(3) **Student eligibility.** A student enrolled in an alternative learning experience course must meet the following conditions:

(a) The student must meet the definition of an enrolled student under WAC 392-121-106;

(b) The student is enrolled in grades K-12;

(c) The student must not meet any of the enrollment exclusions in WAC 392-121-108;

(d) The student's residence must be in Washington state as provided in WAC 392-137-115; and

(e) For students whose residence is not located in the school district providing an alternative learning experience course (nonresident student), the district must:

(i) Document the school district in which the nonresident student's residence is located;

(ii) Establish procedures that address, at a minimum, the coordination of student counting for state funding so that no enrolled student is counted for more than one full-time equivalent in the aggregate. The procedure must include, but not be limited to, the following:

(A) When a resident district and one or more nonresident district(s) will each be claiming basic education funding for a student in the same month or months, the districts must execute a written agreement that at minimum identifies the maximum aggregate basic education funding each district may claim for the duration of the agreement. A nonresident district may not claim funding for a student until after the effective date of the agreement.

(B) When a district is providing alternative learning experiences to nonresident students under the school choice enrollment provisions of RCW 28A.225.200 through 28A.225.230 and chapter 392-137 WAC, the district may not claim funding for the student until after a release transfer is completed by the resident district and the nonresident serving district.

(4) **Enrollment count dates.**

(a) Alternative learning experience enrollment is claimed based on the monthly count dates as defined in WAC 392-121-119.

(b) For alternative learning experience programs that end prior to June 1st, the June enrollment count date may be the last school day in May and include students whose written student learning plan pursuant to WAC 392-550-025(1) has an ending date that is the last school day in May.

(c) Graduating alternative learning experience students whose last school day is in May may be included in the June enrollment count if the following conditions are met:

(i) The alternative learning experience program calendar identifies that the last day of school for the graduating students is in May; and

(ii) The student's written student learning plan pursuant to WAC 392-550-025(1) includes an end date that is the last day of school for graduating students in May.

(5) **Reporting of student enrollment.**

(a) For the first time a student's alternative learning experience enrollment is claimed for state funding, the following requirements must be met:

(i) A completed written student learning plan pursuant to WAC 392-550-025(1) is in place with a start date that is before the monthly count day; and

(ii) There is documented evidence of student participation as required by WAC 392-121-106(4).

(b) On subsequent monthly count dates, a student's alternative learning experience course(s) can be claimed for state funding if the following requirements are met:

(i) A completed written student learning plan pursuant to WAC 392-550-025(1) is in place on the monthly count date;

(ii) The contact requirement pursuant to WAC 392-550-025(2) was met in the prior month;

(c) Students must be excluded from the monthly count including students who have not had contact with a certificated teacher for 20 consecutive school days. Any such student must be excluded from the monthly count until the student has met with a certificated teacher and resumed participation in their alternative learning experience or is participating in another course of study as defined in WAC 392-121-107.

(d) The student count must exclude students who as of the enrollment count date have completed the requirements of the written student learning plan prior to ending date specified in the plan and who have not had a new written student learning plan established with a new beginning and ending date that encompasses the count date.

**(6) Student full-time equivalency.**

(a) The full-time equivalency of students enrolled in alternative learning experiences is based on the estimated average weekly hours of learning activity described in the written student learning plan.

(b) Pursuant to WAC 392-121-122, 27 hours and 45 minutes each week (1,665 weekly minutes) equal one full-time equivalent.

(c) Enrollment of part-time alternative learning experience students is subject to the provisions of chapter 392-134 WAC and generates a pro rata share of full-time funding based on the estimated average weekly minutes of learning activity described in the written student learning plan divided by 1,665 weekly minutes.

(d) Kindergarten students claimed for more than a 0.50 full-time equivalent must meet the state-funded full-day kindergarten requirements, as provided for in RCW 28A.150.315.

(e) The full-time equivalent limitations outlined in WAC 392-121-136 and the nonstandard school year limitations outlined in WAC 392-121-123 apply to alternative learning enrollment.

(8) Each student is enrolled in the school district reporting the enrollment and each high school student is working toward course credits which satisfy high school graduation requirements;

(9) If the contractor is a state higher education institution, a state funded education center, or any other state funded entity, the contractor is not claiming enrollment of the student or receiving direct state support for the contracted instruction reported pursuant to this section;

This section does not apply to running start enrollment, which is governed by chapter 392-169 WAC or at-risk programs meeting the standards of subsection (18) of this section; and

(18) Full-time equivalent enrollment reported for students served under contract with a community or technical college as defined in RCW 28B.50.030 shall be based on the credits generated by the student consistent with WAC 392-169-025 if the program meets the following standards:

**WAC 392-121-445 Procedure for crediting portion of basic education allocation for capital purposes in school districts.** If a local school district board of directors wishes to direct a portion of the district's annual basic education allocation to the school district's capital projects fund or debt service fund pursuant to RCW 28A.150.270, the district board shall execute a resolution requesting the superintendent of public instruction to approve the transfer of a portion of that allocation to the district's capital projects fund and/or debt service fund. Such board resolutions shall specify the justification in detail and the dollar amount to be transferred to the capital projects fund and/or debt service fund. Such resolution should be received by the superintendent of public instruction on or before the tenth of the month when the transfer to the capital projects fund and/or debt service fund is to begin. Such moneys transferred to either of these funds pursuant to this section cannot be subsequently transferred to the credit of another fund.

Resolutions requesting the superintendent of public instruction to approve the transfer of a portion of the district's basic education allocation to the capital projects fund and/or the debt service fund will not be given by the superintendent of public instruction if the loss of general fund revenue to the district will result in an out-of-balance general fund budget. Any school district that would have an out-of-balance general fund budget after the potential loss of general fund revenue which would result from such a transfer of revenue shall revise the general fund budget document to be in balance following appropriate budget modification or extension procedures in order for the superintendent of public instruction to approve the resolution. A budget modification or extension may be necessary for the capital projects fund and/or debt service fund.

Upon approval of the resolution by the superintendent of public instruction, operating transfer(s) will be authorized from the general fund to the capital projects fund and/or debt service fund.
