance as defined in RCW 48.88.020 or provide self-insurance pursuant to chapter 48.90 RCW, consistent with the requirements in RCW 43.216.700; and

(v) Pay any costs or expenses, including insurance costs, arising from the operation of the facility.

(3) A unit owners association that willfully violates this section is liable to the family day care provider or the child day

care center for actual damages, and shall pay a civil penalty to the family day care provider or the child day care center in an amount not to exceed \$1,000.

(4) For the purposes of this section, the terms "family day care provider" and "child day care center" have the same meanings as in RCW 43.216.010. [2024 c 321 s 324; 2023 c 203 s 4.]

Effective date—2023 c 203: See note following RCW 64.32.310.

RCW 64.90.575 Occupancy limits. Except for occupancy limits on short-term rentals as defined in RCW 64.37.010 and any lawful limits on occupant load per square foot or generally applicable health and safety provisions as established by applicable building code, city ordinance, or county ordinance, a unit owners association may not adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that regulates or limits the number of unrelated persons that may occupy a unit. [2024 c 139 s 4.]

RCW 64.90.580 Heat pumps. (1) (a) A unit owners association may not adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that:

(i) Effectively prohibits or unreasonably restricts the installation or use of a heat pump in compliance with the requirements of this section and for the personal use of a unit owner within the boundaries of a unit; or

(ii) Is in conflict with the provisions of this section.

(b) Nothing in this section prohibits an association from imposing reasonable restrictions on heat pumps.

(c) This section must not be construed to permit installation by a unit owner of heat pump equipment on or in common elements without approval of the board.

(2) A unit owners association may require a unit owner to submit an application for approval for the installation of a heat pump before installing the heat pump.

(3) (a) If approval is required for the installation of a heat pump, the application for approval must be processed and approved in the same manner as an application for approval of an architectural modification.

(b) The approval or denial of an application must be in writing and must not be willfully avoided or delayed.

(c) If an application is not denied in writing within 60 days from the date of receipt of the application, the application is deemed approved, unless that delay is the result of a reasonable request for additional information.

(d) An association may not assess or charge a unit owner a fee for the installation of a heat pump. An association may charge a reasonable fee for processing the application to approve the installation of a heat pump, but only if such a fee exists for all applications for approval of architectural modifications.

(4) If approval is required for the installation of a heat pump, a unit owners association must approve the installation if the

installation is reasonably possible and the unit owner agrees in writing to:

(a) Comply with the association's reasonable architectural standards applicable to the installation of the heat pump;

(b) Engage a heating, ventilation, and air conditioning (HVAC) contractor familiar with the standards for the installation of heat pumps to assess the existing infrastructure necessary to support the proposed heat pump, identify additional infrastructure needs, and install the heat pump; and

(c) Comply with the requirements of this section.

(5) (a) A unit owner must obtain any permit or approval for a heat pump as required by the local government in which the common interest community is located and comply with all relevant building codes and safety standards.

(b) A heat pump must meet all applicable health and safety standards and requirements imposed by national, state, or local authorities, and all other applicable zoning, land use or other ordinances, building codes, or land use permits.

(6) (a) Unless otherwise agreed to by written contract with the unit owners association, a unit owner is responsible for the costs of installing a heat pump.

(b) Heat pump equipment that is installed at the unit owner's cost and is removable without damage to the property owned by others may be removed at the unit owner's cost.

(7) The unit owner and each successive owner of the heat pump is responsible for:

(a) Costs for the maintenance, repair, and replacement of the heat pump up until the heat pump is removed;

(b) Costs for damage to the heat pump, any unit, common element, or limited common element resulting from the installation, use, maintenance, repair, removal, or replacement of the heat pump;

(c) If the unit owner decides to remove the heat pump, costs for the removal and the restoration of the common elements or limited common elements after the removal; and

(d) Removing heat pump equipment if reasonably necessary for the repair, maintenance, or replacement of the common element or limited common element.

(8) (a) A unit owners association that willfully violates this section is liable to the unit owner for actual damages, and shall pay a civil penalty to the unit owner in an amount not to exceed \$1,000.

(b) In any action by a unit owner requesting to have a heat pump installed and seeking to enforce compliance with this section, the court shall award reasonable attorneys' fees and costs to any prevailing unit owner.

(9) For the purposes of this section:

(a) "Heat pump" means a heating or refrigerating system used to transfer heat. The heat pump condenser and evaporator may change roles to transfer heat in either direction. By receiving the flow of air or other fluid, a heat pump is used to cool or heat.

(b) "Reasonable restriction" means a restriction that does not significantly increase the cost of a heat pump or significantly decrease its efficiency or specified performance. [2024 c 128 s 4.]

RCW 64.90.585 Adult family home—Use of unit. (1) A unit owners association may not adopt or enforce a restriction, covenant,

condition, bylaw, rule, provision of a governing document, or master deed provision that effectively prohibits or unreasonably restricts the use of a unit as an adult family home, except as provided in subsection (2) of this section.

(2) (a) Nothing in this section prohibits a unit owners association from imposing reasonable rules on an adult family home including, but not limited to, architectural standards, as long as those rules are identical to those applied to all other units restricted to similar uses within the same common interest community as an adult family home.

(b) An association may require that only a unit with direct access may be used as an adult family home. A unit has direct access if it is accessible from public property or through publicly accessible common elements.

(c) An association may adopt or enforce a restriction, covenant, condition, bylaw, rule, provision of a governing document, or master deed provision that requires an adult family home operating out of a unit within the association to:

(i) Be licensed under chapter 70.128 RCW;

(ii) Indemnify and hold harmless the association against all claims, whether brought by judicial or administrative action, relating to the operation of the adult family home, excluding claims arising from the condition of a common element that the association is solely responsible for maintaining;

(iii) Obtain a signed waiver of liability releasing the association from legal claims directly related to the operation of an adult family home from each resident, or resident's guardian, being cared for by the adult family home. However, an association may not require that a waiver of liability under this subsection be notarized;

(iv) Obtain liability insurance as required by rule of the department of social and health services; and

(v) Pay any costs or expenses, including insurance costs, arising from the operation of the facility.

(3) A unit owners association that willfully violates this section is liable to the adult family home for actual damages, and shall pay a civil penalty to the adult family home in an amount not to exceed \$1,000.

(4) For the purposes of this section, "adult family home" has the same meaning as in RCW 70.128.010. [2024 c 321 s 325.]

