

**WAC 132H-140-120 Trespass.** Individuals or groups who are not students or members of the faculty or staff and who violate these rules or whose conduct jeopardizes the health or safety of others, or whose conduct unreasonably impedes the college in pursuit of its educational mission will be advised of the specific nature of the violation, and if they persist in the violation, will be requested by the college president or designee to leave the college property. Such a request prohibits the entry of and withdraws the license or privilege to enter onto or remain upon any portion of the college property by the person or group of persons requested to leave. Such person(s) shall be subject to arrest under the criminal trespass provisions of chapter 9A.52 RCW or Bellevue city code.

When the college revokes the license or privilege of any person(s) to be on college property, temporarily or for a stated period of time, that person(s) may appeal that decision by submitting to the college president by certified mail, return receipt requested, a letter stating the reasons the person(s) should not be barred from college property. The college president or designee shall respond in writing within 15 calendar days with a final decision of the college. Absent exceptional circumstances as determined by the college president or designee, person(s) shall continue to be barred from college property while an appeal is pending.

Students, faculty, and staff of the college who do not comply with these regulations will be reported to the appropriate college office or agency for action in accordance with this chapter or with other applicable rules, regulations, or policies.
