

**WAC 434-264-120 Recount—Interruption.** If the recount must be stopped prior to its completion for any reason, the ballots must be placed in secure storage until the resumption of the recount. The observers must be allowed to witness the sealing of the ballots and the recording of the seal numbers. Observers must also be allowed to witness the confirmation of the seal numbers at the resumption of the recount.

[Statutory Authority: RCW 29A.04.611. WSR 07-12-032, § 434-264-120, filed 5/30/07, effective 6/30/07.]
