

WAC 504-49-240 Denial or revocation of system certification.

The energy program may deny or revoke the approval of a system's certification and an appeal of this final determination may be initiated. The appeal provisions under Part VII of this chapter apply here.

[Statutory Authority: RCW 28B.30.150. WSR 18-20-025, § 504-49-240, filed 9/24/18, effective 10/25/18.]
