

WAC 479-05-100 Utility adjustments or relocations. Utility adjustments or relocations may be reimbursed using the following criteria:

(1) If it is a direct cost for utility adjustments that are owned by the local government;

(2) If the utility provider owns the property in fee title; or

(3) If the utility franchise agreement requires the local agency to pay for those utility adjustments or relocations required by state or local government.

Upgrading of utilities is not eligible for reimbursement by transportation improvement board funds.

If the proposed work will cause a significant change in scope, the agency must seek board approval.
