17 completion of their project within 12 months of receiving a grant,
18 unless a grant recipient requests, and the department approves,

14 (b) Be a business that is at least 51 percent minority or woman-
15 owned; and

16 (c) Meet department reporting and invoicing requirements.

17 (5) Funding for the cannabis social equity technical assistance
18 grant program must be provided (~~through the dedicated cannabis~~
19 ~~account~~) under RCW 69.50.540. Additionally, the department may
20 solicit, receive, and expend private contributions to support the
21 grant program.

22 (6) The department may adopt rules to implement this section.

23 (7) For the purposes of this section, "cannabis" has the meaning
24 provided under RCW 69.50.101.

25 **Sec. 2.** RCW 69.50.331 and 2022 c 16 s 58 are each amended to
26 read as follows:

27 (1) For the purpose of considering any application for a license
28 to produce, process, research, transport, or deliver cannabis,
29 useable cannabis, cannabis concentrates, or cannabis-infused products
30 subject to the regulations established under RCW 69.50.385, or sell
31 cannabis, or for the renewal of a license to produce, process,
32 research, transport, or deliver cannabis, useable cannabis, cannabis
33 concentrates, or cannabis-infused products subject to the regulations
34 established under RCW 69.50.385, or sell cannabis, the board must
35 conduct a comprehensive, fair, and impartial evaluation of the
36 applications timely received.

37 (a) The board may cause an inspection of the premises to be made,
38 and may inquire into all matters in connection with the construction
39 and operation of the premises. For the purpose of reviewing any

1 application for a license and for considering the denial, suspension,
2 revocation, cancellation, or renewal or denial thereof, of any
3 license, the board may consider any prior criminal arrests or
4 convictions of the applicant, any public safety administrative
5 violation history record with the board, and a criminal history
6 record information check. The board may submit the criminal history
7 record information check to the Washington state patrol and to the
8 identification division of the federal bureau of investigation in
9 order that these agencies may search their records for prior arrests
10 and convictions of the individual or individuals who filled out the
11 forms. The board must require fingerprinting of any applicant whose
12 criminal history record information check is submitted to the federal
13 bureau of investigation. The provisions of RCW 9.95.240 and of
14 chapter 9.96A RCW do not apply to these cases. Subject to the
15 provisions of this section, the board may, in its discretion, grant
16 or deny the renewal or license applied for. Denial may be based on,
17 without limitation, the existence of chronic illegal activity
18 documented in objections submitted pursuant to subsections (7)(c) and
19 (10) of this section. Authority to approve an uncontested or
20 unopposed license may be granted by the board to any staff member the
21 board designates in writing. Conditions for granting this authority
22 must be adopted by rule.

23 (b) No license of any kind may be issued to:

24 (i) A person under the age of (~~(twenty-one)~~) 21 years;

25 (ii) A person doing business as a sole proprietor who has not
26 lawfully resided in the state for at least six months prior to
27 applying to receive a license;

28 (iii) A partnership, employee cooperative, association, nonprofit
29 corporation, or corporation unless formed under the laws of this
30 state, and unless all of the members thereof are qualified to obtain
31 a license as provided in this section; or

32 (iv) A person whose place of business is conducted by a manager
33 or agent, unless the manager or agent possesses the same
34 qualifications required of the licensee.

35 (2)(a) The board may, in its discretion, subject to RCW
36 43.05.160, 69.50.563, 69.50.562, 69.50.334, and 69.50.342(3) suspend
37 or cancel any license; and all protections of the licensee from
38 criminal or civil sanctions under state law for producing,
39 processing, researching, or selling cannabis, cannabis concentrates,

1 useable cannabis, or cannabis-infused products thereunder must be
2 suspended or terminated, as the case may be.

3 (b) The board must immediately suspend the license of a person
4 who has been certified pursuant to RCW 74.20A.320 by the department
5 of social and health services as a person who is not in compliance
6 with a support order. If the person has continued to meet all other
7 requirements for reinstatement during the suspension, reissuance of
8 the license is automatic upon the board's receipt of a release issued
9 by the department of social and health services stating that the
10 licensee is in compliance with the order.

11 (c) The board may request the appointment of administrative law
12 judges under chapter 34.12 RCW who shall have power to administer
13 oaths, issue subpoenas for the attendance of witnesses and the
14 production of papers, books, accounts, documents, and testimony,
15 examine witnesses, receive testimony in any inquiry, investigation,
16 hearing, or proceeding in any part of the state, and consider
17 mitigating and aggravating circumstances in any case and deviate from
18 any prescribed penalty, under rules the board may adopt.

