

WAC 182-507-0110 Washington apple health—Alien medical programs. (1) To qualify for an alien medical program (AMP) a person must:

(a) Be ineligible for federally funded Washington apple health (WAH) programs due to the citizenship/alien status requirements described in WAC 182-503-0535;

(b) Meet the requirements described in WAC 182-507-0115, 182-507-0120, or 182-507-0125; and

(c) Meet all categorical and financial eligibility criteria for one of the following programs, except for the Social Security number or citizenship/alien status requirements:

(i) An SSI-related medical program described in chapters 182-511 and 182-512 WAC;

(ii) A MAGI-based program referred to in WAC 182-503-0510; or

(iii) The breast and cervical cancer treatment program for women described in WAC 182-505-0120; or

(iv) A medical extension described in WAC 182-523-0100.

(2) AMP medically needy (MN) health care coverage is available only for children, pregnant women and persons who meet SSI-related criteria. See WAC 182-519-0100 for MN eligibility and WAC 182-519-0110 for spending down excess income under the MN program.

(3) The agency or its designee does not consider a person's date of arrival in the United States when determining eligibility for AMP.

(4) For non-MAGI-based programs, the agency or its designee does not consider a sponsor's income and resources when determining eligibility for AMP, unless the sponsor makes the income or resources available. Sponsor deeming does not apply to MAGI-based programs.

(5) A person is not eligible for AMP if that person entered the state specifically to obtain medical care.

(6) A person who the agency or its designee determines is eligible for AMP may be eligible for retroactive coverage as described in WAC 182-504-0005.

(7) Once the agency or its designee determines financial and categorical eligibility for AMP, the agency or its designee then determines whether a person meets the requirements described in WAC 182-507-0115, 182-507-0120, or 182-507-0125.
