(1) The department annually shall calculate the amount of assessment due from each hospital, and shall prepare and mail to such hospital a statement indicating the amount of the assessment. The assessment shall be paid within ninety days after the statement of such assessment is mailed by the department.

(2) An assessment reminder notice shall be mailed forty-five days after the mailing of the initial statement.

(3) A second assessment reminder notice shall be mailed ninety days after the mailing of the initial statement. This reminder shall declare the assessment delinquent and a penalty shall be payable, calculated as interest on the delinquent assessment at the rate of twelve percent per annum.

(4) A third assessment reminder notice shall be mailed one hundred twenty days after the mailing of the initial statement. This reminder shall state the delinquent status of the assessment and the total accrued interest to the date of this reminder notice.

(5) A fourth assessment reminder notice shall be mailed one hundred fifty days after the mailing of the initial statement. This reminder shall be the final reminder and shall state the amount of the delinquent assessment and total interest accrued to the date of this reminder. In addition, the hospital will be notified that if payment of the assessment and all accrued interest is not made within thirty days of the reminder, the account will be sent to the attorney general for appropriate action.

(6) Whenever a partial payment is made, the remaining balance shall be treated in the same manner as provided in subsections (2) through (5) of this section.

WAC 246-451-040 Assessment exceptions. (1) Upon receipt of a request in detail to the satisfaction of the department, the department may grant an exemption from assessment to a hospital for such assessment period(s) or portion thereof as the department shall specify, for the following reasons:

(a) The hospital was not in operation for the entire twelve months of its assessable fiscal year. (Such hospital, however, shall be liable for an assessment based on its gross operating costs for the period of its assessable fiscal year during which it was in operation.)

(b) The hospital charges no fee to users of its services; presents no billing, either direct or indirect, to users of its services; and presents no billing and accepts no payment for services from private or public insurers.
(2) The request for an exemption from assessment shall specify the assessment period(s) or portion thereof for which exemption is sought, and the reasons why the department should grant the exemption. A request for an exemption shall be acted upon by the department within sixty days of the receipt thereof.

(3) Any hospital granted an exemption from assessment under this chapter, nevertheless, shall be required to conform to all reporting requirements as the department may prescribe.

(4) An entity that assumes the operation of, or otherwise becomes the operator of a hospital shall also assume the assessment obligation of any previous operating entity.
