(2) **Records index.** An index of public records, consisting of the retention schedules applicable to those records, is available to members of the public at the agency's office.

(3) **Organization of records.** The agency maintains its records in a reasonably organized manner. The agency will take reasonable actions to protect records from damage and disorganization. A requestor shall not take original records from the agency's office. A variety of records are also available on the agency's website at www.acb.wa.gov. Requestors are encouraged to view the documents available on the website prior to submitting a public records request.

(4) Making a request for public records.

(a) Any person wishing to inspect or obtain copies of public records should make the request in writing by letter, fax, or email addressed to the public records officer. **Written requests must include the following information:**

- Date of the request;
- Name of the requestor;
- Address of the requestor and other contact information, including telephone number and any email address;
- Clear identification of the public records requested to permit the public records officer or designee to identify and locate the records.

(b) The public records officer or designee may accept requests for public records by telephone or in person. The requestor will receive a written confirmation of the request.

(d) If the requestor wishes to have copies of the records made instead of simply inspecting them, the requestor should make that preference clear in the request. Copies will be made by the agency's public records officer or designee.

(e) When fulfilling public records requests the agency will perform its public records responsibilities in the most expeditious manner consistent with the agency's need to fulfill its other essential functions.

(f) By law, certain records and/or specific content of any specific record or document may not be subject to public disclosure. Accordingly, a reasonable time period may occur between the date of the request and the ability of the public records officer to identify, locate, retrieve, remove content not subject to disclosure, prepare a redaction log that includes the specific exemption, a brief explanation of how the exemption applies to the records or portion of the records being withheld, and produce the records for inspection and/or copying. The requestor will be kept informed of the expected delivery timetable.

(g) If the request includes a large number of records, the production of the records for the requestor may occur in installments. The requestor will be informed, in writing, of the agency's anticipated installment delivery timetable.

(h) In certain instances, the agency may notify affected third parties to whom the record relates. This notice allows the affected third party to seek an injunction within 15 days from the date of the written notice. The notice further provides that release of the records to the requestor will be honored unless timely injunctive relief

is obtained by the affected third party on or before the end of the 15-day period.

(i) Requests for lists of credentialed individuals by educational organizations and professional associations:

WAC 4-30-028 Formal adjudicative proceedings and brief adjudicative proceedings before the board. Except where they are inconsistent with the rules in this chapter and subject to additional rules that the board may adopt from time to time, adjudicative proceedings in and before the board are governed by the Administrative Procedure Act,

chapter 34.05 RCW, and the uniform procedural rules codified in the Washington Administrative Code, chapter 10-08 WAC.

For certain types of decisions, the board has adopted an appeal process authorized by RCW 34.05.482 through 34.05.494 which is called a brief adjudicative proceeding. Decisions to which this appeal process will be applied are:

- (1) Denials of initial individual license, renewal, conversion, or reinstatement applications;
- (2) Denials of initial resident nonlicensee firm owner registration applications, renewals, or applications or requests for reinstatement;
- (3) Denials of initial firm license applications, renewals, and amendments;
- (4) Denials of exam applications;
- (5) A proposed suspension as a result of a determination by a lending agency of nonpayment or default on a federally or state-guaranteed student loan or service conditional scholarship; and
- (6) Lifts of stays of suspension from a board order.

To appeal a decision you must submit your request for a brief adjudicative proceeding, **in writing**, to the board **within 30 days** after the decision by board staff is posted in the U.S. mail. The board chair or the board vice chair, if the board chair is unavailable, will appoint one member of the board as the presiding officer for brief adjudicative proceedings. The presiding officer renders a decision either upholding or overturning the denial. This decision, called an order, will be provided to you at the last address you furnished to the board.

If you are dissatisfied with the order in the brief adjudicative proceeding, you may appeal to the board's vice chair, or designee. This appeal process is called an administrative review. Your appeal must be received by the board, **orally or in writing, within 21 days** after the brief adjudicative proceedings order is posted in the U.S. mail. The vice chair, or designee, considers your appeal and either upholds or overturns the brief adjudicative proceeding order. The vice chair's, or designee's, decision, also called an order, will be provided to you at the last address you furnished to the board.

