

WAC 388-823-0610 If I have another neurological or other condition similar to intellectual disability, how do I meet the definition of substantial functional limitations? (1) If you have an eligible condition of another neurological or other condition similar to intellectual disability, to meet the definition of substantial functional limitations you must have an adaptive skills test score of more than two standard deviations below the mean in accordance with WAC 388-823-0740 and WAC 388-823-0750.

(2) For WAC 388-823-0600(2) you do not need additional evidence of your substantial functional limitations if your eligible condition is solely due to your eligibility and participation in the fee-for-service medically intensive children program under chapter 182-551 WAC.
