

PSSB 5092 - S COMM AMD TO S-2293.1/21

[A.5]

By Committee on Ways & Means

1 On page 6, line 6, decrease the General Fund-State
2 Appropriation (FY 2022) by \$6,000,000.

3 Adjust the total appropriation accordingly.

4
5 On page 8, line 17 after "(9)" strike "\$10,500,000" and insert
6 "\$4,500,000".

7 On page 8, line 33 after "(b)" strike "\$10,000,000" and insert
8 "\$4,000,000".

9
10 On page 24, line 25, increase the General Fund-State
11 Appropriation (FY 2022) by \$102,800,000.

12 On page 24, line 26, increase the General Fund-State
13 Appropriation (FY 2023) by \$800,000.

14 Adjust the total appropriation accordingly.

15
16 On page 50, after line 29, insert the following:

17 "(87) \$50,000,000 of the general fund-state appropriation for
18 fiscal year 2022 is provided solely to assist counties with costs of
19 resentencing and vacating the sentences of defendants whose
20 convictions or sentences are affected by the *State v. Blake*
21 decision. Subject to the availability of amounts provided in this
22 subsection, the department of commerce must provide grants to
23 counties for excess court-related expenditures related to
24 implementing the judicial, prosecution, or defense expenses for
25 those purposes. The department must establish an application process
26 for county clerks to seek funding and an equitable prioritization
27 process for distributing the funding.

1 (88) \$47,000,000 of the general fund-state appropriation for
2 fiscal year 2022 is provided solely to establish a legal financial
3 obligation aid pool to assist counties that are obligated to refund
4 legal financial obligations previously paid by defendants whose
5 convictions or sentences were affected by the *State v. Blake* ruling.
6 County clerks may apply to the department for a grant from the pool
7 to cover the costs of these refunds. The department must establish
8 an application process for county clerks to seek funding and an
9 equitable prioritization process for distributing the funding on a
10 monthly or quarterly basis.

11 (89) \$5,000,000 of the general fund-state appropriation for
12 fiscal year 2022 is provided solely to reimburse counties for
13 administering refunds related to vacation and resentencing hearings
14 previously paid by defendants affected by the *State v. Blake*
15 decision.

16 (90) \$800,000 of the general fund-state appropriation for fiscal
17 year 2022 and \$800,000 of the general fund-state appropriation for
18 fiscal year 2023 are provided solely for the office of firearm
19 violence prevention to establish a grant program for evidence-based
20 services to youth who are at high risk to perpetrate gun violence and
21 who reside in areas with high rates of gun violence."

22
23 Renumber the remaining subsections and sections consecutively and
24 correct any internal references accordingly.

25
26 On page 140, line 3, increase the General Fund-State
27 Appropriation (FY 2022) by \$17,517,000.

28 On page 140, line 4, increase the General Fund-State
29 Appropriation (FY 2023) by \$15,941,000.

30 On page 140, line 5, increase the General Fund-Federal
31 Appropriation by \$14,310,000.

32 Adjust the total appropriation accordingly.

On page 150, line 25, after "(27)" strike all material down through "service" on line 38 and insert the following:

"\$6,396,000 of the general fund-state appropriation for fiscal year 2022, \$6,396,000 of the general fund-state appropriation for fiscal year 2023, and \$30,510,000 of the general fund-federal appropriation are provided solely for the department to make sufficient funding available to establish clubhouse services in every region of the state. Clubhouse services are to be provided by a clubhouse which is accredited by clubhouse international or is in the process of pursuing accreditation by that body.

(a) The authority must collaborate with the department of health to design the state medicaid program to be as accommodating as possible to clubhouses and peer-run organizations to allow these entities to maximize opportunities to access medicaid funding while at the same time maintaining fidelity to evidence-based models and their essential character as clubhouses and peer-run organizations.

