

	Early Childhood Education and Assistance Program (ECEAP)	Working Connections Child Care (WCCC)	Head Start	Transitional Kindergarten (TK)	Early Childhood Special Education (aka Developmental Preschool)
Program Description	<p>ECEAP is a state-funded voluntary preschool program for children ages three and four and who have certain risk factors. ECEAP provides comprehensive services that include education, health and nutrition, and family support services.</p> <p>RCW 43.216.505. Expands definition of "eligible child" to include a child who: (1) has a family with financial need (0-36% of SMI in 2026 and 0-50% of SMI in 2030); (2) is experiencing homelessness in 2026; (3) has participated in Early Head Start/Early Support for Infants and Toddlers or received class C developmental services/Birth-to-3 ECEAP/ECLIPSE in 2026; or (4) is Indian and at or below 100% SMI in 2026.</p>	<p>WCCC is a federally and state-funded program that provides subsidies for child care to families whose household's annual income is at or below 60 percent of the SMI. (Eligibility expands to 75% SMI in 2025 and 85% in 2027)</p>	<p>Federally funded and administered preschool program for children ages three and four.</p>	<p>Defined by the Office of the Superintendent of Public Instruction as a kindergarten program for children below age 5, without access to high-quality early learning experiences prior to kindergarten, who have been deemed by a school district, through a screening process and/or other instrument(s), to need additional preparation to be successful in kindergarten the following year. TK programs may start anytime between the beginning of the school year and January 31, but must have 27 hours and 45 minutes of weekly instruction.</p>	<p>The state's statutory program of basic education includes the opportunity for an appropriate education at public expense for eligible children with disabilities ages 3-21.</p>
