

WAC 230-13-070 Notifying local law enforcement of amusement game operation. (1) Amusement game operators must notify the local law enforcement agency in writing at least ten days before operating amusement games at any location. The chief officer of the local law enforcement agency may reduce this time limit. The notice must include, at least:

(a) The name and address of the operator; and

(b) The name and address of the person managing the games at the location; and

(c) The date(s) and the location where the operator will conduct the amusement games.

(2) Operators must have all amusement game equipment available for inspection by local law enforcement or us at least the two hours before operating.

(3) Operators may place individual amusement games at locations where amusement games already exist without renotifying local law enforcement.

[Statutory Authority: RCW 9.46.070. WSR 07-15-064 (Order 612), § 230-13-070, filed 7/16/07, effective 1/1/08.]