(b) The authority must facilitate partnerships if needed between independent clubhouses or peer-run organizations and licensed or certified behavioral health agencies to help the clubhouses or peer-run organizations obtain referrals, client evaluations, or other assistance needed to meet requirements necessary for them to access funding under the medicaid program"

On page 154, line 17, after "2022", strike "and" and insert ", "

On page 154, line 18, after "2023" insert ", and \$1,762,000 of the general fund-federal appropriation from the substance abuse prevention and treatment federal block grant"

On page 154, line 27, after "2022" strike "and" and insert ", "

1 On page 154, line 28, after "2023" insert ", and \$1,000,000 of
2 the general fund-federal appropriation from the substance abuse
3 prevention and treatment federal block grant"

4

5 On page 157, after line 36, insert the following:

6 "(58) \$10,000,000 of the general fund-state appropriation for
7 fiscal year 2022 and \$10,424,000 of the general fund-state
8 appropriation for fiscal year 2023 are provided solely for the
9 authority to provide grants for high intensity programs for homeless
10 outreach stabilization transition teams (HOST). These teams must be
11 interdisciplinary and consist of mental health, substance use
12 disorder, and medical professionals. The teams must locate eligible
13 individuals, provide assessment and access to survival services, and
14 provide treatment and/or referral to treatment where applicable
15 while maintaining a network to other critical resources for people
16 experiencing homelessness.

17 (59) \$2,517,000 of the general fund-state appropriation for
18 fiscal year 2022 and \$2,517,000 of the general fund-state
19 appropriation for fiscal year 2023 are provided solely for a grant
20 to an organization that provides housing, shelter, health services,
21 and crisis response in the largest city in the state to create
22 behavioral health medical teams to provide psychiatric outreach to
23 the homeless. This project must include siting a behavioral health
24 provider and nurse at permanent supportive housing and shelter
25 locations operated by the organization at least one day per week,
26 and expand occupational therapy services.

27 (60) \$2,000,000 of the general fund-state appropriation for
28 fiscal year 2022 is provided solely for grants for mobile opioid
29 treatment programs operating in unserved areas of the state.

30 (61) \$1,000,000 of the general fund-federal appropriation from
31 the substance abuse prevention and treatment federal block grant is
32 provided solely to increase the authority's statewide opioid
33 treatment network's capacity to provide services for people with co-
34 occurring opioid and stimulant use disorder."

Renumber the remaining subsections and sections consecutively and correct any internal references accordingly.

On page 171, line 18, increase the General Fund-Private/Local Appropriation by \$23,000.

Adjust the total appropriation accordingly.

On page 182, after line 7, insert the following:

"(28) \$23,000 of the general fund-private/local appropriation is provided solely for the department to collaborate with the Washington state health care authority and appropriate stakeholders to review and redesign the licensure and oversight process for clubhouses and peer-run organizations in order to accommodate to their ability to obtain medicaid reimbursement while simultaneously maintaining fidelity to evidence-based models and their essential character as clubhouses and peer-run organizations.

(a) This shall include efforts to:

(i) Identify changes to behavioral health agency rules to streamline licensure requirements for clubhouses and peer-run organizations and to create accessible pathways towards licensure;

(ii) Identify changes to operational rules for providing medicaid services within clubhouses and peer-run organizations, including but not limited to day support services which are within allowable federal guidelines, and to the extent possible allow these entities to provide those services to be provided with fidelity to evidence based models while maintaining their essential character as clubhouses and peer-run organizations; and

(iii) Allow independent clubhouses and peer-run organizations to meet requirements in part by forming partnerships with licensed and certified behavioral health agencies to assist them with federally required tasks that are not an essential part of maintaining fidelity to their evidence-based model.

1 (b) The department must take actions necessary to implement the
2 findings of their review and redesign and must report findings to
3 the health care and fiscal committees of the legislature by June 30,
4 2022."

5
6 Renumber the remaining subsections and sections consecutively
7 and correct any internal references accordingly.

8
9 On page 183, line 23, increase the General Fund-State
10 Appropriation (FY 2022) by \$3,300,000.

