

WAC 468-12-912 Procedures when consulted. When a request by another agency for consultation is made pursuant to the provisions of WAC 197-11-912, such request shall be referred for response to the project development office of the department in Olympia who shall coordinate the research and field investigations which may be necessary, and supervise the transmittal of the requested information to the lead agency within the time periods specified by WAC 197-11-502.

[Statutory Authority: RCW 43.21C.120 and chapter 197-11 WAC. WSR 84-19-030 (Order 90), § 468-12-912, filed 9/14/84.]