WAC 4-30-053 Client record requests. (1) For the purpose of this rule:

(a) "Client" includes current and former clients.

(b) "Client-provided records" are accounting or other records, including hard copy and electronic reproductions of such records, belonging to the client that were provided to a licensee by, or on behalf of, the client.

(c) "Licensee-prepared records" are accounting or other records that a licensee was not specifically engaged to prepare and that are not in the client's books and records or are otherwise not available to the client, thus rendering the client's financial information incomplete. Examples include adjusting, closing, combining, or consolidating journal entries (including computations supporting such entries) and supporting schedules and documents that a licensee proposed or prepared as part of an engagement (for example, an audit).

(d) "Licensee's work products" are deliverables set forth in the terms of the engagement, such as tax returns.

(e) "Working papers" are all other items prepared solely for purposes of the engagement and include items prepared by a licensee, such as audit programs, analytical review schedules, and statistical sampling results and analyses, or items prepared by the client at the request of a licensee and reflecting testing or other work done by a licensee.

(f) "Make records available" means to provide the records in any format that is usable and accessible, whether electronic or otherwise, regardless of the format in which they were received.

(2) When an initial request for client-provided records is received, a licensee should make those records in a licensee's custody or control available. A licensee may charge a reasonable fee for the time and expense incurred to retrieve, copy, and ship such records; however, the client-provided records may not be withheld for nonpayment of such fees.

(3) A licensee and the client may agree to terms other than those stated in this rule. When this occurs, a licensee should respond in accordance with such agreement. Otherwise, a licensee should respond to a request for licensee-prepared records or a licensee's work products that are in a licensee's custody or control and that have not previously been made available to the client as follows:

(a) A licensee should make available licensee-prepared records relating to a completed and issued work product; however, such records may be withheld if fees are due to a licensee for that specific work product.

(b) Licensee's work products should be made available; however, such work products may be withheld if fees are due to a licensee for the specific work product; the work product is incomplete; for purposes of complying with professional standards (for example, withholding an audit report with outstanding audit issues); or threatened or outstanding litigation exists concerning the engagement or a licensee's work.

(4) Once a licensee has complied with this rule, a licensee is under no obligation to:

(a) Comply with any subsequent requests to again make records or copies of records available. However, if after complying with a request, a loss of records due to a natural disaster or an act of war is experienced, a licensee should, when practicable, comply with an additional request to make such records available.

(b) Retain records for periods that exceed applicable professional standards, state and federal statutes and regulations, and contractual agreements relating to the service performed.

(c) Make the records available to any other associated party, such as the general partner, majority shareholder, or spouse.

(5) Working papers are a licensee's property, and a licensee is not required to make such information available.

(6) In fulfilling a request for a licensee's copy of client-provided records that was previously made available to the client, licensee-prepared records, or a licensee's work products, a licensee may:

(a) Charge a reasonable fee for the time and expense incurred to retrieve, copy, and ship such records and require payment before a licensee makes the records available.

(b) Make the requested records available in any usable and accessible format. However, a licensee is not required to convert records that are not in electronic format to electronic format. If the records are requested in a specific format and the records are available in such format within a licensee's custody and control, the request should be honored. In addition, a licensee is not required to make formulas available, unless a licensee was engaged to make such formulas available as part of a completed work product or the formulas were used to create licensee-prepared records without which the client's financial information would be incomplete.

(c) Make and retain copies of any records that a licensee already made available.

(7) When a licensee is required to return or make records available, a licensee should comply as soon as practicable but, absent extenuating circumstances, no later than 45 days after the request is made.

(8) For the purposes of this rule, "licensees" includes licensees, CPA firms, nonlicensee firm owners, employees of such persons, out-of-state individuals with practice privileges under RCW 18.04.350(1), and out-of-state firms permitted to offer or render

certain professional services in this state under the conditions prescribed in RCW 18.04.195.

WAC 4-30-054 Advertising and other forms of solicitation. (1) A licensee in public practice shall not seek to obtain clients by advertising or other forms of solicitation in a manner that is false, misleading, or deceptive. Solicitation by the use of coercion, overreaching, or harassing conduct is prohibited.

