

WAC 463-28-020 Authority of council—Preemption by state. The authority of the council is contained in RCW 80.50.040(1) and 80.50.110(2) which provides that the state preempts the regulation and certification of the location, construction, and operational conditions of certification of energy facilities.

[Statutory Authority: RCW 80.50.040(1). WSR 78-07-036 (Order 78-3), § 463-28-020, filed 6/23/78.]
