

WAC 388-97-1200 Dietary orders. The nursing home must:

(1) Ensure that residents' diets are provided as prescribed by the physician. Diet modifications, for texture only, may be used as an interim measure when ordered by a registered nurse; and

(2) Provide supplementary fluid and nourishment in accordance with each resident's needs as determined by the assessment process.

[Statutory Authority: Chapters 18.51 and 74.42 RCW and 42 C.F.R. 489.52. WSR 08-20-062, § 388-97-1200, filed 9/24/08, effective 11/1/08.]