(2) For the purposes of this rule, "licensees" includes licensees, CPA firms, nonlicensee firm owners, employees of such persons, out-of-state individuals with practice privileges under RCW 18.04.350 (1), and out-of-state firms permitted to offer or render certain professional services in this state under the conditions prescribed in RCW 18.04.195.

RCW 18.04.025(17).

(3) **CPA-inactive allowable activities.** Persons holding an inactive license may perform or offer to perform services in an employer-employee relationship in industry, government, nonprofit, or education, or uncompensated work such as a volunteer, trustee, director, or executor.

(4) **CPA-inactive prohibited activities.** Persons holding an inactive license may not perform or offer to perform public accounting services:

(a) As an independent contractor in industry, government, nonprofit, or education;

(b) For compensation as a trustee, director, or executor;

(c) As a sole practitioner offering to perform services for a client or potential client; or

(d) As part of a CPA firm either offering to perform services for a client or potential client or working in purely an administrative role.

For the purpose of this section, "compensation" does not include reimbursement of actual expenses or a limited per diem allowance for expenses.

(5) **CPA-inactive conversion to active status.** At any time, persons holding an inactive license may apply to convert their license status from inactive to active. See WAC 4-30-120.

INDIVIDUAL LICENSING BY INTERNATIONAL RECIPROCITY

WAC 4-30-100 Reciprocity for accountants from foreign countries.

(1) Under the authority provided by RCW 18.04.183, the board relies on the National Association of State Boards of Accountancy (NASBA) and the American Institute of Certified Public Accountants (AICPA), who have jointly established the United States International Qualifications Appraisal Board (IQAB) to eliminate impediments to reciprocity, or other professional bodies for evaluation of foreign accounting credential equivalency. IQAB serves as the link between the accounting profession in the United States and the accounting professions of other General Agreement on Trade Services (GATS) signatory countries. Through mutual recognition agreements (MRA), covered individuals will have similar provisions within each reciprocal country.

(2) The foreign accounting credential may be accepted in partial satisfaction of licensing requirements if:

(a) The foreign issuing body's education, examination, and ethical requirements are equivalent to the requirements for licensure in this state;

(b) The foreign accounting credential is valid and in good standing at the time of application for a Washington state license; and

(c) The foreign issuing body granting the foreign accounting credential permits Washington CPAs an equivalent opportunity to receive the foreign accounting credential by reciprocity.

(3) The board requires a qualifying examination to determine if the individual possesses adequate knowledge of United States practice standards and the board's regulations.

(a) The board adopts the International Qualifications Examination (IQEX) prepared and graded by the AICPA as the appropriate examination to test the knowledge of the subject matter unique to the United

States, as determined by the AICPA in cooperation with NASBA, of those applicants holding an accounting credential issued by professional credentialing institutes that have established current MRAs with IQAB.

(b) The board will continue to recognize passing grades from the predecessor Canadian Chartered Accountant Uniform CPA Qualification Examination (CAQEX).

(c) The board accepts IQEX grades from examinations administered by other state boards of accountancy or by NASBA.

(d) The board sets the passing score for the IQEX and CAQEX at 75.

CONTINUING COMPETENCY

WAC 4-30-130 Quality assurance review (QAR) requirements for licensed CPA firms. (1) **Peer review.** Generally, all firms licensed in Washington state offering and/or performing attest services, as defined by WAC 4-30-010, or other professional services for which a report expressing assurance is prescribed by professional standards, are required to participate in a board-approved peer review program as a condition of renewing each CPA firm license under RCW 18.04.215 and WAC 4-30-114.

(2) **Approved programs.** Board-approved peer review programs include:

(a) The inspection processes of the Public Company Accounting Oversight Board (PCAOB);

(b) Peer review programs administered by the American Institute of CPAs (AICPA) and/or their assigned administering entities (AE); and

(c) Other programs recognized and approved by the board.

(3) **Enrollment in peer review:** A licensed firm must enroll in a board-approved peer review program **before** issuing a report for each of the following types of service:

(a) Review of historical financial statements;

(b) Audit of financial statements, performance audits, or examination of internal controls for nonpublic enterprises;

(c) Other professional services subject to Statements on Standards for Attestation Engagements.