IV. PROTECTION OF PURCHASERS

RCW 64.90.600 Applicability—Waiver. (1) RCW 64.90.605 through 64.90.695 apply to all units subject to this chapter, except as provided in subsections (2) and (3) of this section.

(2) RCW 64.90.605 through 64.90.695 do not apply in the case of:

(a) A conveyance by gift, devise, or descent;

(b) A conveyance pursuant to court order;

(c) A conveyance by a government or governmental agency;

(d) A conveyance by foreclosure;

(e) A conveyance of all of the units in a common interest community in a single transaction;

(f) A conveyance to other than a purchaser;

(g) An agreement to convey that may be canceled at any time and for any reason by the purchaser without penalty;

(h) A conveyance of a unit restricted to nonresidential uses, except and to the extent otherwise agreed to in writing by the seller and purchaser of that unit.

(3) RCW 64.90.665, 64.90.670, 64.90.675, 64.90.680, 64.90.690, and 64.90.695 apply only to condominiums created under this chapter, and do not apply to other common interest communities. [2018 c 277 s 401.]

(2) A declarant may transfer responsibility for preparation of all or a part of the public offering statement to a successor declarant or to a dealer who intends to offer units in the common interest community. In the event of any such transfer the transferor shall provide the transferee with any information necessary to enable the transferee to fulfill the requirements of subsection (1) of this section.

(3) (a) Any declarant or dealer who offers a unit to a purchaser shall deliver a public offering statement in the manner prescribed in RCW 64.90.635.

(b) Any agent, attorney, or other person assisting the declarant or dealer in preparing the public offering statement may rely upon information provided by the declarant or dealer without independent investigation. The agent, attorney, or other person is not liable for any material misrepresentation in or omissions of material facts from the public offering statement unless the person had actual knowledge of the misrepresentation or omission at the time the public offering statement was prepared.

(c) The declarant or dealer who prepared all or part of the public offering statement is liable for any misrepresentation contained in the public offering statement or for any omission of material fact from the public offering statement if the declarant or dealer had actual knowledge of the misrepresentation or omission or, in the exercise of reasonable care, should have known of the misrepresentation or omission.

(4) If a unit is part of a common interest community and is part of any other real estate regime in connection with the sale of which the delivery of a public offering statement is required under the laws of this state, a single public offering statement conforming to the requirements of RCW 64.90.610, 64.90.615, and 64.90.620 as those requirements relate to each regime in which the unit is located, and to any other requirements imposed under the laws of this state, may be prepared and delivered in lieu of providing two or more public offering statements.

(5) A declarant or dealer is not required to deliver a public offering statement in connection with the sale of any unit, or to obtain for or provide to the purchaser a report or statement required under RCW 64.90.610(1)(oo), 64.90.620(1), or 64.90.655, upon the later of:

(a) The termination or expiration of all special declarant rights;

(b) The expiration of all periods within which claims or actions for a breach of warranty arising from defects involving the common elements under RCW 64.90.680 must be filed or commenced, respectively, by the association against the declarant; or

(c) The time when the declarant or dealer ceases to meet the definition of a dealer under RCW 64.90.010.

(6) After the last to occur of any of the events described in subsection (5) of this section, a declarant or dealer must deliver to the purchaser of a unit a resale certificate under RCW 64.90.640(2) together with:

(a) The identification of any real property not in the common interest community that unit owners have a right to use and a description of the terms of such use;

(b) A brief description or a copy of any express construction warranties to be provided to the purchaser;

(c) A statement of any litigation brought by an owners association, unit owner, or governmental entity in which the declarant or dealer or any affiliate of the declarant or dealer has been a defendant arising out of the construction, sale, or administration of any common interest community within the state of Washington within the previous five years, together with the results of the litigation, if known;

(d) Whether timesharing is permitted or prohibited, and, if permitted, a statement that the purchaser of a timeshare unit is entitled to receive the disclosure document required under chapter 64.36 RCW; and

(e) Any other information and cross-references that the declarant or dealer believes will be helpful in describing the common interest community to the purchaser, all of which may be included or not included at the option of the declarant or dealer.

(7) A declarant or dealer is not liable to a purchaser for the failure or delay of the association to provide the resale certificate in a timely manner, but the purchase contract is voidable by the purchaser of a unit sold by the declarant or dealer until the resale certificate required under RCW 64.90.640(2) and the information required under subsection (6) of this section have been provided and for five days thereafter or until conveyance, whichever occurs first. (2) The public offering statement must begin with notices substantially in the following forms and in conspicuous type:

(a) "RIGHT TO CANCEL. (1) You are entitled to receive a copy of this public offering statement and all material amendments to this public offering statement before conveyance of your unit. Under RCW 64.90.635, you have the right to cancel your contract for the purchase of your unit within seven days after first receiving this public offering statement. If this public offering statement is first provided to you more than seven days before you sign your contract for the purchase of your unit, you have no right to cancel your contract. If this public offering statement is first provided to you seven days or less before you sign your contract for the purchase of your unit, you have the right to cancel, before conveyance of the unit, the executed contract by delivering, no later than the seventh day after first receiving this public offering statement, a notice of cancellation pursuant to section (3) of this notice. If this public offering statement is first provided to you less than seven days before the closing date for the conveyance of your unit, you may, before conveyance of your unit to you, extend the closing date to a date not more than seven days after you first received this public

offering statement, so that you may have seven days to cancel your contract for the purchase of your unit.

(2) You have no right to cancel your contract upon receipt of an amendment to this public offering statement; however, this does not eliminate any right to rescind your contract, due to the disclosure of the information in the amendment, that is otherwise available to you under generally applicable contract law.

(3) If you elect to cancel your contract pursuant to this notice, you may do so by hand-delivering notice of cancellation, or by mailing notice of cancellation by prepaid United States mail, to the seller at the address set forth in this public offering statement or at the address of the seller's registered agent for service of process. The date of such notice is the date of receipt, if hand-delivered, or the date of deposit in the United States mail, if mailed. Cancellation is without penalty, and all payments made to the seller by you before cancellation must be refunded promptly."

(b) "OTHER DOCUMENTS CREATING BINDING LEGAL OBLIGATIONS. This public offering statement is a summary of some of the significant aspects of purchasing a unit in this common interest community. The governing documents and the purchase agreement are complex, contain other important information, and create binding legal obligations. You should consider seeking the assistance of legal counsel."

