

WAC 388-835-0285 What if a provider fails to maintain records or refuses to let them be reviewed? (1) If a provider fails to maintain adequate records or fails to allow their inspection by authorized personnel, DSHS may suspend all or part of subsequent reimbursement payments due under the contract.

(2) Once the provider complies with the recording keeping and inspection provisions of their contract, DSHS must resume current contract payments and must release payments suspended while the provider was out of compliance.
