

WAC 72-140-020 Application for use of school facilities. (1)

Applications for use of school facilities should be made on the Facilities Request Form, available from the administrative office of the school, 2214 East 13th Street, Vancouver, Washington 98661.

(2) Reasonable conditions may be imposed upon the applicant to regulate the timeliness of the request, to determine the appropriateness of intended use of the space assigned, and to ensure proper maintenance of the facilities. A detailed listing of such conditions is available from the school's administrative office.

(3) The school may restrict an individual's or a group's use of school facilities if that person or group has, in the past, physically abused school facilities. Charges may be imposed for damage or for any unusual costs related to the use of facilities.
