WAC 16-436-180  Application of tolerances to individual packages. 
The contents of individual packages of peaches in a lot are subject to 
the following limitations as long as the average for the entire lot of 
peaches of a specific grade is within the tolerances specified for 
that grade. 

(1) Packages containing more than ten pounds with a tolerance of 
ten percent or more must have no more than 1-1/2 times the tolerance 
specified. 

(2) Packages containing more than ten pounds with a tolerance of 
less than ten percent must have no more than double the tolerance 
specified. 

(3) Packages containing ten pounds or less are not restricted as 
to the percentage of defects and sizes. However, only one peach that 
is seriously damaged by insects or affected by decay may be in any 
package.
