

WAC 182-30-050 What are the requirements regarding premium surcharges? (1) A subscriber's account will incur a premium surcharge in addition to the subscriber's monthly medical premium, when any enrollee, thirteen years and older, engages in tobacco use.

(a) A subscriber must attest to whether any enrollee, thirteen years and older, enrolled in their school employees benefits board (SEBB) medical engages in tobacco use. The subscriber must attest as described in (a) (i) through (v) of this subsection:

(i) A school employee who is newly eligible or regains eligibility for the employer contribution toward SEBB benefits must complete the required form to enroll in SEBB medical as described in WAC 182-30-080 (1) or (3). The school employee must include their attestation on that form. The school employee must submit the form to their SEBB organization. If the school employee's attestation results in a premium surcharge, it will take effect the same date as SEBB medical begins;

(ii) If there is a change in the tobacco use status of any enrollee, thirteen years and older on the subscriber's SEBB medical, the subscriber must update their attestation on the required form. A school employee must submit the form to their SEBB organization. A subscriber on continuation coverage must submit their updated form to the SEBB program. The attestation change will apply as follows:

- A change that results in a premium surcharge will begin the first day of the month following the status change. If that day is the first of the month, the change to the surcharge begins on that day.

- A change that results in removing the premium surcharge will begin the first day of the month following receipt of the attestation. If that day is the first of the month, the change to the surcharge begins on that day.

(iii) If a subscriber submits the required form to enroll a dependent, thirteen years and older, in SEBB medical as described in WAC 182-31-150, the subscriber must attest for their dependent on the required form. A school employee must submit the form to their SEBB organization. A subscriber on continuation coverage must submit their form to the SEBB program. The enrollee must submit their form to the SEBB program. An attestation that results in a premium surcharge will take effect the same date as SEBB medical begins; or

(v) A school employee who previously waived SEBB medical must complete the required form to enroll in SEBB medical as described in WAC 182-31-080(3). The school employee must submit their attestation on that form. A school employee must submit the form to their SEBB organization. An attestation that results in a premium surcharge will take effect the same date as SEBB medical begins.

Note: A school employee who waives SEBB medical as described in WAC 182-31-080 is not required to provide an attestation and no premium surcharge will be applied to their account as long as the school employee remains in waived status.

(b) A subscriber's account will incur a premium surcharge when a subscriber fails to attest to the tobacco use status of all enrollees as described in (a) of this subsection.

(c) The SEBB program will provide reasonable alternatives for enrollees who use tobacco products. A subscriber can avoid the tobacco use premium surcharge if the subscriber attests on the required form

that all enrollees who use tobacco products enrolled in or accessed one of the applicable reasonable alternatives offered below:

(i) An enrollee who is eighteen years and older and uses tobacco products is currently enrolled in the free tobacco cessation program through their SEBB medical.

(2) A subscriber will incur a premium surcharge, in addition to the subscriber's monthly medical premium, if an enrolled spouse or state registered domestic partner has chosen not to enroll in another employer-based group medical where the spouse's or state registered domestic partner's share of the medical premium is less than ninety-five percent of the additional cost a school employee would be required to pay to enroll a spouse or state registered domestic partner in the public employees benefits board (PEBB) Uniform Medical Plan (UMP) Classic and the benefits have an actuarial value of at least ninety-five percent of the actuarial value of the PEBB UMP Classic's benefits.

(a) A subscriber who enrolled a spouse or state registered domestic partner under their SEBB medical may only attest during the following times:

The subscriber must complete the required form to enroll their spouse or state registered domestic partner, and include their attestation on that form. The school employee must submit the form to their SEBB organization. A subscriber on continuation coverage must submit the form to the SEBB program. - Incurring the surcharge;
- Not incurring the surcharge because the spouse's or state registered domestic partner's share of the medical premium through their employer-based group medical was more than ninety-five percent of the additional cost a school employee would be required to pay to enroll a spouse or state registered domestic partner in the PEBB UMP Classic; or
- Not incurring the surcharge because the actuarial value of benefits provided through the spouse's or state registered domestic partner's employer-based group medical was less than ninety-five percent of the actuarial value of the PEBB UMP Classic's benefits.

A subscriber must update their attestation on the required form. A school employee must submit the form to their SEBB organization. If the subscriber's attestation results in a premium surcharge, being added or removed,

the change to the surcharge will take effect January 1st of the following year.

(iii) When there is a change in the spouse's or state registered domestic partner's employer-based group medical. A subscriber must update their attestation on the required form. A school employee must submit the form to their SEBB organization no later than sixty days after the spouse's or state registered domestic partner's employer-based group medical status changes. A subscriber on continuation coverage must submit the form to the SEBB program no later than sixty days after the spouse's or state registered domestic partner's employer-based group medical status changes.

- A change that results in a premium surcharge will begin the first day of the month following the status change. If that day is the first day of the month, the change to the premium surcharge begins on that day.

- A change that results in removing the premium surcharge will begin the first day of the month following receipt of the attestation. If that day is the first day of the month, the change to the premium surcharge begins on that day.
