

WAC 296-874-40042 Meet these requirements when using window jack scaffolds. You must make sure window jack scaffolds meet all of the following:

- (1) Are securely attached to the window opening;
 - (2) Are used for working only at the window opening the jack is placed through;
 - (3) Are not used:
 - (a) To support planks placed between one window jack and another;
 - (b) As any other element of scaffolding.
- or
