9 members not only learn about, but exercise, the core values and

14 creation, the legislative youth advisory council has studied, debated,  
15 and begun to formulate positions and recommendations on such important  
16 topics as education reform, school finance, public school learning  
17 environments, health and fitness education, and standardized testing.  
18 The legislature continues to stress the importance of civics education

1 and support the type of civic involvement by students exemplified by
