

WAC 182-538D-0264 Behavioral health administrative service organizations and managed care organizations—Quality plan. A behavioral health administrative service organization (BH-ASO) and managed care organization (MCO) must have a quality plan for continuous quality improvement in the delivery of culturally competent behavioral health services. See WAC 182-538-140 for MCOs and WAC 182-538C-040 for BH-ASOs.
