Surviving spouses, state registered domestic partners, and dependent children of emergency service personnel who are killed in the line of duty are eligible to enroll or defer enrollment in public employees benefits board (PEBB) retiree insurance coverage.

(1) This section applies to the surviving spouse, the surviving state registered domestic partner, and dependent children of emergency service personnel "killed in the line of duty" as determined by the Washington state department of labor and industries.

(2) "Emergency service personnel" means law enforcement officers and firefighters as defined in RCW 41.26.030, members of the Washington state patrol retirement fund as defined in RCW 43.43.120, and reserve officers and firefighters as defined in RCW 41.24.010.

   (a) A lawful spouse;
   (b) An ex-spouse as defined in RCW 41.26.162;
   (c) A state registered domestic partner as defined in RCW 26.60.020(1); and
   (d) Children. The term "children" includes children of the emergency service worker up to age twenty-six. Children with disabilities as defined in RCW 41.26.030(6) are eligible at any age. "Children" is defined as:
      (i) Biological children (including the emergency service worker's posthumous children);
      (ii) Stepchildren or children of a state registered domestic partner;
      (iii) Legally adopted children;
      (iv) Children for whom the subscriber has assumed a legal obligation for total or partial support in anticipation of adoption of the child;
      (v) Children specified in a court order or divorce decree; or
      (vi) Children as defined in RCW 26.26A.100.

(4) Surviving spouses, state registered domestic partners, and children who are eligible for medicare must enroll in both Parts A and B of medicare.

Note: For the exclusive purpose of medicare Part A as described in this subsection, "eligible" means the enrollee is eligible for medicare Part A without a monthly premium.

(5) The survivor (or agent acting on their behalf) must submit the required forms to the PEBB program to either enroll or defer enrollment in PEBB retiree insurance coverage as described in subsection (7) of this section. The forms must be received by the PEBB program no later than one hundred eighty days after the later of:
   (a) The death of the emergency service worker;
   (b) The date on the letter from the department of retirement systems or the board for volunteer firefighters and reserve officers that informs the survivor that they are determined to be an eligible survivor;
   (c) The last day the surviving spouse, state registered domestic partner, or child was covered under any health plan through the emergency service worker's employer; or
   (d) The last day the surviving spouse, state registered domestic partner, or child was covered under the Consolidated Omnibus Budget
Reconciliation Act (COBRA) coverage from the emergency service worker's employer.

(6) Survivors who do not choose to defer enrollment in PEBB retiree insurance coverage may choose among the following options for when their enrollment in a PEBB health plan will begin:

(a) June 1, 2006, for survivors whose required forms are received by the PEBB program no later than September 1, 2006;

(b) The first of the month that is not earlier than sixty days before the date that the PEBB program receives the required forms (for example, if the PEBB program receives the required forms on August 29th, the survivor may request health plan enrollment to begin on July 1st); or

(c) The first of the month after the date that the PEBB program receives the required forms.

Exception: Enrollment in the PEBB program's medicare advantage or medicare advantage-prescription drug plan may not be retroactive. If the forms are received after the date enrollment in PEBB retiree insurance coverage is to begin, the survivor may not select a medicare advantage or medicare advantage-prescription drug plan until a special enrollment period as described in WAC 182-08-198(2).

For surviving spouses, state registered domestic partners, and children who enroll, monthly health plan premiums and applicable premium surcharges must be paid by the survivor as described in WAC 182-08-180 (1)(c) except as provided in RCW 41.26.510(5) and 43.43.285 (2)(b).

(7) Survivors must choose one of the following two options to maintain eligibility for PEBB retiree insurance coverage:

(a) Enroll in a PEBB health plan:
   (i) Enroll in medical; or
   (ii) Enroll in medical and dental.
   (iii) Dental only is not an option.

(b) Defer enrollment:
   (i) Survivors may defer enrollment in PEBB retiree insurance coverage if continuously enrolled in qualifying coverage as described in WAC 182-12-205(3).
   (ii) Survivors may enroll in a PEBB health plan as described in WAC 182-12-205(6). Survivors must provide evidence that they were continuously enrolled in one or more qualifying coverages as described in WAC 182-12-205 (3)(a) through (e) when enrolling in a PEBB health plan.

Exception: Enrollment in the PEBB program's medicare advantage or medicare advantage-prescription drug plan may not be retroactive so the required forms and evidence of continuous enrollment must be received by the PEBB program no later than the last day of the month prior to the month coverage ends. If the forms are received after the date enrollment in PEBB retiree insurance coverage is to begin, the survivor may not select a medicare advantage or medicare advantage-prescription drug plan until a special enrollment period as described in WAC 182-08-198(2).

   (iii) PEBB health plan enrollment and premiums will begin the first day of the month following the day that the other coverage ended for eligible spouses and children who enroll.

(8) Survivors may change their health plan during the annual open enrollment. In addition to the annual open enrollment, survivors may change health plans as described in WAC 182-08-198.

(9) Survivors will lose their right to enroll in PEBB retiree insurance coverage if they:

(a) Do not apply to enroll or defer enrollment within the timelines as described in subsection (5) of this section; or

(b) Do not maintain continuous enrollment in other qualifying coverage during the deferral period, as described in subsection (7)(b)(i) of this section.

If a subscriber elects to enroll in a MA plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in a plan with the same contracted vendor during the gap month(s) prior to when the MA coverage begins.
