10,001	+ tons	10,395 plus \$0.50 per ton for tons over 10,000

For purposes of this section, consumable debris is the amount of debris that the department determines will be consumed by the proposed burning.

(2) Written burning permits are not considered valid unless all of the following conditions apply:

(a) The written permit has been signed by the applicant agreeing to follow all requirements of chapter 332-24 WAC, the smoke management plan in effect at the time of the burning, and any additional terms and conditions specified by the department in writing; and

(b) The required permit fee has been secured or paid according to approved department procedures; and

(c) The person doing the burning has the permit in possession while burning and is complying with all terms and conditions of such permit, the smoke management plan in effect at the time of the burning, and all applicable portions of chapter 332-24 WAC.

(3) Permits are written only for the burn site and fuel quantity represented to the department on the permit application. Addition of

fuel or changing the burn site, after the permit application has been submitted to the department, is prohibited unless a new permit application is submitted and any added permit fee is paid, if required.
