

WAC 173-184-020 Authority. (1) The legislature granted ecology the authority to adopt and enforce these rules regulating the transfer of oil on or over waters of the state under RCW 88.46.160 and 88.46.165.

(2) The owner or operator of any vessel involved in an oil transfer over state waters must allow ecology access for the purposes of ensuring compliance with the requirements of this chapter.

[Statutory Authority: RCW 88.46.160, 88.46.165, and chapter 90.56 RCW. WSR 06-20-034 (Order 06-02), § 173-184-020, filed 9/25/06, effective 10/26/06.]
