Dear Senator Rolfes and Representative Ormsby:

The Department of Enterprise Services (DES) is pleased to forward the 2022 Information Technology Contracts Report in accordance with section 148(4) [\[Supplemental Operating Budget Proviso\]](#) of the 2021-23 Operating Budget. The report includes 91% of agencies and institutions of higher education required to submit.

This was the first year DES required all reports be turned in by September 1<sup>st</sup> without any extensions. In the past, DES submitted a second report to the legislature in December that included the agencies that did not meet the initial September 1<sup>st</sup> deadline. This report is the only and final report for this year.

This report is available on the DES publication and reports website,  
<https://des.wa.gov/about/forms-publications/publications-reports>.

If there are any questions, concerns, or additional information we can provide, please contact Jaime Rossman, Assistant Director of Contracts and Procurement at (360) 407-9329 or [Jaime.Rossman@des.wa.gov](mailto:Jaime.Rossman@des.wa.gov).
