

WAC 44-14-050 Processing of public records requests—Electronic records. (1) **Requesting electronic records.** The process for requesting electronic public records is the same as for requesting paper public records.

(2) **Providing electronic records.** When a requestor requests records in an electronic format, the public records officer will provide the nonexempt records or portions of such records that are reasonably locatable in an electronic format that is used by the (name of agency) and is generally commercially available, or in a format that is reasonably translatable from the format in which the agency keeps the record. Costs for providing electronic records are governed by RCW 42.56.120 and 42.56.130. The fee schedule is available at (agency address and web site address).

(3) **Customized electronic access services.** While not required, and with the consent of the requestor, the (name of agency) may decide to provide customized electronic access services and assess charges under RCW 42.56.120 (2)(f). A customized service charge applies only if the (name of agency) estimates that the request would require the use of information technology expertise to prepare data compilations, or provide customized electronic access services when such compilations and customized access services are not used by the agency for other purposes. The (name of agency) may charge a fee consistent with RCW 42.56.120 (2)(f) for such customized access. The fee schedule is available at (agency address and web site address).
