

WAC 16-462-025 Registered grapevines (G2/G3) and certified grape planting stock (G4)—Inspections. (1) Inspections of registered grapevines and certified grape planting stock will be performed by the department at times determined to be suitable for the detection of virus and virus-like disease symptoms.

(2) The department will conduct at least two inspections of registered (G2/G3) vines during each growing season.

(3) The department will inspect certified grape planting stock (G4) at least two times per year.

(4) The department will refuse or withdraw registration or certification for any planting stock that is infested or infected with any pest regulated under this chapter, or any quarantine pest listed in WAC 16-483-001.
