

By Senator Keiser

PSSB 5259 (S-0850.2/23) - S COMM AMD  
By Committee on Labor & Commerce

[A.2]

1       On page 9, line 2, after "limitations." insert "An employer may  
2 designate through policy certain employees, classes of employees, or  
3 both, who are not to engage with customers suspected of theft. The  
4 employer must provide training to its employees on the policy  
5 regarding who may engage with customers suspected of theft."

EFFECT: Allows employers to designate through policy certain employees or classes of employees who are not to engage with customers suspected of theft. Requires employers to train employees on the policy.
