**WAC 182-504-0015 Washington apple health—Certification periods for categorically needy programs.**

(1) A certification period is the period of time we determine that you are eligible for a categorically needy (CN) Washington apple health program. Unless otherwise stated in this section, the certification period begins on the first day of the month of application and continues through the end of the last month of the certification period.

(2) For a newborn eligible for apple health, the certification period begins on the child's date of birth and continues through the end of the month of the child's first birthday.

(3) If you are eligible for apple health based on pregnancy, the certification period continues through the last day of the month the pregnancy ends. After-pregnancy coverage begins the first day of the month, following the end of the pregnancy, and ends the last day of the 12th month from the time after-pregnancy coverage began.

(4) If you are newly eligible for apple health coverage and had a pregnancy end within the last 12 months, your certification period for after-pregnancy coverage:

(a) Begins the first day of the month you are eligible; and

(b) Ends the last day of the 12th month following the end of your pregnancy.

(5) If you are eligible for the refugee program, the certification period ends at the end of the 12th month following your date of entry to the United States.

(6) For all other CN coverage, the certification period is 12 months.

(7) If you are a child, eligibility is continuous throughout the certification period regardless of a change in circumstances, unless a required premium (described in WAC 182-505-0225) is not paid for three consecutive months, or you:

(a) Turn age 19;

(b) Move out-of-state; or

(c) Die.

(8) When you turn 19, the certification period ends after the re-determination process described in WAC 182-504-0125 is completed, even if the 12-month period is not over, unless:

(a) You are receiving inpatient services (described in WAC 182-514-0230) on the last day of the month you turn 19;

(b) The inpatient stay continues into the following month or months; and

(c) You remain eligible except for turning age 19.

(9) A retroactive certification period is described in WAC 182-504-0005.

(10) Coverage under premium-based programs included in apple health for kids as described in chapter 182-505 WAC begins no sooner than the month after creditable coverage ends.

**WAC 182-504-0035 Washington apple health—Renewals.** (1) For all Washington apple health (WAH) programs, the following applies:

(a) You are required to complete a renewal of eligibility at least every twelve months with the following exceptions:

(i) If you are eligible for WAH medically needy with spenddown, then you must complete a new application at the end of each three- or six-month base period;

(ii) If you are eligible for WAH alien emergency medical, then you are certified for a specific period of time to cover emergency in-patient hospitalization costs only (see WAC 182-507-0115(8)); or

(iii) If you are eligible for WAH refugee coverage, you must complete a renewal of eligibility after eight months.

(b) You may complete renewals online, by phone, or by paper application that you mail or fax to us (the agency or its designee).

(c) If your WAH is renewed, we decide the certification period according to WAC 182-504-0015.

(d) We review all eligibility factors subject to change during the renewal process.

(e) We redetermine eligibility as described in WAC 182-504-0125 and send you written notice as described in WAC 182-518-0005 before WAH is terminated.

(f) If you need help meeting the requirements of this section, we provide equal access services as described in WAC 182-503-0120.

(2) For programs based on modified adjusted gross income (MAGI) as described in WAC 182-503-0510:

(a) Sixty days prior to the end of the certification period:

(i) When information from electronic sources shows income is reasonably compatible (as defined in WAC 182-500-0095), we administratively renew your coverage (as defined in WAC 182-500-0010) for a new certification period and send you a notice of renewal with the information used. You are required to inform us if any of the information we used is wrong.

(ii) If we are unable to complete an administrative renewal (as defined in WAC 182-500-0010), you must give us a signed renewal in order for us to decide if you will continue to get WAH coverage beyond the current certification period.

(iii) We follow the requirements described in WAC 182-518-0015 to request any additional information needed to complete the renewal process or to terminate coverage for failure to renew.

(b) If your WAH coverage is terminated because you did not renew, you have ninety days from the termination date to give us a completed renewal. If we decide you are still eligible to get WAH coverage, we will restore your WAH without a gap in coverage.

(3) For non-MAGI based programs (as described in WAC 182-503-0510):

(a) Forty-five days prior to the end of the certification period, we send notice with a renewal form to be completed, signed, and returned by the end of the certification period.

(b) We follow the requirements in WAC 182-518-0015 to request any additional information needed to complete the renewal process or to terminate coverage for failure to renew.

(c) If you are terminated for failure to renew, you have thirty days from the termination date to submit a completed renewal. If still eligible, we will restore your WAH without a gap in coverage.

(4) If we determine that you are not eligible for renewal of your WAH coverage, we:

(a) Consider your eligibility for all other WAH programs before ending your WAH coverage; and

(b) Coordinate with the health benefit exchange any request for information that is necessary to determine your eligibility for:

(i) Other WAH programs; and

(ii) With respect to qualified health plans, health insurance premium tax credits (as defined in WAC 182-500-0045) and cost-sharing reductions (as defined in WAC 182-500-0020).