(c) "OTHER REPRESENTATIONS. You may not rely on any statement, promise, model, depiction, or description unless it is (1) contained in the public offering statement delivered to you or (2) made in writing signed by the declarant or dealer or the declarant's or dealer's agent identified in the public offering statement. A statement of opinion, or a commendation of the real estate, its quality, or its value, does not create a warranty, and a statement, promise, model, depiction, or description does not create a warranty if it discloses that it is only proposed, is not representative, or is subject to change."

(d) "MODEL UNITS. Model units are intended to provide you with a general idea of what a finished unit might look like. Units being offered for sale may vary from the model unit in terms of floor plan, fixtures, finishes, and equipment. You are advised to obtain specific information about the unit you are considering purchasing."

(e) "RESERVE STUDY. The association [does] [does not] have a current reserve study. Any reserve study should be reviewed carefully. It may not include all reserve components that will require major maintenance, repair, or replacement in future years, and may not include regular contributions to a reserve account for the cost of such maintenance, repair, or replacement. You may encounter certain risks, including being required to pay as a special assessment your share of expenses for the cost of major maintenance, repair, or replacement of a reserve component, as a result of the failure to: (1) Have a current reserve study or fully funded reserves, (2) include a component in a reserve study, or (3) provide any or sufficient contributions to a reserve account for a component."

(f) "DEPOSITS AND PAYMENTS. Only earnest money and reservation deposits are required to be placed in an escrow or trust account. Any other payments you make to the seller of a unit are at risk and may be lost if the seller defaults."

(g) "CONSTRUCTION DEFECT CLAIMS. Chapter 64.50 RCW contains important requirements you must follow before you may file a lawsuit for defective construction against the seller or builder of your home. Forty-five days before you file your lawsuit, you must deliver to the

seller or builder a written notice of any construction conditions you allege are defective and provide your seller or builder the opportunity to make an offer to repair or pay for the defects. You are not obligated to accept any offer made by the builder or seller. There are strict deadlines and procedures under state law, and failure to follow them may affect your ability to file a lawsuit."

(h) "ASSOCIATION INSURANCE. The extent to which association insurance provides coverage for the benefit of unit owners (including furnishings, fixtures, and equipment in a unit) is determined by the provisions of the declaration and the association's insurance policy, which may be modified from time to time. You and your personal insurance agent should read the declaration and the association's policy prior to closing to determine what insurance is required of the association and unit owners, unit owners' rights and duties, what is and is not covered by the association's policy, and what additional insurance you should obtain."

(i) "QUALIFIED WARRANTY. Your unit [is] [is not] covered by a qualified warranty under chapter 64.35 RCW."

(j) "THIS UNIT IS LOCATED WITHIN A COMMON INTEREST COMMUNITY AND IS SUBJECT TO THE DECLARATION, BYLAWS, RULES, AND OTHER WRITTEN INSTRUMENTS GRANTING AUTHORITY TO THE ASSOCIATION AS ADOPTED (THE "GOVERNING DOCUMENTS").

THE PURCHASER OF THIS UNIT WILL BE REQUIRED TO BE A MEMBER OF THE ASSOCIATION AND WILL BE SUBJECT TO THE GOVERNING DOCUMENTS.

THE GOVERNING DOCUMENTS WILL IMPOSE FINANCIAL OBLIGATIONS UPON THE OWNER OF THE UNIT, INCLUDING AN OBLIGATION TO PAY ASSESSMENTS TO THE ASSOCIATION WHICH MAY INCLUDE REGULAR AND SPECIAL ASSESSMENTS, FINES, FEES, INTEREST, LATE CHARGES, AND COSTS OF COLLECTION, INCLUDING REASONABLE ATTORNEYS' FEES.

THE ASSOCIATION HAS A STATUTORY LIEN ON EACH INDIVIDUAL UNIT FOR ANY UNPAID ASSESSMENT FROM THE TIME IT IS DUE. FAILURE TO PAY ASSESSMENTS COULD RESULT IN THE FILING OF A LIEN ON THE UNIT AND LOSS OF THE UNIT THROUGH FORECLOSURE.

THE GOVERNING DOCUMENTS MAY PROHIBIT OWNERS FROM MAKING CHANGES TO THE UNIT WITHOUT REVIEW AND THE APPROVAL OF THE ASSOCIATION, AND MAY ALSO IMPOSE RESTRICTIONS ON THE USE OF [THE] UNIT, DISPLAY OF SIGNS, CERTAIN BEHAVIORS, AND OTHER ITEMS.

PURCHASERS OF THIS UNIT SHOULD CAREFULLY REVIEW THE FINANCIAL OBLIGATIONS OF MEMBERS OF THE ASSOCIATION, THE CURRENT STATE OF THE ASSOCIATION'S FINANCES, THE CURRENT RESERVE STUDY, IF ANY, THE GOVERNING DOCUMENTS, AND THE OTHER INFORMATION AVAILABLE IN THE RESALE CERTIFICATE. THE GOVERNING DOCUMENTS CONTAIN IMPORTANT INFORMATION AND CREATE BINDING LEGAL OBLIGATIONS. YOU SHOULD CONSIDER SEEKING THE ASSISTANCE OF LEGAL COUNSEL."

(3) The public offering statement must include copies of each of the following documents: The declaration; the map; the organizational documents; the rules, if any; the current or proposed budget for the association; a dated balance sheet of the association; any inspection and repair report or reports prepared in accordance with the requirements of RCW 64.55.090; and any qualified warranty provided to a purchaser by a declarant together with a history of claims under the qualified warranty. If any of these documents are not in final form, the documents must be marked "draft" and, before closing the sale of a unit, the purchaser must be given notice of any material changes to the draft documents.

(4) A declarant must promptly amend the public offering statement to reflect any material change in the information required under this section. [2024 c 321 s 327; 2019 c 238 s 212; 2018 c 277 s 403.]

RCW 64.90.615 Public offering statement—Common interest communities subject to development rights. If the declaration provides that a common interest community is subject to any development rights or if the declarant reserves any special declarant rights, the public offering statement must include, in addition to the information required under RCW 64.90.610:

(1) A statement of all development rights and special declarant rights reserved to the declarant, together with the dates or other circumstances under which such rights must terminate; and

(2) A statement describing how the allocated interests of a unit may be changed by the exercise of any development right. [2018 c 277 s 404.]

RCW 64.90.620 Public offering statement—Conversion buildings.

