

WAC 230-14-145 Defining "seal card round." (1) "Seal card round" means a secondary element of chance game linked with the pull-tab series.

(2) Seals on the pull-tab flare conceal prizes for the secondary element of chance game.

(3) Winners who advance to the seal card round place their names on the list that matches the winning pull-tab number or symbol.

(4) Players win the prizes behind the seals when the seal card round ends and the operator opens all the seals.
