

**WAC 296-17A-0606 Classification 0606.**

**0606-01 Vending, coin-, or token-operated machines: Installation service and/or repair**

**Applies to:**

Businesses that install, service, and/or repair vending, coin-, or token-operated machines.

**Work activities include, but are not limited to:**

- Delivering machines to desired location;
- Unloading and setting up machines;
- Servicing machines including collecting money, repairing machines, and restocking product into machines;
- Preparation of products such as, but not limited to, salads, sandwiches, cookies, and desserts, and honor snack food services when performed by employees of an employer subject to this classification.

**Coin-operated machines can include, but are not limited to:**

- Change makers;
- Juke boxes;
- Pay telephone booths;
- Pull tabs;
- Slot machines and similar gaming devices;
- Vending machines for, but not limited to, candies, cigarettes, coffee, frozen desserts, personal hygiene products, sandwiches, soft drinks, and stamps;
- Weight machines.

**Exclusions:**

- Honor snack services operated independently from, and not in connection with, coin-operated vending machine services are classified in 1101.
- Installation of parking meter units is classified in 0105.

**0606-02 Fire extinguisher and fire safety equipment: Sales and service**

**Applies to:**

Businesses selling and servicing fire extinguishers and related safety equipment.

**Work activities include, but are not limited to:**

- Field testing services;
- Recharging services;
- Related safety training;
- Retail and wholesale store operations selling a variety of home and commercial type fire extinguishers, first-aid kits, gloves, hats, protective clothing, smoke and fire alarms, specialty shoes, traffic cones, and construction or speed signs.

**0606-03 Money collecting service of coin-operated and vending machines**

**Applies to:**

Businesses removing and/or replacing money in coin-operated machines.

**Work activities are limited to:**

- Collecting and replenishing of coins in coin-operated or vending machines;
- Replenishing currency in automated teller machines (cash machines);
- Removal of coins from parking meters and pay telephones.

**Exclusions:**

- Servicing of machines, placement of products into machines for sale, installation of machines, or any product preparation, is to be reported separately in the applicable classification.
- Installation of free-standing automated teller machines is classified in 0607.
- Construction of structures which house automated teller machines, such as those found in parking lots of shopping centers, is classified in the applicable construction classifications.

**0606-12 Coin- or token-operated amusement devices in stores or shopping malls, N.O.C.: Installation, removal, service, and/or repair.**

**Applies to:**

Businesses placing and servicing coin- or token-operated amusement devices, not covered by another classification (N.O.C.), within stores and shopping malls for use by the general public.

**Work activities include, but are not limited to:**

Installation, service, repair, or removal of the amusement devices.

**Amusement devices can include, but are not limited to:**

- Carousels;
- Pinball machines;
- Small amusement rides for children;
- Video games.

Businesses subject to this classification generally are not involved in the operations of arcades or amusement rides. If a business subject to this classification also operates a video or amusement arcade, such operations may be reported separately in classification 6406, provided all the conditions of the general reporting rules covering the operation of a secondary business have been met.

**Note:** For rules on assigning and reporting in more than one basic classification, see WAC 296-17-31017 Multiple classifications.