(1) A public offering statement for a unit in a conversion building must contain, in addition to the information required under RCW 64.90.610, 64.90.615, and 64.90.655(6) (a):

(a) Either a copy of a report prepared by an independent, licensed architect or engineer or a statement by the declarant based on such report that describes, to the extent reasonably ascertainable, the present condition of all structural components and mechanical and electrical installations material to the use and enjoyment of the common interest community;

(b) A statement by the declarant or dealer of the expected useful life of each item reported on in (a) of this subsection or a statement that no representations are made in that regard;

(c) A copy of any inspection and repair report for the conversion building required under RCW 64.55.090, if applicable;

(d) A list of any outstanding notices of uncured violations of building code or other municipal ordinances and regulations, together with the estimated cost of curing those violations and a statement that such list is not a representation that the conversion building is in compliance with the current building code or other municipal ordinances and regulations;

(e) A statement of the improvements to the conversion building made or contracted for by the declarant or dealer, or affiliate of either, offering the unit for sale; and

(f) The current deficiency or surplus in reserve funding expressed on a per unit basis.

(2) The obligation to provide the information required in subsection (1) of this section as to any particular conversion building ceases on the earlier of (a) the date when all units in the building have been conveyed to persons other than the declarant or a dealer, or any affiliate of the declarant or dealer, or (b) the date set forth in RCW 64.90.605(5). [2018 c 277 s 405.]

RCW 64.90.625 Public offering statement—Disclosure document.

If a unit is offered for sale for which the delivery of a public offering statement or other disclosure document is required under the

laws of any state or the United States, a single disclosure document conforming to the requirements of RCW 64.90.610, 64.90.615, and 64.90.620 and conforming to any other requirement imposed under such laws may be prepared and delivered in lieu of providing two or more disclosure documents. [2018 c 277 s 406.]

RCW 64.90.630 Public offering statement—Contract of sale—Conveyance restriction. In the case of a sale of a unit in which delivery of a public offering statement is required, a contract of sale may be executed unless otherwise prohibited by applicable law, but interest in that unit may not be conveyed until:

(1) The declaration and map that create the common interest community in which that unit is located are recorded pursuant to RCW 64.90.200(1) and 64.90.245(3); and

(2) In the case of a unit in a building containing that unit or a building comprising that unit, the unit is substantially completed and available for occupancy, and all structural components and mechanical systems of the building containing or comprising that unit are substantially completed, but a declarant or dealer and a purchaser may otherwise specifically agree in writing as to the extent to which the unit will not be substantially completed and available and to which any structural components and mechanical systems will not be substantially completed at the time of conveyance. [2018 c 277 s 407.]

RCW 64.90.635 Purchaser's right to cancel. (1) A person required to deliver a public offering statement pursuant to RCW 64.90.605(3)(a) shall provide a purchaser with a copy of the public offering statement and all amendments thereto before conveyance of the unit, and not later than the date of any contract of sale. The purchaser may cancel a contract for the purchase of the unit within seven days after first receiving the public offering statement. If the public offering statement is first provided to a purchaser more than seven days before execution of a contract for the purchase of a unit, the purchaser does not have the right under this section to cancel the executed contract. If the public offering statement is first provided to a purchaser seven days or less before the purchaser signs a contract for the purchase of a unit, the purchaser, before conveyance of the unit to the purchaser, may cancel the contract by delivering, no later than the seventh day after first receiving the public offering statement, a notice of cancellation, delivered pursuant to subsection (3) of this section. If the public offering statement is first provided to a purchaser less than seven days before the closing date for the conveyance of that unit, the purchaser may, before conveyance of the unit to the purchaser, extend the closing date to a date not more than seven days after the purchaser first received the public offering statement.

(2) A purchaser does not have the right under this section to cancel a contract upon receipt of an amendment to a public offering statement. This subsection does not eliminate any right that is otherwise available to the purchaser under generally applicable contract law to rescind the contract due to a material change in the information disclosed in the amendment.

(3) If a purchaser elects to cancel a contract under subsection (1) of this section, the purchaser may do so by hand-delivering notice of cancellation, or by mailing notice of cancellation by prepaid United States mail, to the declarant at the address set forth in the public offering statement or at the address of the declarant's registered agent for service of process. The date of such notice is the date of receipt of delivery, if hand-delivered, or the date of deposit in the United States mail, if mailed. Cancellation is without penalty, and all payments made to the seller by the purchaser before cancellation must be refunded promptly. There is no liability for failure to deliver any amendment unless such failure would have entitled the purchaser under generally applicable legal principles to cancel the contract for the purchase of the unit had the undisclosed information been evident to the purchaser before the closing of the purchase.

(4) The language of the notice required under RCW 64.90.610(2)(a) must not be construed to modify the rights set forth in this section. [2024 c 321 s 328; 2018 c 277 s 408.]

RCW 64.90.640 Unit resales—Resale certificate. (1) Except in the case of a sale when delivery of a public offering statement is required, or unless exempt under RCW 64.90.600(2), a unit owner must furnish to a purchaser before execution of any contract for sale of a unit, or otherwise before conveyance, a resale certificate, signed by an officer or authorized agent of the association and based on the books and records of the association and the actual knowledge of the person signing the certificate, containing:

"This association does not have a current reserve study. The lack of a current reserve study poses certain risks to you, the purchaser. Insufficient reserves may, under some circumstances, require you to pay on demand as a special assessment your share of common expenses for the cost of major maintenance, repair, or replacement of a common element."; and

(z) The resale certificate must include a notice in substantially the following form and in conspicuous type:

"THIS UNIT IS LOCATED WITHIN A COMMON INTEREST COMMUNITY AND IS SUBJECT TO THE DECLARATION, BYLAWS, RULES, AND OTHER WRITTEN INSTRUMENTS GRANTING AUTHORITY TO THE ASSOCIATION AS ADOPTED (THE "GOVERNING DOCUMENTS").

THE PURCHASER OF THIS UNIT WILL BE REQUIRED TO BE A MEMBER OF THE ASSOCIATION AND WILL BE SUBJECT TO THE GOVERNING DOCUMENTS.

THE GOVERNING DOCUMENTS WILL IMPOSE FINANCIAL OBLIGATIONS UPON THE OWNER OF THE UNIT, INCLUDING AN OBLIGATION TO PAY ASSESSMENTS TO THE ASSOCIATION WHICH MAY INCLUDE REGULAR AND SPECIAL ASSESSMENTS, FINES, FEES, INTEREST, LATE CHARGES, AND COSTS OF COLLECTION, INCLUDING REASONABLE ATTORNEYS' FEES.

