

WAC 326-70-060 Funding priority—Adjusted. (a) Approved but unfunded enrollments on the effective date of these rules shall be funded prior to enrollments approved after the effective date of these rules.

(b) The funding list will be reviewed and updated each month in a manner that maintains the priority of first-time enrollments for the current month while providing funding for others that have been unfunded for at least three months.

(c) When a first-time enrollment remains unfunded after six months due to lack of available funds, it must be funded with available funds before all other enrollments.
