Dear Senator Robinson and Representative Ormsby,

The Department of Enterprise Services (DES) is pleased to forward the Information Technology Contracts Report in accordance with section 127 (4) of the [2023-25 Supplemental Operating Budget](#).

The proviso requires DES to receive, compile, and submit all state agency IT contracts each year to the legislative fiscal committees. To meet this requirement, all state agencies and higher education institutions must submit a list of their IT contracts to DES annually.

The 2024 report includes 92% of agencies and higher education institutions required to submit.

This report is available on the DES publication and reports website,