The schedule for the firm's peer review shall be established according to the peer review program's standards. The board does not require any licensee to become a member of any organization administering a peer review program.

(4) **Participation in peer review.** Every firm that is required to participate in a peer review program shall have a peer review in accordance with the peer review program standards.

(a) It is the responsibility of the firm to anticipate its needs for review services in sufficient time to enable the reviewer to complete the review by the assigned review date.

(b) Any firm that is dropped or terminated by a peer review program for any reason shall have 21 days to provide written notice to the board of such termination or drop and to request authorization

from the board to enroll in another board-approved peer review program.

(c) In the event a firm is merged, otherwise combined, dissolved or separated, the peer review program shall determine which firm is considered the succeeding firm. The succeeding firm shall retain its peer review status and the review due date.

(d) A firm choosing to change to another peer review program may do so only if there is not an open active peer review and if the peer review is performed in accordance with the minimum standards for performing and reporting on peer reviews.

(5) **Reporting requirements.** Every firm must provide the following information, along with the appropriate fees, with every application for renewal of a firm license by April 30th of the renewal year:

(a) Certify whether the firm does or does not perform attest services, or compilation services, as defined by WAC 4-30-010, or other professional services for which a report expressing assurance is prescribed by professional standards in Washington state;

(b) If the firm is subject to the peer review requirements, provide the name of the approved peer review program in which the firm is enrolled, and the period covered by the firm's most recent peer review;

(c) Certify the result of the firm's most recent peer review.

Failure to timely submit complete information and the related fee by the April 30th due date can result in the assessment of late fees. The board may waive late fees based on individual hardship including, but not limited to, financial hardship, critical illness, or active military deployment.

(6) **Documents required.** Any firm required to undergo peer review per subsection (1) of this section is required to provide unlimited access to all peer review documents to the board, including mandatory participation in the AICPA Facilitated State Board Access (FSBA).

(7) **Document retention.** RCW 18.04.390(4) requires a firm to retain audit and review records and documentation for a period of seven years after the firm concludes an audit or review of a client's financial statements.

(8) **Extensions.** The board may grant an extension of time for submission of the peer review report to the board. Extensions will be determined by the board on a case-by-case basis.

(9) **Verification.** The board may verify the certifications of peer review reports that firms provide.

(10) **Compilations.** Compilations are excluded from board-approved peer review requirements.

(a) A firm may be required to include compilations in any peer review program to satisfy membership requirements for the AICPA or any other professional organization; to satisfy licensing requirements in other jurisdictions; or for any other reason whatsoever.

(b) A firm license is still required even if a firm only performs compilation services that are otherwise excluded from board-approved peer review.

(11) **Exemption from peer review.**

(a) Out-of-state firms that do not have a physical location in this state, but perform attest in this state, and are otherwise qualified for practice privileges under RCW 18.04.195 (1)(a)(ii)(A) through (D) or (b) are not required to participate in the board's program if the out-of-state firm participates in a board-approved peer review program or similar program approved or sponsored by another state's board of accountancy.

(b) Firms that do not perform attest services, as defined by WAC 4-30-010, or other professional services for which a report expressing assurance is prescribed by professional standards are not required to participate in a peer review program, and shall request exemption on each firm license renewal application.

(12) **Quality assurance oversight.**

(a) The board will:

(i) Annually appoint a peer review oversight committee, and such other committees as the board, in its discretion deems necessary, to provide oversight of the administration of approved peer review programs in order to provide reasonable assurance that peer reviews are being conducted and reported on in accordance with the minimum standards for performing and reporting on peer reviews;

(ii) Consider reports from the peer review oversight committee;

(iii) Direct the evaluation of peer review reports and related documents submitted by firms;

(iv) Determine the appropriate action for firms that have unresolved matters relating to the peer review process or that have not complied with, or acted in disregard of the peer review requirements;

(v) Determine appropriate action for firms when issues with a peer review report may warrant further action; and

(vi) Take appropriate actions the board, in its discretion, deems appropriate to carry out the functions of the quality assurance review program and achieve the purpose of the peer review requirement.

(b) The **peer review oversight committee** shall conduct oversight of approved peer review programs at least semiannually to provide reasonable assurance that such programs are in compliance with the minimum standards for performing and reporting on peer reviews.

