

WAC 246-243-110 Utilization logs. (1) Each licensee shall maintain current logs, which shall be kept available for inspection by the department for three years from the date of the recorded event, at the address specified in the license showing for each sealed source and radiation exposure device the following information:

(a) A description (including the make, model and serial number) of each radiation exposure device or transport or storage container in which the sealed source is located:

(b) The identity and signature of the radiographer to whom assigned; and

(c) Locations where used and dates of use including the dates removed and returned to storage.

(2) A separately identified utilization log is not required if the equivalent information is available in records of the licensee and available at the address specified in the license.