19 (d) Witnesses must be allowed fees and mileage each way to and
20 from any inquiry, investigation, hearing, or proceeding at the rate
21 authorized by RCW 34.05.446. Fees need not be paid in advance of
22 appearance of witnesses to testify or to produce books, records, or
23 other legal evidence.

24 (e) In case of disobedience of any person to comply with the
25 order of the board or a subpoena issued by the board, or any of its
26 members, or administrative law judges, or on the refusal of a witness
27 to testify to any matter regarding which he or she may be lawfully
28 interrogated, the judge of the superior court of the county in which
29 the person resides, on application of any member of the board or
30 administrative law judge, compels obedience by contempt proceedings,
31 as in the case of disobedience of the requirements of a subpoena
32 issued from said court or a refusal to testify therein.

33 (3) Upon receipt of notice of the suspension or cancellation of a
34 license, the licensee must forthwith deliver up the license to the
35 board. Where the license has been suspended only, the board must
36 return the license to the licensee at the expiration or termination
37 of the period of suspension. The board must notify all other
38 licensees in the county where the subject licensee has its premises
39 of the suspension or cancellation of the license; and no other
40 licensee or employee of another licensee may allow or cause any

1 cannabis, cannabis concentrates, useable cannabis, or cannabis-
2 infused products to be delivered to or for any person at the premises
3 of the subject licensee.

4 (4) Every license issued under this chapter is subject to all
5 conditions and restrictions imposed by this chapter or by rules
6 adopted by the board to implement and enforce this chapter. All
7 conditions and restrictions imposed by the board in the issuance of
8 an individual license must be listed on the face of the individual
9 license along with the trade name, address, and expiration date.

10 (5) Every licensee must post and keep posted its license, or
11 licenses, in a conspicuous place on the premises.

12 (6) No licensee may employ any person under the age of (~~twenty-~~
13 ~~one~~) 21 years.

14 (7)(a) Before the board issues a new or renewed license to an
15 applicant it must give notice of the application to the chief
16 executive officer of the incorporated city or town, if the
17 application is for a license within an incorporated city or town, or
18 to the county legislative authority, if the application is for a
19 license outside the boundaries of incorporated cities or towns, or to
20 the tribal government if the application is for a license within
21 Indian country, or to the port authority if the application for a
22 license is located on property owned by a port authority.

23 (b) The incorporated city or town through the official or
24 employee selected by it, the county legislative authority or the
25 official or employee selected by it, the tribal government, or port
26 authority has the right to file with the board within twenty days
27 after the date of transmittal of the notice for applications, or at
28 least thirty days prior to the expiration date for renewals, written
29 objections against the applicant or against the premises for which
30 the new or renewed license is asked. The board may extend the time
31 period for submitting written objections upon request from the
32 authority notified by the board.

33 (c) The written objections must include a statement of all facts
34 upon which the objections are based, and in case written objections
35 are filed, the city or town or county legislative authority may
36 request, and the board may in its discretion hold, a hearing subject
37 to the applicable provisions of Title 34 RCW. If the board makes an
38 initial decision to deny a license or renewal based on the written
39 objections of an incorporated city or town or county legislative
40 authority, the applicant may request a hearing subject to the

1 applicable provisions of Title 34 RCW. If a hearing is held at the
2 request of the applicant, board representatives must present and
3 defend the board's initial decision to deny a license or renewal.

4 (d) Upon the granting of a license under this title the board
5 must send written notification to the chief executive officer of the
6 incorporated city or town in which the license is granted, or to the
7 county legislative authority if the license is granted outside the
8 boundaries of incorporated cities or towns.

9 (8) (a) Except as provided in (b) through (e) of this subsection,
10 the board may not issue a license for any premises within (~~one~~
11 ~~thousand~~) 1,000 feet of the perimeter of the grounds of any
12 elementary or secondary school, playground, recreation center or
13 facility, child care center, public park, public transit center, or
14 library, or any game arcade admission to which is not restricted to
15 persons aged (~~twenty-one~~) 21 years or older.

