

**WAC 220-660-460 Informal appeal of administrative actions.** An informal appeal is an internal department review of a department HPA decision and is conducted under chapter 34.05 RCW (Administrative Procedure Act).

(1) The department recommends that a person aggrieved by a department HPA decision contact the department employee responsible for making the decision before initiating an informal appeal. Discussion of concerns with the department employee often results in a resolution without the need for an informal appeal.

(2) The department encourages a person aggrieved by a department HPA decision to take advantage of the informal appeal process before initiating a formal appeal. However, a person may pursue a formal appeal under WAC 220-660-470 without first obtaining informal review under this section.

This rule does not apply to pamphlet HPAs. A person who disagrees with a provision in a pamphlet HPA may apply for an individual, written HPA.

This rule does not apply to correction requests issued following a technical assistance visit or compliance inspection under WAC 220-660-480.

(3) Requesting an informal appeal.

(a) Any person with legal standing may request an informal appeal of the issuance, denial, provisioning, or modification of an HPA, the rejection of a fish habitat enhancement project application, or a pre-application determination.

(b) Issuance of a stop work order or notice to comply may be informally appealed only by the project proponent who received the notice or order or by the owner of the land on which the hydraulic project is located.

(c) Issuance of a notice of civil penalty may be informally appealed only by the person incurring the penalty.

(4) A request for an informal appeal must be in writing and must be received by the department within thirty days from the date of receipt of the decision, order, or notice. "Date of receipt" means:

(a) Five business days after the date of mailing; or

(b) The date of actual receipt, when the actual receipt date can be proven by a preponderance of the evidence, up to forty-five days from the date of mailing. A person's sworn affidavit or declaration indicating the date of receipt, which is unchallenged by the department, must constitute enough evidence of actual receipt.

(5) A request for informal appeal must be submitted in one of the following ways:

(a) Mailed to the:

HPA Appeals Coordinator  
Department of Fish and Wildlife  
Habitat Program  
P.O. Box 43234  
Olympia, WA 98504-3234;

(b) Email: [HPAapplications@dfw.wa.gov](mailto:HPAapplications@dfw.wa.gov);

(c) Fax: 360-902-2946; or

(d) Hand delivered to the Natural Resources Building, 1111 Washington Street S.E., Habitat Program, Fifth Floor.

(6) The request must be plainly labeled as "Request for Informal Appeal" and must include the following:

(a) The appellant's name, address, email address (if available), and phone number;

- (b) The specific department action that the appellant contests;
  - (c) The date of the specific department action being contested;
  - (d) The log number or a copy of the HPA, or a copy of the specific department action that the appellant contests;
  - (e) A short and plain statement explaining why the appellant considers the department action or order to provide inadequate protection of fish life or to be otherwise unlawful;
  - (f) A clear and concise statement of facts to explain the appellant's grounds for appeal;
  - (g) Whether the appellant is the permittee, HPA applicant, landowner, resident, or another person with an interest in the department action in question;
  - (h) The specific relief requested;
  - (i) The attorney's name, address, email address (if available), and phone number, if the appellant is represented by legal counsel; and
  - (j) The signature of the appellant or his or her attorney.
- (7) Upon receipt of a valid request for an informal appeal, the department may initiate a review of the department action.
- (8) Informal conference. If the appellant agrees, and the appellant applied for the HPA, resolution of the appeal may be facilitated through an informal conference. The informal conference is an optional part of the informal appeal and is normally a discussion between the appellant, the department employee responsible for the decision, and a supervisor. The time period for the department to issue a decision on an informal appeal is suspended during the informal conference process.
- (9) Informal appeal hearing. If the appeal is received from a person who is not the permittee, or if the appeal involves an order imposing civil penalties, or if a resolution is not reached through the informal conference process, then the HPA appeals coordinator or designee may conduct an informal appeal hearing or review. Upon completion of the informal appeal hearing or review, the HPA appeals coordinator or designee must recommend a decision to the director or designee. The director or designee must approve or decline to approve the recommended decision within sixty days of the date the department received the request for informal appeal, unless the appellant agrees to an extension of time. The department must notify the appellant in writing of the decision of the director or designee.
- (10) If the department declines to initiate an informal review of its action after receipt of a valid request, or the appellant still wishes to contest the department action following completion of the informal appeal process, the appellant may initiate a formal appeal under WAC 220-660-470. Formal review must be requested within the time periods specified in WAC 220-660-470.
