

WAC 296-150I-0030 The manufactured home installer training program requirements. The training program must contain instruction and a written examination. The program curriculum includes, but is not limited to, the following topics:

- Relevant federal, state and local laws and standards;
- Supports, footings, anchors, site preparation, placement, closing in, plumbing, electrical, combustion appliances, skirting, interior, and exterior finishing;
- Operational checks and adjustments;
- Auxiliary or adjacent structures; and
- Alterations.

As part of the training program, the department will provide a training manual to each applicant, with the contents of the above curriculum.
