(c) The land reuse potential of the hazardous waste site;
(d) Whether the hazardous waste site is located within a highly impacted community;
(e) The readiness of the applicant to start and complete the work to be funded by the grant and the performance of the applicant under prior grant agreements;
(f) The ability of the grant to expedite the cleanup of the hazardous waste site;
(g) The ability of the grant to leverage other public or private funding for the cleanup and reuse of the hazardous waste site;
