

WAC 357-37-055 How does an employer receive choice performance confirmation which enables them to factor in employee performance when granting recognition leave? Employers may request choice performance confirmation from the director. The director will use the elements listed in WAC 357-37-060 to assess and evaluate an employer's readiness to fairly and objectively factor in employee performance when granting recognition leave. If the director determines that the employer has developed a performance management program that encompasses the necessary elements, the employer will be granted choice performance confirmation.
