

WAC 388-61A-1190 What are the requirements for storing medications? (1) Clients residing in emergency shelter must be provided with a means to safely and securely store, and have direct and immediate access to, their medications such as individual lock boxes, lockers with a key or combination lock, or a similar type of secure storage.

(2) All medications, including pet medications and herbal remedies, must be stored in a way that is inaccessible to children.

[Statutory Authority: Chapter 70.123 RCW. WSR 18-09-015, § 388-61A-1190, filed 4/10/18, effective 5/11/18.]