11 Adjust the total appropriation accordingly.

12
13 On page 185, after line 9, insert the following:
14 "(h) \$3,300,000 of the general fund-state appropriation for
15 fiscal year 2022 is provided solely for setting up temporary court
16 facilities to hold virtual hearings at department of corrections'
17 facilities as a result of the *State v. Blake* decision."

18
19 Renumber the remaining subsections and sections consecutively
20 and correct any internal references accordingly.

21
22 On page 359, line 32, increase the General Fund-State
23 Appropriation (FY 2022) by \$150,000.

24 On page 359, line 33, increase the General Fund-State
25 Appropriation (FY 2023) by \$150,000.

26 Adjust the total appropriation accordingly.

27
28 On page 360, after line 18, insert the following:
29 "(4) \$150,000 of the general fund-state appropriation for
30 fiscal year 2022 and \$150,000 of the general fund-state
31 appropriation for fiscal year 2023 are provided solely for the board
32 to continue work under a new behavioral health workforce advisory
33 committee, which shall monitor and report on the progress of
34 recommendations from the board's previous behavioral health

1 workforce assessments, and continue to develop policy and practice
2 recommendations on emerging issues in the behavioral health
3 workforce. The board must convene and staff the committee. The
4 committee must provide a report and relevant recommendations to the
5 appropriate committees of the legislature and the office of the
6 governor under RCW 43.01.036 by December 1, 2021, and December 1,
7 2022."

8
9 Renumber the remaining subsections and sections consecutively
10 and correct any internal references accordingly.

11
12 On page 721, line 7, increase the General Fund-State
13 Appropriation (FY 2021) by \$1,300,000.

14 Adjust the total appropriation accordingly.

15
16 On page 722, line 19, after "(f)" strike all material down
17 through "Blake" on line 22 and insert the following:

18 "\$1,550,000 of the general fund-state appropriation for fiscal
19 year 2021 is provided solely to provide release assistance,
20 including limited housing and food assistance, and other costs
21 associated with individuals ordered released from confinement as a
22 result of the State v. Blake decision"

23

EFFECT:

- Removes \$6 million from the Administrative Office of the Court for grants to superior courts for excess court-related expenditures related to implementing the *State v. Blake* decision.
- Funding is provided for the Department of Commerce to assist counties with costs of resentencing and vacating the sentences of defendants whose convictions or sentences are affected by the *State v. Blake* decision.
- Creates a legal financial obligation aid pool at Commerce to assist counties that are obligated to refund legal financial obligations previously paid by defendants whose convictions or sentences were affected by the *State v. Blake* decision.

- Provides funding to Commerce to reimburse counties for administering refunds related to vacation and resentencing hearings for defendants affected by the *State v. Blake* decision.
- Creates a grant program at Commerce for evidence-based services to youth who are at high risk to perpetrate gun violence and who live in areas with high rates of gun violence.
- Provides funding to the Health Care Authority and local funds to the Department of Health to expand clubhouse services
- Provides substance abuse prevention and treatment block grant funding for additional resources towards peer support, substance abuse family navigators, and the opioid treatment network.
- Provides funding to the Health Care Authority to implement high intensity programs for homeless outreach stabilization transition teams, a grant to provide psychiatric outreach to the homeless, and funding for mobile opioid treatment programs in unserved areas.
- Provides specific funding for the Department of Corrections to hold virtual hearings and provide release assistance as related to the *State v. Blake* decision.
- Provides funding to the Workforce Training and Education Coordinating Board for a behavioral health workforce advisory committee to monitor and report on the progress of recommendations from the board's previous behavioral health workforce assessments, and continue to develop policy and practice recommendations on emerging issues in the behavioral health workforce. The committee must report and provide recommendations on December 1, 2021 and December 1, 2022.

EXPENDITURE EFFECT (2019-2021): \$1,300,000 Near General Fund-State/\$1,300,000 Total Funds

EXPENDITURE EFFECT (2021-2023): \$134,658,000 Near General Fund-State/\$149,015,000 Total Funds

FOUR-YEAR OUTLOOK EXPENDITURE EFFECT: \$166,540,000 Near General Fund-State

--- END ---