(5) We reconsider our decision that you are not eligible for WAH coverage without a new application from you when:

(a) We receive the information that we need to decide if you are eligible within thirty days of the date on the termination notice; or

(b) You request a hearing within ninety days of the date on the renewal denial letter and an administrative law judge (ALJ) or HCA review judge decides our decision was wrong (per chapter 182-526 WAC).

(6) If you disagree with our decision, you can ask for a hearing. If we decided that you are not eligible for renewal because we do not have enough information, the ALJ will consider the information we already have and anymore information you give us. The ALJ does not consider the previous absence of information or failure to respond in determining if you are eligible.

**WAC 182-504-0105 Washington apple health—Changes that must be reported.** (1) You must report changes in your household and family circumstances to us (the agency or its designee) timely according to WAC 182-504-0110.

(2) We tell you what you are required to report at the time you are approved for WAH coverage. We also will tell you if the reporting requirements change.

(3) You must report the following:

(a) Change in residential address;

(b) Change in mailing address;

(c) Change in marital status;

(d) When family members or dependents move in or out of the residence;

(e) Pregnancy;

(a) When total income increases or total deductions decrease by one hundred fifty dollars or more a month and the change will continue for at least two months;

**WAC 182-504-0110 Washington apple health—When to report changes.**

(1) All changes you report to us (the agency or its designee), as required by WAC 182-504-0105, are used to decide if you can receive or keep receiving Washington apple health (WAH) coverage.

(2) You must report changes during your certification period within thirty days of when the change happened.

(3) You must report all changes during application, renewal, or redetermination of your WAH eligibility, regardless of when the change happened.

(4) For a change in income, the date a change happened is the first date you received income based on the change. For example, the date you receive your first paycheck for a new job or the date you got a paycheck with a wage increase is the date the change happened.

(5) If you do not report a change or you report a change late, we will decide if you can receive or keep receiving WAH coverage based on the date the change was required to be reported.

(6) If you do not report a change or you report a change late, and if it affects the amount you must pay toward your cost of care as described in WAC 182-513-1380 or chapter 182-515 WAC, you may become liable for overpayments we make on your behalf and you may need to pay more to your care provider.

(7) If you do not report a change or you report a change late, it may result in us overpaying you and you having to pay us back for the health care costs we overpaid. See chapter 182-520 WAC.

**WAC 182-504-0120 Washington apple health—Effective dates of changes.**

(1) We (the agency or its designee) determine the date a change affects your Washington apple health (WAH) coverage based on:

- (a) The date you report the change to us;
- (b) The date you give us the requested verification; and
- (c) The type of WAH you or your family is receiving.

(2) When you report a change after you submit your application, but before your application is processed, the change is considered when processing your application.

(3) If another person, agency, or data source reports a change in circumstances, the information may be used in determining your eligibility. We will not rely on information received from a person, agency, or data source to terminate your WAH coverage without requesting additional information from you.

(4) A change in income affects your ongoing eligibility only if it is expected to continue beyond the month when the change is reported, and only if it is expected to last more than two months.

(5) A change that results in termination of your WAH coverage takes effect the first of the month following the advance notice period.

(6) The advance notice period:

- (a) Begins on the day we send the letter about the change to you; and
- (b) Is determined according to the rules in WAC 182-518-0025.

(7) A change that results in a decreased scope of care takes effect on the first of the month following the advance notice period. Examples of a decreased scope of care are:

(a) Termination of WAH categorically needy (CN) medical and approval for other WAH coverage with a lesser scope of care such as WAH medically needy (MN) medical;

(b) WAH-MN recipient with a change that increases the spenddown liability amount;

(c) WAH-MN recipient with no spenddown liability with a change that results in WAH-MN with a spenddown liability.

(8) A change that results in an increased scope of care takes effect on the first of the month following the date the change was reported, when you provide the required verification:

- (a) Within ten days of the date we requested the verification; or
- (b) By the end of the month of your change report, whichever is later.

If you are a WAH-MN applicant with a spenddown liability that has not yet been met and you report a change that results in your becoming eligible for WAH-CN medical or WAH for adults, your change report will be treated as a new application for purposes of retroactive WAH coverage as described in WAC 182-504-0005.

(9) If you do not provide the required verification timely under subsection (8) of this section, we make the change effective the first of the month following the month in which you provide the verification. We may terminate your WAH coverage if you do not provide the required verification.

(10) When a law or regulation requires a change in WAH, the date specified by the law or regulation is the effective date of the change.

(11) When a change in income or allowable expenses is reported timely (within thirty days) and changes the amount you pay towards the cost of your care for institutional programs (residing in a medical institution), we calculate your new participation amount based on:

(a) Either actual income received in a month or allowable deductions incurred in a month, or both; or

(b) An estimate of your monthly or allowable expenses in a prospective period of six months or less, based on both actual income received in a preceding period of six months or less and income expected to be received during the prospective period. At the end of the prospective period or when any significant change occurs, we reconcile this estimate for the period with income received during the same period.

(12) When a change in income, or allowable expenses, changes the amount you pay towards the cost of your care for a home and community-based waiver or service, we calculate your new participation amount effective the first of the month following the date the change was reported, except that the new participation amount will be effective the month the change occurs if the change is the loss of an income source that you report within thirty days of the change.

