# Target Student Population

## Dropout Prevention

*Traditional f2f*

Students  
behind  
on credits

Advanced  
students

Disengaged  
students

## Dropout Prevention

*Alternative f2f*

Social  
issues

Discipline  
issues

## Dropout Recovery

*Standard*

Need flexibility  
of time  
and place

Health  
and  
medical issues

Teen parents

Minor  
discipline  
issues

## Dropout Recovery

*Intensive/High-Risk*

Students not  
“ready to learn”

Students not  
interested  
in education

Home not  
a safe place  
for learning

Gang / drug  
involvement

# Building Block Principles

# How It Works

School Districts contract with TAA for Dropout Recovery

TAA receives a list of known dropouts and at-risk kids

TAA hires an on-the-ground mentor to provide recruiting and student support

TAA provides laptops

Kids complete courses online, earn a diploma from your school district

*Together, let's do something about it.*
