

WAC 194-22-140 Utility exemption from plan. The state expects all electric utilities to comply with all aspects of this plan, and to work together to assist each other in conforming to curtailment requirements. Nevertheless, utilities may appeal to the state requesting an exemption from any aspect of this plan. A petition for exemption shall identify specific requirements from which a utility wishes to be exempted, demonstration of need for the exemption, and alternative actions the utility will take in lieu of complying with plan requirements.