THE ASSOCIATION HAS A STATUTORY LIEN ON EACH INDIVIDUAL UNIT FOR ANY UNPAID ASSESSMENT FROM THE TIME IT IS DUE. FAILURE TO PAY ASSESSMENTS COULD RESULT IN THE FILING OF A LIEN ON THE UNIT AND LOSS OF THE UNIT THROUGH FORECLOSURE.

THE GOVERNING DOCUMENTS MAY PROHIBIT OWNERS FROM MAKING CHANGES TO THE UNIT WITHOUT REVIEW AND THE APPROVAL OF THE ASSOCIATION, AND MAY ALSO IMPOSE RESTRICTIONS ON THE USE OF [THE] UNIT, DISPLAY OF SIGNS, CERTAIN BEHAVIORS, AND OTHER ITEMS.

PURCHASERS OF THIS UNIT SHOULD CAREFULLY REVIEW THE FINANCIAL OBLIGATIONS OF MEMBERS OF THE ASSOCIATION, THE CURRENT STATE OF THE ASSOCIATION'S FINANCES, THE CURRENT RESERVE STUDY, IF ANY, THE GOVERNING DOCUMENTS, AND THE OTHER INFORMATION AVAILABLE IN THE RESALE CERTIFICATE. THE GOVERNING DOCUMENTS CONTAIN IMPORTANT INFORMATION AND CREATE BINDING LEGAL OBLIGATIONS. YOU SHOULD CONSIDER SEEKING THE ASSISTANCE OF LEGAL COUNSEL."

(2) The association, within 10 days after a request by a unit owner, and subject to the payment of any fees imposed pursuant to RCW 64.90.405(2)(m), must furnish a resale certificate signed by an officer or authorized agent of the association and containing the information necessary to enable the unit owner to comply with this section. For the purposes of this chapter, a reasonable charge for the preparation of a resale certificate may not exceed \$275. The association may charge a unit owner a nominal fee not to exceed \$100 for updating a resale certificate within six months of the unit owner's request. A unit owner is not liable to the purchaser for any erroneous information provided by the association and included in the certificate.

(3) (a) A purchaser is not liable for any unpaid assessment or fee greater than the amount set forth in the certificate prepared by the association.

(b) A unit owner is not liable to a purchaser for the failure or delay of the association to provide the certificate in a timely manner, but the purchase contract is voidable by the purchaser until the certificate has been provided and for five days thereafter or until conveyance, whichever occurs first. [2024 c 321 s 329; 2022 c 27 s 6; 2018 c 277 s 409.]

RCW 64.90.645 Deposits—Escrow. (1) Except as provided in subsection (2) of this section, any earnest money deposit, as defined in RCW 64.04.005, made in connection with the right to purchase a unit from a person required to deliver a public offering statement pursuant to RCW 64.90.605(3) must be placed in escrow and held in this state in an escrow or trust account designated solely for that purpose by a licensed title insurance company or agent, a licensed attorney, a real estate broker or independent bonded escrow company, or an institution whose accounts are insured by a governmental agency or instrumentality until: (a) Delivered to the declarant at closing, (b) delivered to the declarant because of the purchaser's default under a contract to purchase the unit, (c) refunded to the purchaser, or (d) delivered to a court in connection with the filing of an interpleader action.

(2) (a) If a purchase agreement for the sale of a unit provides that deposit funds may be used for construction costs and the declarant obtains and maintains a surety bond as required by this section, the declarant may withdraw escrow funds when construction of improvements has begun. The funds may be used only for actual building and construction costs of the project in which the unit is located.

(b) The bond must be issued by a surety insurer licensed in this state in favor of the purchaser in an amount adequate to cover the amount of the deposit to be withdrawn. The declarant may not withdraw more than the face amount of the bond. The bond must be payable to the purchaser if the purchaser obtains a final judgment against the declarant requiring the declarant to return the deposit pursuant to the purchase agreement. The bond may be either in the form of an individual bond for each deposit accepted by the declarant or in the form of a blanket bond assuring the return of all deposits received by the declarant.

(c) The party holding escrow funds who releases all or any portion of the funds to the declarant has no obligation to monitor the progress of construction or the expenditure of the funds by the declarant and is not liable to any purchaser for the release of funds pursuant to this section.

(3) The amount of deposit funds that may be used pursuant to subsection (2) of this section may not exceed five percent of the purchase price. [2023 c 337 s 8; 2021 c 260 s 2; 2018 c 277 s 410.]

RCW 64.90.650 Liens—Release. (1) In the case of a sale of a unit when delivery of a public offering statement is required pursuant to RCW 64.90.605(3) and subject to subsection (2) of this section, a seller before conveying a unit:

(a) Must record or furnish to the purchaser releases of all liens that encumber:

(i) In a condominium, that unit and its common element interest; and

(ii) In a cooperative, plat community, or miscellaneous community, that unit and any limited common elements assigned to that unit; or

(b) Must provide the purchaser of that unit with title insurance from a licensed title insurance company against any lien not released pursuant to (a) of this subsection.

(2) Subsection (1) of this section does not apply to liens that encumber:

(a) Real estate that a declarant has the right to withdraw from the common interest community;

(b) In a condominium, the unit and its common element interest being purchased, but no other unit, if the purchaser expressly agrees in writing to take subject to or assume such lien;

(c) In a cooperative, plat community, or miscellaneous community, the unit and any limited common element allocated to the unit being purchased, but no other unit, if the purchaser expressly agrees in writing to take subject to or assume such lien.

(3) Before conveying real property to the association, the declarant must have that real property released from:

(a) All liens the foreclosure of which would deprive unit owners of any right of access to or easement of support of their units; and

(b) All other liens on that real property unless the public offering statement describes certain real property that may be conveyed subject to liens in specified amounts.

(4) In the case of a cooperative, the provisions of this section do not apply to liens securing indebtedness that represent a common expense liability for which the purchaser expressly agrees in writing to be responsible. [2019 c 238 s 213; 2018 c 277 s 411.]