16 (b) A city, county, or town may permit the licensing of premises
17 within (~~one-thousand~~) 1,000 feet but not less than (~~one-hundred~~)
18 100 feet of the facilities described in (a) of this subsection,
19 except elementary schools, secondary schools, and playgrounds, by
20 enacting an ordinance authorizing such distance reduction, provided
21 that such distance reduction will not negatively impact the
22 jurisdiction's civil regulatory enforcement, criminal law enforcement
23 interests, public safety, or public health.

24 (c) A city, county, or town may permit the licensing of research
25 premises allowed under RCW 69.50.372 within (~~one-thousand~~) 1,000
26 feet but not less than (~~one-hundred~~) 100 feet of the facilities
27 described in (a) of this subsection by enacting an ordinance
28 authorizing such distance reduction, provided that the ordinance will
29 not negatively impact the jurisdiction's civil regulatory
30 enforcement, criminal law enforcement, public safety, or public
31 health.

32 (d) The board may license premises located in compliance with the
33 distance requirements set in an ordinance adopted under (b) or (c) of
34 this subsection. Before issuing or renewing a research license for
35 premises within (~~one-thousand~~) 1,000 feet but not less than (~~one~~
36 ~~hundred~~) 100 feet of an elementary school, secondary school, or
37 playground in compliance with an ordinance passed pursuant to (c) of
38 this subsection, the board must ensure that the facility:

39 (i) Meets a security standard exceeding that which applies to
40 cannabis producer, processor, or retailer licensees;

1 (ii) Is inaccessible to the public and no part of the operation
2 of the facility is in view of the general public; and

3 (iii) Bears no advertising or signage indicating that it is a
4 cannabis research facility.

5 (e) The board must issue a certificate of compliance if the
6 premises met the requirements under (a), (b), (c), or (d) of this
7 subsection on the date of the application. The certificate allows the
8 licensee to operate the business at the proposed location
9 notwithstanding a later occurring, otherwise disqualifying factor.

10 (f) The board may not issue a license for any premises within
11 Indian country, as defined in 18 U.S.C. Sec. 1151, including any fee
12 patent lands within the exterior boundaries of a reservation, without
13 the consent of the federally recognized tribe associated with the
14 reservation or Indian country.

15 (9) A city, town, or county may adopt an ordinance prohibiting a
16 cannabis producer or cannabis processor from operating or locating a
17 business within areas zoned primarily for residential use or rural
18 use with a minimum lot size of five acres or smaller.

19 (10) In determining whether to grant or deny a license or renewal
20 of any license, the board must give substantial weight to objections
21 from an incorporated city or town or county legislative authority
22 based upon chronic illegal activity associated with the applicant's
23 operations of the premises proposed to be licensed or the applicant's
24 operation of any other licensed premises, or the conduct of the
25 applicant's patrons inside or outside the licensed premises. "Chronic
26 illegal activity" means (a) a pervasive pattern of activity that
27 threatens the public health, safety, and welfare of the city, town,
28 or county including, but not limited to, open container violations,
29 assaults, disturbances, disorderly conduct, or other criminal law
30 violations, or as documented in crime statistics, police reports,
31 emergency medical response data, calls for service, field data, or
32 similar records of a law enforcement agency for the city, town,
33 county, or any other municipal corporation or any state agency; or
34 (b) an unreasonably high number of citations for violations of RCW
35 46.61.502 associated with the applicant's or licensee's operation of
36 any licensed premises as indicated by the reported statements given
37 to law enforcement upon arrest.

38 (11) The board may not issue a cannabis retail license for any
39 premises not currently licensed if:

1 (a) The board receives a written objection from the legislative
2 authority of an incorporated city or town, or county legislative
3 authority, relating to the physical location of the proposed
4 premises;

5 (b) The objection to the location from the incorporated city or
6 town, or county legislative authority, is received by the board
7 within 20 days of the board notifying the incorporated city or town,
8 or county legislative authority, of the proposed cannabis retail
9 location; and

10 (c) The objection to the issuance of a cannabis retail license at
11 the specified location is based on a preexisting local ordinance
12 limiting outlet density in a specific geographic area. For purposes
13 of this subsection (11), a preexisting local ordinance is an
14 ordinance enacted and in effect before the date the applicant submits
15 an application for a cannabis retail license to the board identifying
16 the premises proposed to be licensed. No objection related to the
17 physical location of a proposed premises may be made by a local
18 government under this subsection (11) based on a local ordinance
19 enacted after the date the applicant submits an application for a
20 cannabis retail license to the board identifying the premises
21 proposed to be licensed.