(13) **Remedies.** The board will take appropriate action to protect the public's interest if the board determines through the peer review process or otherwise that a firm's performance and/or reporting practices are not or may not be in accordance with applicable professional standards, the firm does not comply with peer review program requirements, or the firm does not comply with all or some of the reporting, remedial action, and/or fee payment requirements of subsection (5) of this section. The board's actions may include, but are not limited to:

(a) Require the firm to develop quality control procedures to provide reasonable assurance that similar occurrences will not occur in the future;

(b) Require any individual licensee who had responsibility for, or who substantially participated in the engagement(s), to successfully complete specific courses or types of continuing education as specified by the board;

(c) Require that the reviewed firm responsible for engagement(s) submit all or specified categories of its compilation or attest working papers and reports to a preissuance evaluation performed by a board-approved licensee in a manner and for a duration prescribed by the board. Prior to the firm issuing the reports on the engagements reviewed, the board-approved licensee shall submit to the board for board acceptance a report of the findings, including the nature and frequency of recommended actions to the firm. The cost of the board-approved preissuance evaluation will be at the firm's expense;

(d) Require the reviewed firm to engage a board-approved licensee to conduct a board-prescribed on-site field review of the firm's work product and practices or perform other investigative procedures to assess the degree or pervasiveness of nonconforming work product. The board-approved licensee engaged by the firm shall submit a report of

the findings to the board within thirty days of the completion of the services. The cost of the board-prescribed on-site review or other board-prescribed procedures will be at the firm's expense; or

(e) Initiate an investigation pursuant to RCW 18.04.295, 18.04.305, and/or 18.04.320.

(f) Absent an investigation, the specific rating of a single peer review report is not a sufficient basis to warrant disciplinary action.

(1) **CPE reporting period** is a calendar year time period beginning in the calendar year a credential is first issued by this board and ending on December 31st of the subsequent third calendar year.

(2) **CPE credit** is given in increments of tenths of an hour after the first full CPE credit hour has been earned except for nano learning.

A minimum of 50 minutes of continuous instruction constitutes one CPE credit hour and after the first 50-minute segment has been earned, five minutes constitutes one-tenth of a CPE credit hour.

CPE credit earned is rounded down to the nearest tenth of an hour.

(3) **Carry-forward:** CPE credit hours you complete during one CPE reporting period cannot be carried forward to the next period.

(4) **Carry-back:** As specified in WAC 4-30-134, CPE credit hours you complete during one CPE reporting period cannot be carried back to the previous reporting period unless the board has approved a request for extension or has required the carry-back as part of the sanctions for failure to complete required CPE.

(5) **Preparation time for CPE attendance:** Attendees obtain CPE credit only for time spent in instruction; no credit is allowed for preparation time unless the attendee is the discussion leader for the particular CPE segment or program.

(6) **Limitations on CPE credit:** In any given three-year renewal cycle, licensees are limited to the following upper limits of CPE credit for the following formats:

(a) Nano learning, as defined in WAC 4-30-010, is limited to no more than 12 CPE credit hours out of the 120 CPE credit total as specified in WAC 4-30-134.

(7) **Further requirements and clarifications:**

(a) **Self-study programs:** Credit for self-study programs is allowed for reporting purposes on the date you completed the program as established by the course completion certificate provided by the program sponsor.

(i) **Interactive self-study programs:** Interactive means electronic or other delivery formats of CPE in which feedback is provided during the study of the material in a manner to validate the individual's understanding of the material. The amount of credit allowed for interactive self-study is that which is recommended and documented by the program sponsor on the basis of the average completion time under appropriate "field tests."

(ii) **Noninteractive self-study programs:** The amount of credit allowed for noninteractive self-study is one-half the average completion time as determined and documented by the program sponsor on the basis of appropriate "field tests."

(b) **Instructor, discussion leader, or speaker:** If you serve as an instructor, discussion leader, or speaker at a program which meets the standards of WAC 4-30-132, the first time you present the program you may claim CPE credit hours for both preparation and presentation time. One hour of credit is allowed for each 50 minutes of instruction. Additionally, you may claim credit for actual preparation time up to two times the presentation hours.