RCW 64.90.655 Conversion buildings—Tenant rights—City and county requirements—Violations. (1) (a) A declarant or dealer who intends to offer units in a conversion building must give each of the residential tenants and any residential subtenants in possession of a portion of a conversion building notice of the conversion and provide those persons with the public offering statement no later than 120 days before the tenants and any subtenants in possession are required to vacate. The notice must:

(i) Set forth generally the rights of residential tenants and residential subtenants under this section;

(ii) Be delivered pursuant to notice requirements set forth in RCW 59.12.040;

(iii) Inform the residential tenants and subtenants about the resources and information available under the condominium conversion tenant-to-homeowner program created in RCW 43.180.245; and

(iv) Expressly state whether there is a county or city relocation assistance program for residential tenants or residential subtenants of conversion buildings in the jurisdiction in which the property is located. If the county or city does have a relocation assistance program, the following must also be included in the notice:

(A) A summary of the terms and conditions under which relocation assistance is paid; and

(B) Contact information for the city or county relocation assistance program, which must include, at a minimum, a telephone

number of the city or county department that administers the relocation assistance program for conversion buildings.

(b) A residential tenant or residential subtenant may not be required to vacate upon less than 120 days' notice, except by reason of nonpayment of rent, waste, or conduct that disturbs other residential tenants' or residential subtenants' peaceful enjoyment of the premises, or act of unlawful detainer as defined in RCW 59.12.030, and the terms of the tenancy may not be altered during that period except as provided in (c) of this subsection.

(c) At the declarant's option, the declarant may provide all residential tenants and residential subtenants in a single conversion building with an option to terminate their lease or rental agreements without cause or consequence after providing the declarant with thirty days' notice. In such case, residential tenants and residential subtenants continue to have access to relocation assistance under subsection (6)(e)(i) of this section.

(d)(i) Nothing in this subsection (1) waives or repeals RCW 59.18.200(2)(b).

(ii) Failure to give notice as required under this section is a defense to an action for possession.

(e) The city or county in which the property is located may require the declarant to forward a copy of the conversion notice required in this subsection (1) to the appropriately designated department or agency in the city or county for the purpose of maintaining a list of common interest communities containing conversion buildings in the jurisdiction.

(2)(a) For 60 days after delivery or mailing of the notice described in subsection (1) of this section, the person required to give the notice must offer to convey each unit or proposed unit occupied for residential use to the residential tenant or residential subtenant who leases that unit. If a residential tenant or residential subtenant fails to purchase the unit during that 60-day period, the offeror may offer to dispose of an interest in that unit during the following 180 days at a price or on terms more favorable to the offeree than the price or terms offered to the residential tenant or residential subtenant only if:

(i) Such offeror, by written notice mailed to the residential tenant's or residential subtenant's last known address, offers to sell an interest in that unit at the more favorable price and terms; and

(ii) Such residential tenant or residential subtenant fails to accept the offer in writing within 10 days following the mailing of the offer to the tenant or subtenant.

(b) This subsection (2) does not apply to any unit in a conversion building if that unit will be restricted exclusively to nonresidential use or the boundaries of the converted unit do not substantially conform to the dimensions of the residential unit before conversion.

(3) If a seller, in violation of subsection (2) of this section, conveys a unit to a purchaser for value who has no actual knowledge of the violation, the recording of the deed conveying the unit, or, in a cooperative, the conveyance of the unit, extinguishes any right a residential tenant or residential subtenant may have under subsection (2) of this section to purchase that unit, but does not affect the right of a residential tenant or residential subtenant to recover damages from the seller for a violation of subsection (2) of this section.

(4) If a notice of conversion specifies a date by which a unit or proposed unit must be vacated and otherwise complies with this chapter and chapter 59.18 RCW, the notice also constitutes a notice to vacate specified under chapter 59.18 RCW.

(5) This section does not permit termination of a lease or sublease by a declarant in violation of its terms.

(6) Notwithstanding RCW 64.90.025, a city or county may by appropriate ordinance require with respect to any conversion building within the jurisdiction of the city or county that:

(a) In addition to the statement required under RCW 64.90.620(1)(a), the public offering statement must contain a copy of a written inspection report of that building prepared by the appropriate department of the city or county listing any violations of the housing code or other governmental regulation that is applicable regardless of whether the real property is owned as a common interest community or in some other form of ownership. The inspection must be made within 45 days of the declarant's written request, and the report must be issued within 14 days of the inspection being made. The inspection may not be required with respect to any building for which a final certificate of occupancy has been issued by the city or county within the preceding 24 months, and any fee imposed for the making of such inspection may not exceed the fee that would be imposed for the making of such an inspection for a purpose other than complying with this subsection (6)(a).

(b) Prior to the conveyance of any residential unit within a conversion building, other than a conveyance to a declarant or dealer, or affiliate of either:

(i) All violations disclosed in the inspection report provided for in (a) of this subsection, and not otherwise waived by the city or county, must be repaired; and

(ii) A certification must be obtained from the city or county that such repairs have been made. The certification must be based on a reinspection to be made within seven days of the declarant's written request and be issued within seven days of the reinspection being made;

(c) The repairs required to be made under (b) of this subsection must be warranted by the declarant against defects due to workmanship or materials for a period of one year following the completion of such repairs;

(d) Prior to the conveyance of any residential unit within a conversion building, other than a conveyance to a declarant or dealer, or affiliate of either:

(i) The declarant must establish and maintain, during the one-year warranty period provided under (c) of this subsection, an account containing a sum equal to 10 percent of the actual cost of making the repairs required under (b) of this subsection;

(ii) During the one-year warranty period, the funds in the account must be used exclusively for paying the actual cost of making repairs required, or for otherwise satisfying claims made, under such warranty;

(iii) Following the expiration of the one-year warranty period, any funds remaining in the account must be immediately disbursed to the declarant; and

(iv) The declarant must notify in writing the association and the city or county as to the location of the account and any disbursements from the account;

(e) (i) A declarant must pay relocation assistance, in an amount to be determined by the city or county, which may not exceed a sum equal to three months of the residential tenant's or residential subtenant's rent at the time the conversion notice required under subsection (1) of this section is received, to residential tenants or residential subtenants:

(A) Who do not elect to purchase a unit in the common interest community;

(B) Who are in lawful occupancy for residential purposes of a unit in the conversion building; and

(C) Whose annual household income from all sources, on the date of the notice described in subsection (1) of this section, was less than an amount equal to 80 percent of:

(I) The annual median income for comparably sized households in the standard metropolitan statistical area, as defined and established by the United States department of housing and urban development, in which the conversion building is located; or

(II) If the conversion building is not within a standard metropolitan statistical area, the annual median income for comparably sized households in the state of Washington, as defined and determined by said department.