22 (12) After January 1, 2024, all cannabis licensees are encouraged
23 but are not required to submit a social equity plan to the board.
24 Upon confirmation by the board that a cannabis licensee who is not a
25 social equity applicant, and who does not hold a social equity
26 license issued under RCW 69.50.335, has submitted a social equity
27 plan, the board must within 30 days reimburse such a licensee an
28 amount equal to the cost of the licensee's annual cannabis license
29 renewal fee. The license renewal fee reimbursement authorized under
30 this subsection is subject to the following limitations:

31 (a) The board may provide reimbursement one time only to any
32 licensed entity; and

33 (b) Any licensed entity holding more than one cannabis license is
34 eligible for reimbursement of the license renewal fee on only one
35 license.

36 **Sec. 3.** RCW 69.50.335 and 2022 c 16 s 60 are each amended to
37 read as follows:

38 (1)(a) Beginning December 1, 2020, and until July 1, ((2029))
39 2032, cannabis retailer licenses, cannabis processor licenses, and

1 cannabis producer licenses that have been subject to forfeiture,
2 revocation, or cancellation by the board, or cannabis retailer
3 licenses that were not previously issued by the board but could have
4 been issued without exceeding the limit on the statewide number of
5 cannabis retailer licenses established before January 1, 2020, by the
6 board, may be issued or reissued to an applicant who meets the
7 cannabis retailer license, cannabis processor license, or cannabis
8 producer license requirements of this chapter.

9 (b) In accordance with (a) of this subsection, the board may
10 issue or reissue:

11 (i) Up to 100 cannabis processor licenses immediately; and

12 (ii) Beginning January 1, 2025, up to 10 cannabis producer
13 licenses, which must be issued in conjunction with a cannabis
14 processor license.

15 (c) In addition to the cannabis retailer licenses and cannabis
16 producer licenses that may be issued under (a) and (b) of this
17 subsection, beginning January 1, 2023, and continuing every three
18 years until July 1, 2032, the board may, with the approval of the
19 legislature through the passage of a bill, increase the number of
20 cannabis retailer licenses and cannabis producer licenses for the
21 social equity program based on:

22 (i) The most recent census data available as of January 1, 2023;
23 and

24 (ii) The annual population estimates published by the office of
25 financial management.

26 (d) In addition to the cannabis retailer licenses that may be
27 issued under (a) of this subsection, beginning January 1, 2024, and
28 until July 1, 2032, the board may issue up to 52 cannabis retailer
29 licenses for the social equity program.

30 (e)(i) At the time of licensure, all licenses issued under the
31 social equity program under this section may be located in any city,
32 town, or county in the state that allows cannabis retail, cannabis
33 production, or cannabis processing business activities, as
34 applicable, at the proposed location, regardless of:

35 (A) Whether a cannabis retailer license, cannabis producer
36 license, or cannabis processor license was originally allocated to or
37 issued in another city, town, or county; and

38 (B) The maximum number of retail cannabis licenses established by
39 the board for each county under RCW 69.50.345.

1 (ii) The board must adopt rules establishing a threshold of the
2 number of licenses created by this section that can be located in
3 each county.

4 (f) After a social equity license has been issued under this
5 section for a specific location, the location of the licensed
6 business may not be moved to a city, town, or county different from
7 the city, town, or county for which it was initially licensed.

8 (2) (a) In order to be considered for a (~~(retail)~~) cannabis
9 retailer license, cannabis processor license, or cannabis producer
10 license under subsection (1) of this section, an applicant must be a
11 social equity applicant and submit (~~(a social equity plan along with~~
12 ~~other cannabis retailer license application requirements)~~) required
13 cannabis license materials to the board. If the application proposes
14 ownership by more than one person, then at least (~~(fifty-one)~~) 51
15 percent of the proposed ownership structure must reflect the
16 qualifications of a social equity applicant.

17 (b) Persons holding an existing cannabis retailer license or
18 title certificate for a cannabis retailer business in a local
19 jurisdiction subject to a ban or moratorium on cannabis retail
20 businesses may apply for a license under this section.

21 (3) (a) In determining the priority for issuance of a license
22 among applicants, the board (~~(may prioritize applicants based on the~~
23 ~~extent to which the application addresses the components of the~~
24 ~~social equity plan)~~) must select a third-party contractor to identify
25 and score social equity applicants, using a scoring rubric developed
26 by the board. The board must rely on the score provided by the third-
27 party contractor in issuing licenses.

