

WAC 504-13-450 Replacement parking permits and indicators. (1)

The permit holder has responsibility for removing parking permits prior to selling or trading a vehicle. The identifiable remnants of the original permit must be presented to the parking department to receive a free replacement. Persons failing to comply with this requirement shall pay the cost of a new permit.

(2) Lost/stolen permits. Permit holders are responsible for the security of their permits. The theft or loss of a parking permit should be reported to the parking department immediately upon discovery. A lost or stolen permit may be replaced upon payment to the parking department of the cost of replacing the permit, according to a schedule adopted by the parking department. Lost or stolen permits must be returned to the parking department immediately if recovered.

(3) Windshield replacements. When a permit-bearing windshield is replaced, the permit replacement fee is waived if proof of windshield replacement is presented.