The household size of a unit must be based on the number of persons actually in lawful occupancy of the unit. The residential tenant or residential subtenant actually in lawful occupancy of the unit is entitled to the relocation assistance. Relocation assistance must be paid on or before the date the residential tenant or residential subtenant vacates and is in addition to any damage deposit or other compensation or refund to which the residential tenant or residential subtenant is otherwise entitled. Unpaid rent or other amounts owed by the residential tenant or residential subtenant to the landlord may be offset against the relocation assistance.

(ii) Elderly residential tenants or residential subtenants and residential tenants or residential subtenants with special needs who otherwise meet the requirements of (e) (i) (A) of this subsection must receive relocation assistance, the greater of:

(A) The sum described in (e) (i) of this subsection; or

(B) The sum of actual relocation expenses of the residential tenant or residential subtenant, up to a maximum of \$1,500 in excess of the sum described in (e) (i) of this subsection, which may include costs associated with the physical move, first month's rent, and the security deposit for the dwelling unit to which the residential tenant or residential subtenant is relocating, rent differentials for up to a six-month period, and any other reasonable costs or fees associated with the relocation. Receipts for relocation expenses must be provided to the declarant by eligible residential tenants or residential subtenants, and declarants must provide the relocation assistance to residential tenants or residential subtenants in a timely manner. The city or county may provide additional guidelines for the relocation assistance.

(iii) For the purposes of this subsection (6) (e):

(A) "Elderly" means a person who is at least 65 years of age; and

(B) "Special needs" means a chronic mental illness or physical disability, a developmental disability, or other condition affecting cognition, disease, chemical dependency, or a medical condition that is permanent, not reversible or curable, or is long lasting, and severely limits a person's mental or physical capacity for self-care;

(f) Except as authorized under (g) of this subsection, a declarant and any dealer may not begin any construction, remodeling, or repairs to any interior portion of an occupied building that is to become a conversion building during the 120-day notice period provided for in subsection (1) of this section unless all residential tenants and residential subtenants who have elected not to purchase a unit in the common interest community and who are in lawful occupancy in the building have vacated the premises. For the purposes of this subsection:

(i) "Construction, remodeling, or repairs" means the work that is done for the purpose of establishing or selling units in a conversion building, and does not mean the work that is done to maintain the building or lot for the residential use of the existing residential tenants or residential subtenants; and

(ii) "Occupied building" means a stand-alone structure occupied by residential tenants or residential subtenants and does not include other stand-alone buildings located on the property or detached common area facilities; and

(g) (i) If a declarant or dealer has offered existing residential tenants or residential subtenants an option to terminate an existing lease or rental agreement without cause or consequence as authorized under subsection (1) (c) of this section, a declarant and any dealer may begin construction, remodeling, or repairs to interior portions of an occupied building (A) to repair or remodel vacant units to be used as model units, if the repair or remodel is limited to one model for each unit type in the building; (B) to repair or remodel a vacant unit or common element for use as a sales office; or (C) to do both.

(ii) The work performed under this subsection (6) (g) must not violate the residential tenants' or residential subtenants' rights of quiet enjoyment during the 120-day notice period.

(7) Violations of any city or county ordinance adopted as authorized under subsection (6) of this section gives rise to such remedies, penalties, and causes of action that may be lawfully imposed by the city or county. Such violations do not invalidate the creation of the common interest community or the conveyance of any interest in the common interest community. [2022 c 165 s 6; 2018 c 277 s 412.]

Findings—Intent—2022 c 165: See note following RCW 43.180.245.

RCW 64.90.660 Conversion buildings—Common interest community

units—Report. (1) All cities and counties planning under RCW 36.70A.040, which have inspected any conversion buildings or managed the payment of relocation assistance within the jurisdiction within the previous twelve-month period, must report annually to the department of commerce the following information:

(a) The total number of apartment units converted into common interest community units;

(b) The total number of conversion common interest community projects; and

(c) The total number of residential tenants and residential subtenants who receive relocation assistance.

(2) Upon completion of a conversion common interest community project, a city or county may require the declarant to provide the information described in subsection (1) (a) and (c) of this section for the converted common interest community to the appropriately

designated department or agency in the city or county for the purpose of complying with subsection (1) of this section. [2018 c 277 s 413.]

RCW 64.90.665 Express warranties. (1) Subject to subsections (2) and (3) of this section, express warranties made by any declarant or dealer to a purchaser of a unit in a condominium, if relied upon by the purchaser in purchasing the unit, are created as follows:

(a) Any written affirmation of fact or written promise that relates to the unit, its use, or rights appurtenant to the unit or its use, improvements to the condominium that would directly benefit the unit, or the right to use or have the benefit of facilities not located in the condominium creates an express warranty that the unit and related rights and uses will not materially deviate from the affirmation or promise.

(b) Any written description of the physical characteristics of the condominium at the time the purchase agreement is executed, including plans and specifications of or for improvements, creates an express warranty that the condominium will conform to the written description in all material respects.

(c) Any written description of the quantity or extent of the real estate comprising the condominium, including plats or surveys, creates an express warranty that the condominium will conform to the description, subject to customary tolerances.

(d) A written statement that a purchaser may put a unit only to a specified use is an express warranty that the specified use is lawful.

(2) Subject to subsection (3) of this section, neither formal words, such as "warranty" or "guarantee," nor a specific intention to make a warranty are necessary to create an express warranty, but a statement of opinion or a commendation of the real estate, its quality, or its value does not create a warranty, and a statement, promise, model, depiction, or description does not create a warranty if it discloses that it is only proposed, is not representative, or is subject to change.

(3) A purchaser may not rely on any statement, affirmation, promise, model, depiction, or description unless it is contained in the public offering statement delivered to the purchaser or made in a record signed by the declarant or dealer, or the declarant's or dealer's agent identified in the public offering statement.

(4) Any conveyance of a unit transfers to the purchaser all express warranties of quality made by the declarant or dealer. [2018 c 277 s 414.]

RCW 64.90.670 Implied warranties of quality. (1) A declarant and any dealer warrants to a purchaser of a condominium unit that the unit will be in at least as good condition at the earlier of the time of the conveyance or delivery of possession as it was at the time of contracting, except for reasonable wear and tear and damage by casualty or condemnation.

(2) A declarant and any dealer impliedly warrants to a purchaser of a condominium unit that the unit and the common elements in the condominium are suitable for the ordinary uses of real estate of its type and that any improvements made or contracted for by such declarant or dealer will be:

(a) Free from defective materials;

(b) Constructed in accordance with engineering and construction standards, including applicable building codes, generally accepted in the state of Washington at the time of construction; and

(c) Constructed in a workmanlike manner.