28 (b) The board may deny any application submitted under this
29 subsection if (~~(the)~~):

30 (i) The board determines that(~~(~~

31 ~~(i) The application does not meet social equity goals or does not~~
32 ~~meet social equity plan requirements; or~~

33 ~~(ii) The application does not otherwise meet the licensing~~
34 ~~requirements of this chapter)), upon the advice of the third-party
35 contractor, the application does not meet the social equity licensing
36 requirements of this chapter; or~~

37 (ii) The board determines the application does not otherwise meet
38 licensing requirements.

39 (4) The board (~~(may)~~) must adopt rules to implement this section.
40 (~~(Rules may include strategies for receiving)~~) Prior to adopting any

1 rule implementing this section, the board must consider advice on the
2 social equity program from individuals the program is intended to
3 benefit. Rules may also require that licenses awarded under this
4 section only be transferred to or ~~((sold only to))~~ assumed by
5 individuals or groups of individuals who comply with the requirements
6 for initial licensure as a social equity applicant ~~((with a social~~
7 ~~equity plan under this section))~~ for a period of at least five years
8 from the date of initial licensure.

9 (5) The annual fee for issuance, reissuance, or renewal for any
10 license under this section must be ~~((equal to the fee established in~~
11 ~~RCW 69.50.325))~~ waived through July 1, 2032.

12 (6) ~~((For the purposes of this section:))~~ The definitions in this
13 subsection apply throughout this section unless the context clearly
14 requires otherwise.

15 (a) "Disproportionately impacted area" means a census tract or
16 comparable geographic area ~~((that satisfies the following criteria,~~
17 ~~which may be further defined in rule by the board after consultation~~
18 ~~with the commission on African American affairs and other agencies,~~
19 ~~commissions, and community members as determined by the board:~~

20 ~~(i) The area has a high poverty rate;~~

21 ~~(ii) The area has a high rate of participation in income-based~~
22 ~~federal or state programs))~~ within Washington state where community
23 members were more likely to be impacted by the war on drugs. These
24 areas must be determined in rule by the board, in consultation with
25 the office of equity, using a standardized statistical equation to
26 identify areas with demographic indicators consistent with
27 populations most impacted by the war on drugs. These areas must be
28 assessed to account for demographic changes in the composition of the
29 population over time. Disproportionately impacted areas must include
30 census tracts or comparable geographic areas in the top 15th
31 percentile in at least two of the following demographic indicators of
32 populations most impacted by the war on drugs:

33 (i) The area has a high rate of people living under the federal
34 poverty level;

35 (ii) The area has a high rate of people who did not graduate from
36 high school;

37 (iii) The area has a high rate of unemployment; ~~((and))~~ or

38 (iv) The area has a high rate of ~~((arrest, conviction, or~~
39 ~~incarceration related to the sale, possession, use, cultivation,~~

1 manufacture, or transport of cannabis)) people receiving public
2 assistance.

3 (b) "Social equity applicant" means ((÷

4 ~~(i) An applicant who has at least fifty-one percent ownership and~~
5 ~~control by one or more individuals who have resided in a~~
6 ~~disproportionately impacted area for a period of time defined in rule~~

8 ~~American affairs and other commissions, agencies, and community~~
9 ~~members as determined by the board;~~

10 ~~(ii) An applicant who has at least fifty-one percent ownership~~

15 ~~board after consultation with the commission on African American~~
16 ~~affairs and other commissions, agencies, and community members as~~
17 ~~determined by the board)) an applicant who has at least 51 percent
18 ownership and control by one or more individuals who meet at least

21 state for a minimum of five years between 1980 and 2010;

22 (ii) Has been arrested or convicted of a cannabis offense or has
23 a family member who has been arrested or convicted of a cannabis
24 offense;

38 application and enforcement of cannabis prohibition laws.

39 ((÷(d) "Social equity plan" means a plan that addresses at least
40 some of the elements outlined in this subsection (6)(d), along with

1 ~~any additional plan components or requirements approved by the board~~

25 **Sec. 4.** RCW 69.50.345 and 2022 c 16 s 64 are each amended to
26 read as follows:

27 The board, subject to the provisions of this chapter, must adopt
28 rules that establish the procedures and criteria necessary to
29 implement the following:

30 (1) Licensing of cannabis producers, cannabis processors, and
31 cannabis retailers, including prescribing forms and establishing
32 application, reinstatement, and renewal fees.