(13) We use the following rules to determine the effective date of change for the health care for workers with disabilities (HWD) program:

(a) HWD coverage begins the month after coverage in another medical program ends and the premium amount has been approved by the eligible person; and

(b) If a change in income increases or decreases the monthly premium, the change is effective the first of the month after the change is reported. For more information on premium requirements for this program, see WAC 182-511-1250.

**WAC 182-504-0125 Washington apple health—Effect of reported changes.**

(1) If you report a change required under WAC 182-504-0105 during a certification period, you continue to be eligible for Washington apple health coverage until we decide if you can keep getting apple health coverage under your current apple health program or a different apple health program.

(2) If your apple health categorically needy (CN) coverage ends due to a reported change and you meet all the eligibility requirements for a different apple health CN program, we will approve your coverage under the new apple health CN program. If you are not eligible for coverage under any apple health CN program but you meet the eligibility requirements for either apple health alternative benefits plan (ABP) coverage or apple health medically needy (MN) coverage, we will approve your coverage under the program you are eligible for. If you are not eligible for coverage under any apple health CN program but you meet the eligibility requirements for both apple health ABP coverage and apple health MN coverage, we will approve the apple health ABP

coverage unless you notify us that you prefer apple health MN coverage.

(3) If your apple health coverage ends and you are not eligible for a different apple health program, we stop your apple health coverage after giving you advance and adequate notice unless the exception in subsection (4) of this section applies to you.

(4) If you claim to have a disability and that is the only basis for you to be potentially eligible for apple health coverage, then we refer you to the division of disability determination services (within the department of social and health services) for a disability determination. Pending the outcome of the disability determination, we also determine if you are eligible for apple health coverage under the SSI-related medical program described in chapter 182-512 WAC. If you have countable income in excess of the SSI-related categorically needy income level (CNIL), then we look to see if you can get coverage under apple health MN with spenddown as described in chapter 182-519 WAC pending the final outcome of the disability determination.

(5) If you are eligible for and receive coverage under the apple health parent and caretaker relative program described in WAC 182-505-0240, you may be eligible for the apple health medical extension program described in WAC 182-523-0100, if your coverage ends as a result of an increase in your earned income.

(6) Changes in income during a certification period do not affect eligibility for the following programs:

(a) Apple health for pregnant women;

(b) Apple health for children, except as specified in subsection (7) of this section;

(c) Apple health for SSI recipients;

(d) Apple health refugee program; and

(e) Apple health medical extension program.

(7) We redetermine eligibility for children receiving apple health for kids premium-based coverage described in WAC 182-505-0210 when the:

(a) Household's countable income decreases to a percentage of the federal poverty level (FPL) that would result in either a change in premium for apple health for kids with premiums or the children becoming eligible for apple health for kids (without premiums);

(b) Child becomes pregnant;

(c) Family size changes; or

(d) Child receives SSI.

(8) If you get SSI-related apple health CN coverage and report a change in work or earned income which results in a determination by the division of disability determination services that you no longer meet the definition of a disabled person as described in WAC 182-512-0050 due to work or earnings at the level of substantial gainful activity (SGA), we redetermine your eligibility for coverage under the health care for workers with disabilities (HWD) program. The HWD program is a premium-based program that waives the SGA work or earnings test, and you must approve the premium amount before we can authorize coverage under this program. For HWD program rules, see chapter 182-511 WAC.

**WAC 182-504-0130 Washington apple health—Continued coverage pending an appeal.**

(1) Continued coverage is when you continue to receive Washington apple health benefits while appealing a medicaid agency adverse action to terminate, suspend, or reduce your:

- (a) Medicaid eligibility; or
- (b) Authorization for a covered service.

(2) To qualify for continued coverage, you must request a hearing on the adverse action no later than:

- (a) The tenth day after we (the medicaid agency or its designee) sent a notice of the action to you; or
- (b) The last day of the month before the action takes effect.

(3) If your last day to request a hearing and still qualify for continued coverage falls on a Saturday, Sunday, or a designated holiday under WAC 357-31-005, you have until 5:00 p.m. on the next business day to request the hearing.

(4) Continued coverage ends when:

(a) You state in writing you no longer wish to receive continued coverage;

- (b) You withdraw the appeal;
- (c) You default and an order of dismissal is entered;
- (d) An administrative law judge or a review judge issues an adverse ruling or written decision:

- (i) Terminating your continued coverage; or
- (ii) Ruling you do not qualify for benefits.

(5) You cannot receive continued coverage if the adverse action was due solely to a change in statute, federal regulation, or administrative rule, unless there is a question about whether you are in the class of people affected by the change.

(6) If you are receiving medically needy coverage, you cannot receive continued coverage past the end of the certification period described in WAC 182-504-0020.

(7) If you are receiving coverage under an alien medical program, you cannot receive continued coverage past the end of the certification period described in chapter 182-507 WAC.
