- WAC 246-919-520 Revocation of a physician's license. A physician may request a review by the commission of its decision to revoke the physician's license under RCW 18.71.019:
- (1) If the commission issues a final order revoking a physician's license following an adjudicative proceeding, the physician may request a review of the decision by a review panel of the commission.
- (2) The physician shall file a written request with the commission within twenty days of the effective date of the final order. The physician may not request an extension of the twenty-day period to file a request for review.
- (3) The physician's request for review of the final order does not change the effective date of the final order.
- (4) A review panel shall review the final order. The review panel is composed of the members of the commission who did not:
- (a) Review the initial investigation and make the decision to issue a statement of charges against the physician in this matter; or
- (b) Hear the evidence at the adjudicative proceeding and issue the final order revoking the physician's license.
- (5) Within seven days of receipt of the request for review of the final order, a scheduling order is issued setting a date for the review hearing, and a date for the filing of written argument by the parties. The review hearing must take place within sixty days of the physician's request for review of the final order.
- (6) The review panel shall convene in person for the review hearing on the date set in the scheduling order. If a commission member is unavailable to meet on the scheduled date, a pro tempore member shall take that person's place on the review panel. At the review hearing, the review panel:
 - (a) Shall review the final order;
 - (b) Shall review written argument presented by the parties; and
 - (c) May hear oral argument by the parties.
- (7) If the review panel determines that revocation of the physician's license is not the appropriate sanction, it shall issue an amended order setting the appropriate sanction(s) necessary to protect the public.
- (8) If the review panel determines that revocation of the physician's license is appropriate, it shall issue an order confirming that decision.
