

WAC 392-151-010 Function of a school patrol. The function of a school patrol is to assist and aid members of the student body in the safe and proper crossing of roadways adjacent to the school.

Student school patrol members assigned to work at a location with an adult school patrol member shall assist and act at the direction of such adult member of the patrol. A school patrol is to look for and utilize natural gaps in traffic as much as possible when allowing students to cross a roadway.