(3) A declarant and any dealer warrants to a purchaser of a condominium unit that may be used for residential use that an existing use, continuation of which is contemplated by the parties, does not violate applicable law at the earlier of the time of conveyance or delivery of possession.

(4) Warranties imposed under this section may be excluded or modified as specified in RCW 64.90.675.

(5) For purposes of this section, improvements made or contracted for by an affiliate of a declarant are made or contracted for by the declarant.

(6) Any conveyance of a condominium unit transfers to the purchaser all of a declarant's or dealer's implied warranties of quality.

(7) (a) In a proceeding for breach of any of the obligations arising under this section, the purchaser must show that the alleged breach has adversely affected or will adversely affect the performance of that portion of the unit or common elements alleged to be in breach. Nothing in this section limits the ability of a board to bring claims on behalf of two or more unit owners pursuant to RCW 64.90.405(2)(d).

(b) To establish an adverse effect on performance, the purchaser is required to prove that the alleged breach:

(i) Is more than technical;

(ii) Is significant to a reasonable person; and

(iii) Has caused or will cause physical damage to the unit or common elements; has materially impaired the performance of mechanical, electrical, plumbing, elevator, or similar building equipment; or presents an actual, unreasonable safety risk to the occupants of the condominium.

(8) Proof of breach of any obligation arising under this section is not proof of damages. Damages awarded for a breach of a warranty arising under subsection (2) of this section are the reasonable cost of repairs. However, if it is established that the cost of such repairs is clearly disproportionate to the loss in market value caused by the breach, damages are limited to the loss in market value. [2019 c 238 s 102; 2018 c 277 s 415.]

RCW 64.90.675 Implied warranties of quality—Exclusion or modification. (1) Except as limited under subsection (2) of this section with respect to a purchaser of a condominium unit that may be used for residential use, implied warranties of quality under RCW 64.90.670:

(a) May be excluded or modified by written agreement of the parties; and

(b) Are excluded by written expression of disclaimer, such as "as is," "with all faults," or other language that in common understanding calls the buyer's attention to the exclusion of warranties.

(2) With respect to a purchaser of a condominium unit that may be used for residential use, no disclaimer of implied warranties of quality under RCW 64.90.670 is effective, except that a declarant and

any dealer may disclaim liability in an instrument for one or more specified defects or failures to comply with applicable law, if:

(a) The declarant or dealer knows or has reason to believe that the specific defects or failures exist at the time of disclosure;

(b) The disclaimer specifically describes the defects or failures;

(c) The disclaimer includes a statement as to the effect of the defects or failures;

(d) The disclaimer is boldfaced, capitalized, underlined, or otherwise set out from surrounding material so as to be conspicuous; and

(e) The disclaimer is signed by the purchaser.

(3) A declarant or dealer may not make an express written warranty of quality that limits the implied warranties of quality made to the purchaser set forth in RCW 64.90.670. [2018 c 277 s 416.]

RCW 64.90.680 Warranties of quality—Breach—Actions for construction defect claims. (1) A proceeding for breach of any obligations arising under RCW 64.90.665, 64.90.670, or 64.90.675 must be commenced within four years after the cause of action accrues. The period for commencing an action for a breach accruing pursuant to subsection (2)(a) of this section does not expire prior to one year after termination of the period of declarant control, if any, under RCW 64.90.415. Such periods may not be reduced by either oral or written agreement or through the use of contractual claims or notice procedures that require the filing or service of any claim or notice prior to the expiration of the period specified in this section.

(2) Subject to subsection (3) of this section, a cause of action for breach of warranty of quality, regardless of the purchaser's lack of knowledge of the breach, accrues:

(a) As to a unit, the latest of:

(i) The date the unit was conveyed to the purchaser to whom the warranty is first made; or

(ii) The date any portion of the unit that constitutes a building enclosure as defined in RCW 64.55.010(3) was completed; and

(b) As to each common element, at the latest of:

(i) The date the common element was completed;

(ii) The date the common element was added to the condominium; or

(iii) The date the first unit in the condominium was conveyed to a bona fide purchaser.

(3) If a warranty of quality explicitly extends to future performance or duration of any improvement or component of the condominium, the cause of action accrues at the time the breach is discovered or at the end of the period for which the warranty explicitly extends, whichever is earlier.

(4) If a written notice of claim is served under RCW 64.50.020 within the time prescribed for the filing of an action under this chapter, the statutes of limitation in this chapter and any applicable statutes of repose for construction-related claims are tolled until sixty days after the period of time during which the filing of an action is barred under RCW 64.50.020. [2018 c 277 s 417.]

RCW 64.90.685 Action to enforce right granted, obligation imposed—Court may award reasonable attorneys' fees and costs—

Alternative dispute resolution allowed. (1) A declarant, association, unit owner, or any other person subject to this chapter may bring an action to enforce a right granted or obligation imposed under this chapter or the governing documents. The court may award reasonable attorneys' fees and costs.

(2) Parties to a dispute arising under this chapter or the governing documents may agree at any time to resolve the dispute by any form of binding or nonbinding alternative dispute resolution. [2018 c 277 s 418.]

RCW 64.90.690 Promotional material—Labeling requirement.

Promotional material may not be displayed or delivered to prospective purchasers of a condominium unit that describes or portrays an unbuilt contemplated improvement in the condominium unless the description or portrayal of the improvement in the promotional material is conspicuously labeled or identified either as "MUST BE BUILT" or as "NEED NOT BE BUILT" or words to that effect. [2018 c 277 s 419.]

RCW 64.90.695 Improvements—Duties of declarant. (1) Except for improvements labeled "NEED NOT BE BUILT" on the map in conformity to RCW 64.90.245(9), the declarant must complete all improvements depicted on the map or other graphic representation of a condominium, if the map or other graphic representation is contained in the public offering statement or in any promotional material approved or authorized by the declarant with respect to the condominium.

(2) The declarant is subject to liability for the prompt repair and restoration, to a condition compatible with the remainder of the condominium, of any portion of the condominium damaged by the exercise of rights reserved pursuant to or created under RCW 64.90.250 through 64.90.280. [2018 c 277 s 420.]

RCW 64.90.700 Conversion building notice. A declarant or dealer who intends to offer units in a conversion building must provide a conversion building notice of the conversion to the Washington state housing finance commission no later than 120 days before the residential tenants and any residential subtenant in possession of a portion of a conversion building are required to vacate. [2022 c 165 s 4.]