33 (a) Application forms for cannabis producers must request the
34 applicant to state whether the applicant intends to produce cannabis
35 for sale by cannabis retailers holding medical cannabis endorsements
36 and the amount of or percentage of canopy the applicant intends to
37 commit to growing plants determined by the department under RCW
38 69.50.375 to be of a THC concentration, CBD concentration, or THC to

1 CBD ratio appropriate for cannabis concentrates, useable cannabis, or
2 cannabis-infused products sold to qualifying patients.

3 (b) The board must reconsider and increase limits on the amount
4 of square feet permitted to be in production on July 24, 2015, and
5 increase the percentage of production space for those cannabis
6 producers who intend to grow plants for cannabis retailers holding
7 medical cannabis endorsements if the cannabis producer designates the
8 increased production space to plants determined by the department
9 under RCW 69.50.375 to be of a THC concentration, CBD concentration,
10 or THC to CBD ratio appropriate for cannabis concentrates, useable
11 cannabis, or cannabis-infused products to be sold to qualifying
12 patients. If current cannabis producers do not use all the increased
13 production space, the board may reopen the license period for new
14 cannabis producer license applicants but only to those cannabis
15 producers who agree to grow plants for cannabis retailers holding
16 medical cannabis endorsements. Priority in licensing must be given to
17 cannabis producer license applicants who have an application pending
18 on July 24, 2015, but who are not yet licensed and then to new
19 cannabis producer license applicants. After January 1, 2017, any
20 reconsideration of the limits on the amount of square feet permitted
21 to be in production to meet the medical needs of qualifying patients
22 must consider information contained in the medical cannabis
23 authorization database established in RCW 69.51A.230;

24 (2) (~~Determining~~) (a) Except as provided in RCW 69.50.335,
25 determining, in consultation with the office of financial management,
26 the maximum number of retail outlets that may be licensed in each
27 county, taking into consideration:

28 (~~(a)~~) (i) Population distribution;

29 (~~(b)~~) (ii) Security and safety issues;

30 (~~(c)~~) (iii) The provision of adequate access to licensed
31 sources of cannabis concentrates, useable cannabis, and cannabis-
32 infused products to discourage purchases from the illegal market; and

33 (~~(d)~~) (iv) The number of retail outlets holding medical
34 cannabis endorsements necessary to meet the medical needs of
35 qualifying patients. The board must reconsider and increase the
36 maximum number of retail outlets it established before July 24, 2015,
37 and allow for a new license application period and a greater number
38 of retail outlets to be permitted in order to accommodate the medical
39 needs of qualifying patients and designated providers. After January
40 1, 2017, any reconsideration of the maximum number of retail outlets

1 needed to meet the medical needs of qualifying patients must consider
2 information contained in the medical cannabis authorization database
3 established in RCW 69.51A.230.

4 (b) (i) In making the determination under (a) of this subsection,
5 the board must consider written input from an incorporated city or
6 town, or county legislative authority when evaluating concerns
7 related to outlet density.

8 (ii) An incorporated city or town, or county legislative
9 authority, may enact an ordinance prescribing outlet density
10 limitations. An ordinance may not affect licenses issued before the
11 effective date of the ordinance prescribing outlet density
12 limitations.

13 (iii) The board may adopt rules to identify how local
14 jurisdiction input will be evaluated;

15 (3) Determining the maximum quantity of cannabis a cannabis
16 producer may have on the premises of a licensed location at any time
17 without violating Washington state law;

18 (4) Determining the maximum quantities of cannabis, cannabis
19 concentrates, useable cannabis, and cannabis-infused products a
20 cannabis processor may have on the premises of a licensed location at
21 any time without violating Washington state law;

22 (5) Determining the maximum quantities of cannabis concentrates,
23 useable cannabis, and cannabis-infused products a cannabis retailer
24 may have on the premises of a retail outlet at any time without
25 violating Washington state law;

26 (6) In making the determinations required by this section, the
27 board shall take into consideration:

28 (a) Security and safety issues;

29 (b) The provision of adequate access to licensed sources of
30 cannabis, cannabis concentrates, useable cannabis, and cannabis-
31 infused products to discourage purchases from the illegal market; and

32 (c) Economies of scale, and their impact on licensees' ability to
33 both comply with regulatory requirements and undercut illegal market
34 prices;

