(1) The title page of every tariff or supplement must show not less than thirty days' notice, or bear plain notation to the number and date of the permission or rule or decision of the commission under which it is effective on less than such statutory notice. (f) Reference by name and number to the classification, exceptions thereto and rules circulars, if any, governing the tariff or supplement. In the alternative reference may be shown on the title page to an item or page of the tariff where governing publications are named. A tariff is not governed by a classification, classification exceptions or rules circular except when and to what extent stated on or in the tariff.
