

WAC 246-341-0100 Behavioral health services—Purpose and scope.

(1) The rules in this chapter provide a single set of rules for agencies to follow that provide any one or more of the following behavioral health services:

(a) Mental health services;

(b) Substance use disorder services;

(c) Co-occurring services (services to individuals with co-existing mental health and substance use disorders); and

(d) Problem and pathological gambling;

(2) These rules establish the following for agencies that provide behavioral health services:

(a) Licensure and certification requirements;

(b) Agency administrative requirements;

(c) Agency personnel requirements; and

(d) Agency clinical policies and procedures.

[Statutory Authority: 2018 c 201 and 2018 c 291. WSR 19-09-062, § 246-341-0100, filed 4/16/19, effective 5/17/19.]