35 (7) Determining the nature, form, and capacity of all containers
36 to be used by licensees to contain cannabis, cannabis concentrates,
37 useable cannabis, and cannabis-infused products, and their labeling
38 requirements;

39 (8) In consultation with the department of agriculture and the
40 department, establishing classes of cannabis, cannabis concentrates,

1 useable cannabis, and cannabis infused products according to grade,
2 condition, cannabinoid profile, THC concentration, CBD concentration,
3 or other qualitative measurements deemed appropriate by the board;

4 (9) Establishing reasonable time, place, and manner restrictions
5 and requirements regarding advertising of cannabis, cannabis
6 concentrates, useable cannabis, and cannabis-infused products that
7 are not inconsistent with the provisions of this chapter, taking into
8 consideration:

9 (a) Federal laws relating to cannabis that are applicable within
10 Washington state;

11 (b) Minimizing exposure of people under twenty-one years of age
12 to the advertising;

13 (c) The inclusion of medically and scientifically accurate
14 information about the health and safety risks posed by cannabis use
15 in the advertising; and

16 (d) Ensuring that retail outlets with medical cannabis
17 endorsements may advertise themselves as medical retail outlets;

18 (10) Specifying and regulating the time and periods when, and the
19 manner, methods, and means by which, licensees shall transport and
20 deliver cannabis, cannabis concentrates, useable cannabis, and
21 cannabis-infused products within the state;

22 (11) In consultation with the department and the department of
23 agriculture, establishing accreditation requirements for testing
24 laboratories used by licensees to demonstrate compliance with
25 standards adopted by the board, and prescribing methods of producing,
26 processing, and packaging cannabis, cannabis concentrates, useable
27 cannabis, and cannabis-infused products; conditions of sanitation;
28 and standards of ingredients, quality, and identity of cannabis,
29 cannabis concentrates, useable cannabis, and cannabis-infused
30 products produced, processed, packaged, or sold by licensees;

31 (12) Specifying procedures for identifying, seizing,
32 confiscating, destroying, and donating to law enforcement for
33 training purposes all cannabis, cannabis concentrates, useable
34 cannabis, and cannabis-infused products produced, processed,
35 packaged, labeled, or offered for sale in this state that do not
36 conform in all respects to the standards prescribed by this chapter
37 or the rules of the board.

38 **Sec. 5.** RCW 69.50.345 and 2022 c 16 s 65 are each amended to

EFFECT: (1) Requires the legislative authority of an incorporated city or town, or county legislative authority, to send any written objection relating to the physical location of a proposed new retail cannabis outlet seeking to be licensed, instead of allowing for an official representative or representatives of an incorporated city or town, or county legislative authority, to send the written objection.

(2) Specifies that for purposes of the proposed authorization for local governments to submit written objections against, and prevent the issuance of, new cannabis retail licenses based on a preexisting local ordinance limiting outlet density, a preexisting local ordinance is an ordinance enacted and in effect before the date the applicant submits an application for a cannabis retail license to the liquor and cannabis board (LCB) identifying the premises proposed to be licensed. Prohibits objections related to the physical location of a proposed premises by a local government based on a local ordinance limiting outlet density that is enacted after the date the applicant submits an application for a cannabis retail license to the LCB identifying the premises proposed to be licensed.

(3) Restructures the proposed provision that says nothing in the uniform controlled substances act (UCSA) limits an incorporated city or town, or county legislative authority, from enacting an ordinance prescribing outlet density limitations, to instead authorize an incorporated city or town, or county legislative authority, to enact an ordinance prescribing outlet density limitations. Provides that an ordinance may not affect licenses issued before the effective date of the ordinance prescribing outlet density limitations.

(4) Corrects a reference to a date range in the context of which cannabis licensees who meet social equity applicant criteria may be eligible for technical assistance grants, so that both date range references in the technical assistance grant program would be to cannabis licensees holding a license issued after April 1, 2023, and before July 1, 2024.

(5) Adds a reference to "cannabis production" to a provision where only cannabis retail and processing business activity are referenced, to specify that licenses issued through the social equity program may generally be located in any city, town, or county that allows cannabis retail, cannabis production, or cannabis processing business activities, as applicable, at the proposed location.

(6) Amends the definition of "social equity goals" to also reference goals of increasing the number of cannabis producer and processor licenses (not only cannabis retailer licenses) held by social equity applicants from disproportionately impacted areas.

(7) Moves the amended definition of "social equity plan" to the definition section of the UCSA and corrects related references.
